**Monkey Business** John Rolfe, Peter Troob, 2024-09-24 This behind the scenes memoir of a brief and brutal career at a hot Wall Street investment bank is the funniest read since Michael Lewis's *Liar's Poker*. The Industry Standard Newly graduated business students John Rolfe and Peter Troob thought life at major investment banking firm Donaldson Lufkin Jenrette would be a dream come true. Instead they discovered Wall Street employees to be overworked and at their wit's end. Twenty hour work days, strip clubs and inflated salaries. This hilarious book reveals it all. *Monkey Business* is a wild ride following two young men as they realize they're selling their souls in exchange for the American Dream. Deadly accurate and no holds barred take on associate life. *Fortune*. An adrenaline fueled Animal House. *Entertainment Weekly*. Not for the faint of heart. Details.

**Free Markets with Solidarity and Sustainability** Martin Schlag, Juan Andrés Mercado, 2016-03-25 To reaffirm capitalism and the free market without dodging questions of social responsibility we need a serious and academic reflection on the creation of sustainable and shared value. The contributors to *Free Markets with Sustainability and Solidarity* present their reflections on evolving forms of economics. All are unified by an holistic Christian anthropology. **New York Magazine**, 1997-04-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.
