Peterborough Evening Telegraph Loved reading this book Reader review Enjoyed this from beginning to end Reader review This is my happy book and I loved it so much I've read it twice Reader review Very funny Reader review EVERYONE HAS THEIR GUILTY PLEASURES The residents of the Close were much concerned with crime preventing it that is. With all those out of work teenagers on the nearby council estate hanging around stealing joy riding and goodness knows what else it was just as well that Paul Mathieson was setting up a Neighbourhood Watch scheme. Not that the inhabitants of the Close did not have their own little activities of course but these were hardly the same thing. If Jenny and Alan's daughter was caught travelling on the underground without a ticket and their son was doing a little experimenting with certain substances and Laura didn't see the need to declare her earnings from hiring out her house to a film crew and Jenny drove home only just over the legal limit well these were quite different matters not to be compared with what went on in the Estate. And then there was Jenny's discovery when she advertised flute lessons that she could work up quite a nice little earner in a rather unexpected way. As the leafy London street resounded to the efforts of its citizens to keep crime at bay Jenny realised that it was her marriage rather than her property that needed watching. *The Serious Shopping Guide: Los Angeles* Rob Campbell, 2001-11-10 The ultimate shopping guide for the stylish Angeleno life INCLUDES Clothing for men and women Furniture and housewares Vintage antique Many more things you never knew you just had to have With over 200 listings The Serious Shopping Guide Los Angeles is the ultimate hands on manual to the L A retail grail Rob Campbell has searched for the best and most interesting things to buy in a variety of categories including housewares clothing vintage antiques baby wear and gifts The Serious Shopping Guide doesn't ignore L A standards like Barneys and Fred Segal but you'll keep it in the glove compartment for its wealth of hidden shopping adventures all over the Los Angeles area Campbell also turns shopping up a notch by laying out forty shopping districts from Melrose and Beverly Hills to Glendale and Palm Springs The Serious Shopping Guide divulges secret haunts and tips you won't find elsewhere like when the best vintage shops put out new shipments and which flea markets yield treasures and which ones trash along with many places that will become your new go to destinations. *McCall's*, 1972-10 *The Connoisseur*, 1988 *The Spatula* Irving P.
