Monk Habits for Everyday People Dennis L. Okholm, 2007-12-01 In their zeal for reform early Protestant leaders tended to throw out Saint Benedict with the holy water That is a mistake writes Dennis Okholm in *Monk Habits for Everyday People* While on retreat in a Benedictine abbey the author a professor who was raised as a Pentecostal and a Baptist observed how the meditative and ordered life of a monk lifted Jesus teachings off the printed page and put them into daily practice Vital aspects of devotion humility obedience hospitality and evangelism took on new clarity and meaning Paralleling that experience Okholm guides the reader on a focused and instructive journey that can revitalize the devotional life of any Christian who wants to slow down and dig deeper [Failure-Sparked Innovation](#) Kaury C. Edwards, 2023-10-31 As the western church faces challenges in declining membership and effectiveness due to religious disaffiliation and general discontent with organized religion innovation must be a central focus within all aspects of ministry in the Christian church With the focus that the local church must put on innovation one aspect that will continually be an important factor is how the church understands interprets and utilizes failure Yes the church must fail However the church must not simply fail for the sake of failure The challenge for the local church is to rethink its notion of failure which will allow for creativity new life and ultimately transformational innovation By establishing a proper framework and definition of failure the church will be able to embrace good failure and the benefits it can offer *A Confirmation of Faith* Stephen Isaacson, 2023-11-10 Confirmation is a significant rite of passage in many a person's religious life the sacrament in which the young Christian makes a public confession and affirmation of faith in the presence of their faith community What shapes those beliefs How do subsequent life experiences exposure to other beliefs and more nuanced interpretations of Scripture lead many to reexamine their faith beliefs In *A Confirmation of Faith* the author takes a hard look at his own faith examining subjects such as the nature of God the purpose of prayer the meaning of the sacraments and life after death These interesting reflections and stories are shared in the hope that they will strike a responsive chord and inspire examination and confirmation of the reader's own faith experience **Disciple Making in a Culture of Power, Comfort, and Fear** Matthew T. Dickerson, 2020-06-08 Speaking in and to a culture that worships power and comfort while cultivating fear as a manipulative tool Matthew Dickerson offers a transformative alternative authentic discipleship and disciple making What does it mean to live as disciples of Christ what would it look like to be transformed by the Holy Spirit and how can we be open to that transformation How can a follower of Christ live as salt and light in the midst of a power hungry fear mongering society And how can we both teach and model that disciple life as we obey Christ's command to make disciples In the tradition of spiritual theology and formation *Disciple Making in a Culture of Power Comfort and Fear* draws deeply from Paul's Second Epistle to Timothy viewed as a reflection on Jesus' great disciple making commission as well as on Dickerson's own experiences in disciple making ministry on college campuses and his local church Dickerson's writing is deeply informed by Scriptures by the works of such important Christian

thinkers theologians and writers as Eugene Peterson John Stott and Richard Foster and also by the literature of C S Lewis and J R R Tolkien whose works he has been teaching and writing about for more than thirty years *Holy Walks* Stephen C. Simon,2019-07-02 Prayers that lead to a growing intimacy with God Heart learning not just more head knowledge Walking conversations with God These are a few of the fruits produced by a spiritual practice called holy walks Rooted in the ancient art of praying the Psalms holy walks enrich our understanding and practice of prayer by integrating prayer walking and learning the Psalms by heart In a practical deeply personal and at times humorous manner Steve Simon shares how holy walks have transformed his own prayer life and revitalized his walk with God and how they can do the same for the reader In addition to explaining the spiritual practice of holy walks Holy Walks also provides an introduction to the book of Psalms which will be especially valuable for those with limited knowledge of the Bible Exploring five types of psalms Holy Walks describes how God uses them to shape our heart in life giving ways no matter what peaks we re climbing or valleys we re traversing The book concludes with a discussion on what the Psalms teach about God s relationship with us as our creator leader and rescuer **The Oblate Life** Gervase Holdaway,2013-01-25 A comprehensive guide to living as an oblate in the home in society at work and in the church Written by experienced oblate directors from around the world it is an essential lifelong formative guide for anyone living or considering the oblate life **Found** Micha Boyett,2014-04-01 Embracing a new way to pray and an old way to God **Soul Mentoring** David Robinson,2016-01-25 Soul Mentoring draws upon the wisdom of Gregory the Great from his Pastoral Care one of the most widely read books on mentoring from the ancient world Those who walk in Gregory s steps will discover practical guidance for the journey into mentoring including the formation of a mentor s soul and wisdom in learning to care for others Gregory describes mentoring as the art of arts the highest creative endeavour we share together Gregory has ancient wisdom applicable to mentoring in our time both for mentors and mentees friends and family coaches and teachers clergy and spiritual directors among other people looking for guidance in the ancient art of caring for souls *Journey With Me* Herbert F. Lamp Jr.,2021-07-27 Have you ever wondered Is this all there is to life and ministry with the Lord Why am I so tired all the time How can I grow in my intimacy with God in practical ways Am I so busy doing that I have forgotten how to be with God As ministry workers we too often face these questions because we too often expect a thriving personal relationship with God to be an outcome of our ministry Journey With Me illustrates that ministry is the result of the overflow of our relationship with God rather than vice versa Exploring over fifteen ancient spiritual graces such as Lectio Divina rule of life silence and solitude and prayer of Examen Herbert F Lamp Jr invites us to prioritize soul care rather than treating ministry as a replacement for intimacy In the process of knowing and being known God fills us up with his love joy peace and wisdom Only then can we minister to others balancing a heart for God with hands for service After almost four decades of missionary service Lamp has experienced the joys and potential pitfalls of serving Christ cross culturally Sharing his experiences and offering practical time tested methods to grow spiritually Lamp invites

Our True Beloved Michael S. Whiting, 2024-10-17 C S Lewis's masterpiece The Four Loves published in 1960 provided the world with a Christian exploration of four dimensions of human love extolling the divine blessings and warning of the idolatrous distortions in familial belonging storge friendship as a common quest philia romantic desire for personal union eros and concluding with the perfection of divine unconditional love agape Whiting uses the four loves as a framework to interpret the Christian love of God in historical movements across Catholic Orthodox Protestant and Pentecostal Charismatic churches He illuminates the often reactionary and competing tensions swinging between emphases on loving God in liturgical ritual and worship storge the active moral life philia personal spiritual experience eros and approaches of faith to suffering agape Synthesizing a panoramic view of Christian history with philosophy literature and biblical reflection Whiting shows how the love of God is diminished when the loves become fractured He advocates for an integrated holistic love of God that both avoids excesses and challenges the modern narrative of secular progress

Mission as Hospitality Edward L. Smither, 2021-01-05 God is a missionary God God is also hospitable in his nature He makes his enemies friends and invites them to intimate communion The mission of God in Scripture often occurs through hospitality when God s people encounter the not yet people of God at table or in hospitable environments and invite them to believe This motif of mission as hospitality plays out through the Old and New Testament Scriptures and through the Eucharist It can also be observed through the witness of monks and contemporary missionaries who embraced a hospitable approach to mission For the church to participate in God s mission today a vision to win conquer or change the world should be exchanged for a conviction to welcome the stranger and make room for others while proclaiming the gospel that is to imitate the hospitable God in mission

A Community Called Taize Jason Brian Santos, 2010-10-19 Taize the word is strangely familiar to many throughout the contemporary church Familiar perhaps because the chanted prayers of Taize are well practiced in churches throughout the world Strangely however because so little is known about Taize from its historic beginnings to how the word itself is pronounced The worship of the Taize comm
