Bondage Treatment (Lesbian Medical First Time Bondage Erotica) Olivia Ruin, This is the third story with these characters. It may be read as a standalone but look for *Stress Treatment* and *Home Treatment* for the first two stories. Stacy Taylor has been turned into a lesbian by her younger good looking physician Dr. Kara Burnett. Now the powerful businesswoman has begged her good doctor to show her the ropes and dominate her completely. The doctor grants her wishes and spends the night showing Stacy what exactly she keeps in her big black bondage bag. Warning: This erotic short story contains scenes of very explicit lesbian bondage sex including ropes, clamps, and many other accessories. Only for consumption by readers 18+. These scenes are undertaken by fictional characters; please do not attempt to replicate scenes at home.

Excerpt: The blonde straightened back up but Stacy had been concentrating all of her attention on the sight in front of her and didn't see what was pulled out of the bag. That sexy derriere walked around her and out of sight and Kara's voice sounded over her shoulder. The first step I think will be to tie you up a little. Just a bit for now, although I will definitely be treating you to more and more rope as time goes on and you become more comfortable with things. Soft hair tickled the submissive woman's back as the doctor knelt down directly behind her and grabbed her hands. In seemingly no time the experienced domme had secured Stacy's hands together behind her back with a few practiced motions with the rope. It felt smooth and soft on her skin, a high quality rope that in all likelihood had been designed precisely for this purpose. Even though she had no intent to escape, Stacy felt the need to strain against the bonds to test them, no matter how she struggled she couldn't get the rope to budge. It may be deceptively soft but it was tied with an expert's hand and it wasn't going anywhere. And now I'm completely at her mercy. Damn, that's hot. Her new mistress appeared in front of her again but only to grab the bag and drag the whole thing out of sight somewhere behind her. There would be no ability to see what was coming and prepare everything would be a surprise.

My First Lesbian Experience Emma Grace, 2025-08-14. My First Lesbian Experience. Taste it. Mia was lost in the scent of Sophia's pussy, the taste of her skin. She lapped Sophia's rosebud in earnest, her hands holding Sophia's legs above her head. Her nose rubbed through her wet pussy folds and the scent overwhelmed her senses. As her ass was thoroughly worked over by Mia, Sophia reached clumsily for her own legs, pulling them tightly against her chest to expose herself even more to Mia's tongue. Mia mewled happily as Sophia's ass cheeks naturally spread wider, allowing her to lick deeper. She pushed her tongue hard against the tight ring of Sophia's anal opening, thrusting over and over in a fucking motion. The sensation caused Sophia to gasp excitedly, her hips rocking on the mattress as Mia's tongue

fucked her Please she cried Please don t stop Again Sophia s words spurred Mia on and she sped up her actions reaching up simultaneously to rub her fingers against Sophia s throbbing clit The combined stimulus caused Sophia to wail with pleasure Her body began to spasm as her orgasm washed over her Mia could feel Sophia s pussy juices sprinkling across her face as she continued to work on her anus Her fingers splashed in the swamp that was Sophia s pussy and she greedily ate her through her climax First time lesbian anal among young explorers Their fannies are the things that one can hump eternally This story is fast nasty and filled with explicit filthy details just like you like it Don t say you weren t warned 18 only All characters are a work of fiction and more than 18 years of age Lesbian Doctor Bundle (First Time Lesbian Medical BDSM Erotica) Olivia Ruin, This bundle includes three short stories that follow the seduction and conversion of a powerful business woman into her doctor s lesbian submissive Stress Treatment Stacy is a career oriented woman When she comes down with blinding headaches she goes to see the doctor Dr Burnett is a gorgeous young blonde woman and she comes to a decision very quickly Stacy has stress headaches and needs some rest and physical pleasure to distract her from the pain Luckily this is the good doctor s specialty and she gives Stacy a treatment right there in the office Home Treatment Stacy Taylor couldn t get her mind off her last visit to the doctor s office The gorgeous Dr Burnett had diagnosed her stress headaches and proceeded to give Stacy the treatment orgasms Now several days later Stacy calls the doctor to ask her for another treatment This time Stacy is determined to give as good as she gets and dive right in to her first full fledged lesbian experience Bondage Treatment Stacy Taylor has been turned into a lesbian by her younger good looking physician Dr Kara Burnett Now the powerful businesswoman has begged her good doctor to show her the ropes and dominate her completely The doctor grants her wishes and spends the night showing Stacy what exactly she keeps in her big black bondage bag Warning This erotic book contains scenes of a very sexual and explicit nature Only for ages 18
