**Toxic Relationships** Elliott J. Power, 2021-02-05. 55% OFF for Bookstores. Do you live through relationships with a deep sense of unease? Are you nervous and worried? Can't you express yourself freely with your partner? These are all common symptoms of someone trapped in a toxic relationship. Love is the most addictive feeling of all. Some more, some less, we are all dependent on the attention, gestures, and small things that the person we love gives us. For this reason, in every respectable relationship, relying on the partner and sharing moments of joy and pain with him or her are the necessary conditions to build a solid relationship. Yet it often happens that we have the perception that we always dedicate our time only to the partner. At the unconscious level, we are convinced that the love we feel for him/her is directly proportional to how much time and space we dedicate to the partner. While on the other hand, we do not realize that day after day we lose the most important thing we have: our freedom. Here is a preview of what you'll learn: Recognizing the Signs, Different Kinds of Toxic Relationships, The Process of Saving a Relationship, Taking Time Apart, Letting Go as a Last Resort. Much, much more. In the first phase of falling in love, it is a common attitude to immerse oneself 100% in the new relationship. We are overwhelmed by a powerful hurricane of emotions, and our only thought is to devote as much time as possible to the person we love. But all this is not normal and can become very dangerous when this type of attitude continues even after the phase of falling in love. Do you ever feel misunderstood or even diminished when you try to express your thoughts? Have you ever wanted to have your own space outside the couple and had a frightened or angry reaction from your partner? If you see yourself in just one of these examples, you have finally found a book for you.

**Married to the Enemy** Dawn K Kozarian, Mark James, 2011-06-08 Much of Married to the Enemy is about the authors individual and couple journey By sharing their personal enlightenment on how our culture and family impacts our attitude with the opposite sex we learn how to go from devaluing each other to a more respectful and honoring relationship Throughout the book the authors ask questions for you to reflect on to see how you may have developed a gender filter that keeps you from creating the intimacy that you would like to have with your partner Good relationships are reciprocal so the authors also provide an inventory that looks at how healthy the reciprocity is in your relationship Ultimately by accepting yourself and your partner as you really are not as the gender culture says you should be you are guided towards loving authentically In loving genuinely you can now experience the rewards of a love based relationship not a power based one Meeting someone is a start continuing a relationship with that person is progress working together to create a positive and loving atmosphere is success We come into this world with as much as half of our personality and inclinations present at birth When we grow up with strong and excessive gender lines these natural inclinations and personality tendencies tend to get blurred with what our interests should be and the type of personality we should have whether it is true to our nature or not For example Im tough and can handle anything image for a boy and Im sexy sweet and submissive image for a girl These gender lines often leave us feeling like we are married to an opponent instead of a friend Many couples may inadvertently begin playing a game of chess looking to get the upper hand over the other Imagine loving authentically positively and with acceptance Imagine seeing the individual in front of you without the limitation of contrived gender expectations How might you connect What might you discover about your human commonality
