My Name Is Red Orhan Pamuk, 2011-08-05 ORDER NIGHTS OF PLAGUE THE NEW NOVEL FROM ORHAN PAMUK Winner of the Nobel Prize for Literature Winner of the International IMPAC Dublin Award Wonderful The Spectator Magnificent Observer Sumptuous New Yorker Unforgettable Guardian My Name is Red is an unforgettable murder mystery set amid the splendour of sixteenth century Istanbul from the Nobel prizewinning author In the late 1590s the Sultan secretly commissions a great book a celebration of his life and his empire to be illuminated by the best artists of the day in the European manner At a time of violent fundamentalism however this is a dangerous proposition Even the illustrious circle of artists are not allowed to know for whom they are working But when one of the miniaturists is murdered their Master has to seek outside help Did the dead painter fall victim to professional rivalry romantic jealousy or religious terror With the Sultan demanding an answer within three days perhaps the clue lies somewhere in the half finished pictures Orhan Pamuk is one of the world s leading contemporary novelists and in My Name is Red he fashioned an unforgettable tale of suspense and an artful meditation on love and deception

My Name Is Red ,2010 From one of the most important and acclaimed writers at work today a thrilling new novel part murder mystery part love story set amid the perils of religious repression in sixteenth century Istanbul When the Sultan commissions a great book to celebrate his royal self and his extensive dominion he directs Enishte Effendi to assemble a cadre of the most acclaimed artists in the land Their task to illuminate the work in the European style But because figurative art can be deemed an affront to Islam this commission is a dangerous proposition indeed and no one in the elite circle can know the full scope or nature of the project Panic erupts when one of the chosen miniaturists disappears and the Sultan demands answers within three days The only clue to the mystery or crime lies in the half finished illuminations themselves Has an avenging angel discovered the blasphemous work Or is a jealous contender for the hand of Enishte s ravishing daughter the incomparable Shekure somehow to blame Orhan Pamuk s My Name Is Red is at once a fantasy and a philosophical puzzle a kaleidoscopic journey to the intersection of art religion love sex and power *Le roman du peintre* Marie-Christine Paillard, 2008 The Europa Directory of Literary Awards and Prizes Europa, 2015
