Le Molosse (suivi de) Dagon Howard Philips LOVECRAFT, Arnaud Demaegd, 2015-11-20 Howard Phillips Lovecraft est sans nul doute l'auteur fantastique le plus influent du XXe siècle. Son imaginaire unique et terrifiant n'a cessé d'inspirer des générations decrivains, de cinéastes, d'artistes ou de créateurs d'univers de jeux de Neil Gaiman, Michel Houellebecq en passant par Metallica. Le mythe de Cthulhu est au cœur de cette oeuvre, un panthéon de dieux et de très monstrueux venus du cosmos et de la nuit des temps ressurgissent pour reprendre possession de notre monde. Ceux qui en sont le moins conscients sont voués à la folie et la destruction. Découvrez ou replongez-vous avec un lecteur coupable dans les récits les plus emblématiques de ce mythe qui vous sont proposés l'unité au sein de la collection Brage. Le mythe de Cthulhu n'a jamais été aussi réel. *Dagon, and Other Macabre Tales* H. P. Lovecraft, 1969 **Dagon** H. P. Lovecraft, 2017-11-30 **Dagon** is a short story by H P Lovecraft written in July 1917, one of the first stories he wrote as an adult. It was first published in the November 1919 edition of *The Vagrant*, issue 11. The story is the testament of a tortured morphine-addicted man who plans to commit suicide over an incident that occurred early on in World War I when he was a merchant marine officer. In the unnamed narrator's account, his cargo ship is captured by a German sea raider in one of the most open and least frequented parts of the broad Pacific. He escapes on a lifeboat and drifts aimlessly across the sea, somewhat south of the equator, until he eventually finds himself inexplicably stranded on a slimy expanse of hellish black mire. The story is the testament of a tortured morphine-addicted man who relates an incident that occurred during his service as an officer during World War I. In the unnamed narrator's account, his cargo ship is captured by an Imperial German sea raider in one of the most open and least frequented parts of the broad Pacific. He escapes on a lifeboat and drifts aimlessly south of the equator until he eventually finds himself stranded on a slimy expanse of hellish black mire which extended about him in monotonous undulations as far as he could see. The region was putrid with the carcasses of decaying fish and less describable things which he saw protruding from the nasty mud of the unending plain. He theorizes that this area was formerly a portion of the ocean floor thrown to the surface by volcanic activity, exposing regions which for innumerable millions of years had lain hidden under unfathomable watery depths. Dagon (Fantasy and Horror Classics) H. P. Lovecraft,2020-05-27 Dagon is a 1917 short story by American author H P Lovecraft One of the first stories he wrote as an adult it centres around the recollection of a tortured morphine addicted narrator who was captured by a German ship during World War I After escaping his captors he drifted for many miles before winding up stranded in a hellish place littered with rotting carcasses and home to an ancient horror A chilling tale by a master story teller Dagon is not to be missed by lovers of supernatural fiction and collectors of Lovecraft s seminal work Howard Phillips Lovecraft 1890 1937 was an American writer of supernatural horror fiction Though his works remained largely unknown and did not furnish him with a decent living Lovecraft is today considered to be among the most significant writers of supernatural horror fiction of the twentieth century Other notable works by this author include The Call of Cthulhu The Rats in the Walls and The Shadow over Innsmouth Read Co is publishing this classic short story now as part of our Fantasy and Horror Classics imprint in a new edition with a dedication by George Henry Weiss **The Hound** Howard Phillips Lovecraft,2019-09-10 The Hound Biography and Bibliography 6X9po Glossy Cover Finish In my tortured ears there sounds unceasingly a nightmare whirring and flapping and a faint distant baying as of some gigantic hound It is not dream it is not I fear even madness for too much has already happened to give me these merciful doubts St John is a mangled corpse I alone know why and such is my knowledge that I am about to blow out my brains for fear I shall be mangled in the same way Down unlit and illimitable corridors of eldrith phantasy sweeps the black shapeless Nemesis that drives me to self annihilation

Dagon, the Original Short Story H.p. Lovecraft,2015-01-08 I am writing this under an appreciable mental strain since by tonight I shall be no more Penniless and at the end of my supply of the drug which alone makes life endurable I can bear the torture no longer and shall cast myself from this garret window into the squalid street below Do not think from my slavery to morphine that I am a weakling or a degenerate When you have read these hastily scrawled pages you may guess though never fully realise why it is that I must have forgetfulness or death It was in one of the most open and least frequented parts of the broad Pacific that the packet of which I was supercargo fell a victim to the German sea raider The great war was then at its very beginning and the ocean forces of the Hun had not completely sunk to their later degradation so that our vessel was made a legitimate prize whilst we of her crew were treated with all the fairness and consideration due us as naval prisoners So liberal indeed was the discipline of our captors that five days after we were taken I managed to escape alone in a small boat with water and provisions for a good length of time Dagon Говард Лавкрафт,2022-01-29 The
