Spirituality-as-Theology Martina Björkander,2024-02-06 Vibrant worship music is part of the Charismatic liturgy all around the world and has become in many ways the hallmark of Pentecostal Charismatic Christianity Despite its centrality scholarly interest in the theological and ritual significance of worship for pentecostal spirituality has been sparse not least in Africa Combining rich theoretical and theological insight with an in depth case study of worship practices in Nairobi Kenya this interdisciplinary study offers a significant contribution to knowledge and is bound to influence scholarly discussions for years to come The book is a must read for anyone interested in Pentecostal worship ritual and spirituality A Preach Well Church Josh Taylor,2023-04-12 Thirty eight percent of pastors have given serious thought to leaving full time ministry in the last year Between the COVID 19 pandemic and the unpredictable never done work of the ministry is it any wonder that many pastors have contemplated resigning Add to this church members unrealistic expectations and a knack for criticism and we see the toll this has taken on pastors and in one area in particular preaching Empty preachers are filling pulpits Is there anything church members can do to help their pastors with burnout and the essential stress of preaching week in week out After extensive research on the subject ninety seven pastors were asked What can your church members do to help you preach well Each chapter in this book is a commitment a clear concrete action developed from the study that church members can take to help their pastors preach well Each chapter also includes a section entitled A Word to Pastors that offers encouragement to those in ministry to help reduce their stress and become better preachers **International**

Gracia and Gentil Vol 2 Mugerwa Paul, 2016-12-29 Borrowing from the Hebraic tradition of psalmody latter Christian music composers and musicians derived their songs and hymns from their faith experiences with God and the community Apart from their melodious distinctiveness and the universal application of the lyrics the respective backgrounds of these hymns make them more relevant and more applicable to our present day situations **Filled with the Spirit** Ellen Lewin, 2018-04-24 In 2001 a collection of open and affirming churches with predominantly African American membership and a Pentecostal style of worship formed a radically new coalition The group known now as the Fellowship of Affirming Ministries or TFAM has at its core the idea of radical inclusivity the powerful assertion that everyone no matter how seemingly flawed or corrupted has holiness within Whether you are LGBT have HIV AIDS have been in prison abuse drugs or alcohol are homeless or are otherwise compromised and marginalized TFAM tells its people you are one of God's creations In *Filled with the Spirit* Ellen Lewin gives us a deeply empathetic ethnography of the worship and community central to TFAM telling the story of how the doctrine of radical inclusivity has expanded beyond those it originally sought to serve to encompass people of all races genders sexualities and religious backgrounds Lewin examines the seemingly paradoxical relationship between TFAM and traditional black churches focusing on how congregations and individual members reclaim the worship practices of these churches and simultaneously challenge their authority The book looks closely at how TFAM worship is legitimated and enhanced by its use of gospel music and considers the images of food and African American culture that are central to liturgical imagery as well as how understandings of personal authenticity tie into the desire to be filled with the Holy Spirit Throughout Lewin takes up what has been mostly missing from our discussions of race gender and sexuality close attention to spirituality and faith Baptist Commonwealth, 1904 *The Gathering, A Womanist Church* Irie Lynne Session, Kamilah Hall Sharp, Jann Aldredge-Clanton, 2020-08-21 A womanist church has great power to transform church and society primarily because womanist theology centers the experiences of Black women while working for the survival and wholeness of all people and all creation Experiences of the triple oppression of racism sexism and classism give Black women an epistemological insight into recognizing injustice and creating solutions that benefit all *The Gathering* is unique the only church founded and identified as womanist applying womanist theology to the full life and worship of a church *The Gathering* a womanist faith community in Dallas Texas welcomes all people to partner in pursuing racial equity LGBTQ equality and dismantling PMS patriarchy misogyny and sexism following Jesus in liberating the oppressed and lifting

up the marginalized The Gathering A Womanist Church tells the story of the birth and ongoing development of a womanist faith community This book includes personal narratives of people transformed in this community womanist co pastors sermons informed by their experiences and those of other Black women and litanies for womanist worship **Quaker Life**,1987 **Gracia and Gentil Vol 2** Paul, Mugerwa,2017-09-26 Borrowing from the Hebraic tradition of psalmody latter Christian music composers and musicians derived their songs and hymns from their faith experiences with God and the community Apart from their melodious distinctiveness and the universal application of the lyrics the respective backgrounds of these hymns make them more relevant and more applicable to our present day situations This book lists seventy two hymns and songs and exposes the rich heritage and tradition of many well known Christian hymns and gospel songs **Let the Church Get Pregnant - Again!** Dr. Jeff T. Jacobs,2022-01-15 A church without an authentic worship experience is merely a social club with a religious overtone This book is purposed to expose enlighten and encourage a greater level of intense intimacy with God through praise and worship It exposes how sexuality and spirituality are so extremely parallel to each other giving insight on why sex is so vital in human expression but yet creates an ongoing struggle between spirit and flesh Prayerfully this book will inspire the entire religious community to revisit and revive what is called the Azusa Street Movement where people sought God to the point that an outpouring of God resulted in nonstop days and weeks of signs wonders and miracles This is a clarion call to make God the primary and only focal point of the church as He should be Even though we value our Spiritual Leaders i e Pastors Prophets Evangelists Teachers and even Recording Artists we may have become guilty of prioritizing personalities above God s presence It s time for the church to get pregnant with the power of God once again Pregnancy only occurs through intimacy Read this book find out where you are in proximity of the throne room **Beyond the Gate of Glory** Ronald D. Hobden,2023-04-25 Rev Dr Ron Hobden over the years has learned through his many experiences and activities the joy of allowing God to take complete control in every situation This approach has served as the foundation for his future entry through the Gate of Glory
