Negotiating Across Cultures:

Negotiating Across Cultures Raymond Cohen, 1997 In this revised edition as in the first Cohen explores how cultural factors have affected U S dealings with Japan China Egypt India and Mexico He demonstrates that there are two quite different models of negotiation low context a predominantly verbal and explicit style typical of individualistic societies such as the United States and high context a style associated with nonverbal and implicit communication more typical of traditionally interdependent societies Negotiating Across Cultures - The Case of Hungarian Negotiators Júlia Szóke, 2020 Negotiating across cultures needs consideration as different cultures have different norms habits and behavioral patterns The significance of cross cultural negotiations lies in the fact that many business relationships have already failed due to the lack of cultural knowledge Therefore the paper deals with cross cultural negotiations in case of Hungarian business negotiators The aim of the paper is to introduce the findings of a two phase research conducted among Hungarian business negotiators In the first phase a qualitative research was conducted to reveal the importance of cultural differences in case of cross cultural business negotiations from the viewpoint of Hungarian negotiators whereas in the second phase a quantitative one was conducted to figure out whether cultural stereotypes affect the way how the respondents negotiate with people coming from different cultures The research found out that in case of Hungarian negotiators it is mostly the lack of cultural knowledge that lurks behind the problems and miscommunication occurring during the negotiations The research also revealed that stereotypes have an influence on the negotiation styles of Hungarian negotiators The paper concludes that culture and cultural differences must be taken into consideration in case of cross cultural negotiations so that problems and misunderstandings could be avoided *Cross-cultural Business Behavior* Richard R.
