Mon Grand Livre D'artiste Collaboration:

JEFF ROLAND RETROSPECTIVE Jeff Roland, 2021-09-18 My art is a gateway to your own understanding It intends to make you dig a Little Deeper and forget reality for an instant Letting your mind tell you and see how your soul deep inside responds you will find that somehow we all share some desires as humans we need a work of art that will give you hope in which you will find the motivation of your happiness as an individual completely fulfilled within the childhood dreams you set so long ago for yourself and also as a member of a community of other singular individuals who are essential to your growth In my book I opened a bag of memories making it clear that we advance and even if we feel that we remain pretty much the same it is only by Looking Back that we can see any evolution And mainly that there is clearly someone that we become Through my paintings and my words I want to inspire you to walk your own path in your own terms with a determined belief in a future of Hope and joy Let s be Dissidents Let s not resign I created this illustrated book with my artworks and some experiences of my life Honoured by the incredible support of many friends who follow my work and read my reflections I decided to make it available and within reach of everyone I wanted to share the evolution of my Art The book is written in English Spanish and French
