One Mom'S Journey to Motherhood Ivy Shih Leung,2011-11-16 Author Ivy Shih Leung shares her not so perfect road to motherhood in this book that is part memoir and part self help guide reflecting lessons learned in the form of helpful tips and information to empower readers on the biological and sociological roots behind postpartum depression PPD She also seeks to raise awareness of the myths of motherhood and the stigma of PPD that contribute to the silent suffering of many mothers as well as the importance of adequate social support in the early postpartum weeks A culmination of Ivys frightening PPD journey and her emergence from it with a passion to learn more about perinatal mood disorders this book is fueled with passion to help other women and their families anger from the unnecessary suffering Ivy went through from the lack of information available to the public about PPD her doctors ignorance and lack of sensitivity and public remarks like There is no such thing as a chemical imbalance all of which shows theres still a long way to go in terms of educating the public about an illness that is suffered by one in eight new mothers With side effects that include shame helplessness and despair at a time that is supposed to be one of the happiest in a womans life Ivy wants to help fellow PPD advocates get the message out that PPD is not a mind over matter thing as those who dont know any better tend to believe PPD is an illness that must be taken seriously We must all remember that the health of the family unit depends on the mothers well being Ivy Shih Leungs voice as a storyteller is strong loud and clear Ivy is a survivor of postpartum depression and through the written words on each page you can hear her roar Jane Honikman Founder of Postpartum Support International

Breastfeeding and Media Katherine A. Foss,2017-06-14 This book centers on the role of media in shaping public perceptions of breastfeeding Drawing from magazines doctors office materials parenting books television websites and other media outlets Katherine A Foss explores how historical and contemporary media often undermine breastfeeding efforts with formula marketing and narrow portrayals of nursing women and their experiences Foss argues that the media s messages play an integral role in setting the standard of public knowledge and attitudes toward breastfeeding as she traces shifting public perceptions of breastfeeding and their corresponding media constructions from the development of commercial formula through contemporary times This analysis demonstrates how attributions of blame have negatively impacted public health approaches to breastfeeding thus confronting the misperception that breastfeeding and the failure to breastfeed rests solely on the responsibility of an individual mother

Mother's Milk Bernice L. Hausman,2014-02-04 Mother s Milk examines why nursing a baby is an ideologically charged experience in contemporary culture Drawing upon medical studies feminist scholarship anthropological literature and an intimate knowledge of breastfeeding itself Bernice Hausman demonstrates what is at stake in mothers infant feeding choices economically socially and in terms of women s rights Breastfeeding controversies she argues reveal social tensions around the meaning of women s bodies the authority of science and the value of maternity in American culture A provocative and multi faceted work Mother s
