Connecting Pulpit and Pew Karla J. Bellinger, 2014-05-08 Whether you preach from a pulpit or sit in a pew you hope and pray for a homily that connects the Good News with life But what does it mean to connect In a world that buzzes with the synapses of technological connection can the human touch of preaching make a difference anymore Connecting Pulpit and Pew is a fresh look at the conundrum of Catholic preaching asking six key questions Why does Sunday preaching matter and to whom Why is Catholic preaching such an uphill climb How can we connect the gospel message with our young people What are the struggles of clergy on the ground in preaching What is going on in the listener's head during the homily And finally what can each of us do to help connection in preaching become more common New research speaks to those questions from the voices of youth the experiences of lay leaders and the words of priests and deacons Karla Bellinger offers concrete ways to connect the pulpit and the pew so that preaching becomes an act of love within a community of caring This practical book breaks open an important and necessary conversation

Neighboring Pews: Recollections of Growing Up As a Preacher's Only Child Suzanne Hicks, 2015-12-20 This Memoir portrays Suzanne Hicks life growing up as a preacher's daughter from a period which begins in the mid 1940's to half way through the 20th century

My Neighbor's Shoes Becki Rogers, 2023-05-23 Christians today are very discriminating in who they consider to be a neighbor they should love and what that love should look like Jesus commanded his followers to love their neighbors and enemies as they love themselves Believers are commanded to put themselves in their neighbors shoes and love them accordingly This type of love is an empathetic love it answers the question What would I need if I were in this person's situation My Neighbor's Shoes Following Jesus in Empathy Toward Others encourages Christ followers to live a life of empathy outlining the life and teachings of Jesus as the model for this life changing love

Connections: A Lectionary Commentary for Preaching and Worship Thomas G. Long, 2019-04-23 Designed to empower preachers as they lead their congregations to connect their lives to Scripture Connections features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary For each worship day within the three year lectionary cycle the commentaries in Connections link the individual lection reading with Scripture as a whole as well as to the larger world In addition Connections places each Psalm reading in conversation with the other lections for the day to highlight the themes of the liturgical season Finally sidebars offer additional connections to Scripture for each Sunday or worship day This nine volume series is a practical constructive and valuable resource for preachers who seek to help congregations connect more closely with Scripture This volume covers Year C for the season after Pentecost

Ending with Hope Beth Ann Gaede, 2002-06-01 Why is it we do funerals so well but often balk at even recognizing the death of a congregation Couldn't we do grief ministry and funerals as well for social groups as we do for individuals challenges Gilson Waldkoenig in his seminary classes Waldkoenig associate professor of church in society at Lutheran Theological Seminary at Gettysburg contributes his special insights on the subject of church endings in

this unique and important book Ending with Hope grows out of the understanding that although closing a congregation is in many ways about dying it can also be about new life Closing a congregation does not have to be about failure but can be about redirecting resources for new ministry Contributors represent eight denominations and include more than a dozen pastors lay leaders judicatory staff and others who have been there who have helped congregations through the painful closing process Resources include models for assessing whether a congregation should close reflections on members and pastors experiences during closing case studies guidance for deciding what to do with a building suggestions for selecting and preserving documents and artifacts rituals for healthy closings a survey of historical trends regarding closings and other helpful materials Gleason's Pictorial ,1853 Gleason's Pictorial Drawing-room Companion Maturia Murray Ballou,1853 Outlook Alfred Emanuel Smith,Francis Walton,1890 *The Outlook* Lyman Abbott,Hamilton Wright Mabie,Ernest Hamlin Abbott,Francis Rufus Bellamy,1921 **Standard** ,1927 **The Right Place for Love** L.
