in this stirring novel by the author of the beloved *The Benefits of Being an Octopus* Libby comes from a long line of bullies. She wants to be different but sometimes that doesn't work out. To bolster herself she makes a card with the message 'You are amazing.' That card sets off a chain reaction that ends up making a difference in the lives of some kids who could also use a boost, be it from dealing with bullies, unaccepting families or the hole that grief leaves. Receiving an encouraging message helps each kid summon up the thing they need most, whether it's bravery, empathy or understanding. Because it helps them realize they matter and that they're not flying solo anymore.

Teaching Visual Literacy in the Primary Classroom Tim Stafford, 2010-07-22 *Teaching Visual Literacy in the Primary Classroom* shows how everyday literacy sessions can be made more exciting, dynamic and effective by using a wide range of media and visual texts in the primary classroom. In addition to a wealth of practical teaching ideas, the book outlines the vital importance of visual texts and shows how children can enjoy developing essential literacy skills through studying picture books, film, television and comic books. Designed to take into account the renewed Framework for Literacy, each chapter offers a complete guide to teaching this required area of literacy. Aimed at those who want to deliver high quality and stimulating literacy sessions, each chapter contains a range of detailed practical activities and resources which can be easily implemented into existing literacy teaching with minimal preparation. In addition, each chapter gives clear, informative yet accessible insights into the theory behind visual literacy. Containing a wealth of activities, ideas and resources for teachers of both Key Stage 1 and Key Stage 2, this book discusses how children's literacy skills can be developed and enhanced through exploring a range of innovative texts. Six chapters provide comprehensive guides to the teaching of the following media and literacy skills: picture books, film and television, comic books, visual literacy skills, genre adaptation. *Teaching Visual Literacy in the Primary Classroom* is an essential resource for all those who wish to find fresh and contemporary ways to teach literacy and will be useful not only to novices but also to teachers who already have experience of teaching a range of media. Students, primary school teachers, literacy coordinators and anyone who is passionate about giving pupils a relevant and up-to-date education will be provided with everything they need to know about teaching this new and ever-expanding area of literacy.
