Iconic Albums - Paul McCartney & Wings - Back To The Egg RICHARD. WARD, 2025-04-21 Iconic Albums Paul McCartney Wings Back to the Egg By Richard Ward Step inside the final flight of Wings Paul McCartney's most daring and underrated project In Iconic Albums Paul McCartney Wings Back to the Egg Richard Ward offers a vivid in depth exploration of one of the most overlooked gems in McCartney's post Beatles catalog Released in 1979 amidst a rapidly changing musical landscape Back to the Egg saw McCartney boldly responding to the rise of punk and new wave by reshaping Wings into a leaner hungrier band ready to rock again This book traces the full story behind the album the formation of the new Wings Mk III lineup the ambitious Rockestra sessions featuring a supergroup of legends the medieval halls of Lympne Castle where raw energy met experimentation and the cultural tension of a Britain on the edge of upheaval Through detailed chapters that analyze each track and explore the cultural forces at play Ward presents a compelling case for Back to the Egg as a pivotal and adventurous statement from a musical icon refusing to be left behind Packed with behind the scenes stories musical insights and historical context this book is a must read for McCartney devotees and classic rock fans alike Discover the album that cracked the shell and let McCartney rock again

The Words and Music of Paul McCartney Vincent P. Benitez Jr., 2010-03-23 This examination of the solo music of Paul McCartney from 1970-2007 offers an analysis of his songs recordings and his impact on popular music The Words and Music of Paul McCartney The Solo Years examines the large and varied oeuvre of this deeply personal artist showing how McCartney's stint as a Beatle continues to inform his solo music as well as how he has transcended his days as a member of the Fab Four After a biographical introduction chronologically arranged chapters explore McCartney's music in the immediate aftermath of the breakup of the Beatles his work with Wings during the 1970s his collaborations with other artists during the 1980s and his compositions of the 1990s including his first forays into classical music The examination also covers McCartney's critically acclaimed work in the first decade of the 21st century including Memory Almost Full and Ecce Cor Meum a composition written in the style of sacred English choral music Throughout the book supplies analytical insights and historical background to a repertoire that surprisingly has not previously been covered in detail

That Was Me Richard D. Driver, 2023-07-24 Paul McCartney has lived an extraordinary life in popular music and popular culture His careers as a Beatle as a solo musician and band leader in Wings and in areas outside music have varied tremendously and are well documented That Was Me explores the impact of Paul McCartney as a musician outside the Beatles identifying the continued

excitement in generations of fans and listeners and his perennial efforts to perform and record music Richard Driver argues that his solo career is multi faceted and extremely diverse ranging from breaking sharply with the style and output of the Beatles to experimenting in orchestral and operatic music and returning to music designed to emulate and reproduce the style success and popularity of the Beatles Through McCartney we can literally and symbolically view and revisit the popular music phenomenon that was the Beatles and popular music from the 1950s to today **The Ultimate Beatles Quiz Book** Michael J. Hockinson,1992-01-15 What was the first song the Beatles recorded for Sgt Pepper When Beatles fans get together this is just one of the questions they hurl at each other The Ultimate Beatles Quiz Book is the most elaborate and entertaining collection of these questions ever published of a kind mine of facts photos and Fab Four lore *Paul McCartney After the Beatles: A Musical Appreciation* Adrian Allan,2019-07-10 This is a musical analysis of Paul McCartney from 1970 to today It is aimed at students of popular music theory educators musicians and aspiring songwriters It will also appeal to the general Beatles and McCartney fan who wishes to understand music on a deeper level A beginner s guide to music theory and glossary are provided Eighty of McCartney s post Beatles songs are discussed in the format of short but accessible essays For each song full details are provided concerning date of release place of recording instrumentation and key signature The description for each song details the musical techniques that McCartney uses such as chord patterns structure use of instruments vocal harmony tonality and key changes In addition every chapter details his life and work in each decade A conclusion identifies the main characteristics of McCartney s style The appendix details every recording location used An invaluable guide to the music of the world s most successful songwriter *McCartney. Surviving the perfect song* Martínez, Julio Eduardo, When The Beatles broke up for good in the British spring of 1970 Paul McCartney was just 27 years old It was too early to begin a life of celebrity in retirement He was haunted by the shadow of the immense aesthetic and cultural transformation that he himself had helped to forge Faced with this crossroads McCartney deployed rightly and wrongly different strategies to renew himself Like no one before journalist musician and researcher Julio Mart nez presents this journey without avoiding the contrast of light and shades With the contradictions inherent to any human experience which even those four musicians who changed the world could not escape Never before has McCartney been told with such an intimate narrative In a register that moves between biography and essay journalist musician and researcher Mart nez offers us the first Argentine book that deals with his figure With a deep knowledge without hiding his admiration but at the same time without the empty celebration that generated so much discarded literature If we were condemned to a single reading to understand Paul McCartney and the beatle movement these pages could be approached with the certainty of being part of the road to its understanding Perhaps there is nothing more to ask of a book **The Paul McCartney Catalog** Ted Montgomery,2020-02-10 This complete discography of Paul McCartney s solo and other post Beatles work examines his entire catalog It covers his studio and live albums and compilations including the trance electronic classical and

cover albums and selected bootleg recordings all of the singles videos and DVDs and the 15 radio shows he made as Oobu Joobu Each song is reviewed in depth providing a wealth of information for both dedicated McCartney fans and those just discovering his music

McCartney Solo: See You Next Time Mark Bowen,2009-09-06 See You Next Time McCartney Solo tells the story of the post Beatles career of one of the biggest names in pop music In a track by track analysis Mark Bowen takes a detailed look at the Wings and solo years through to the latest Fireman release Although the beginnings of Wings were somewhat shambolic by the mid 1970s Paul had maintained his position as a global superstar Often chastised for his overt commerciality his less familiar and experimental output is also examined Even in the twilight of his career Paul has found new creative avenues to explore and his ability as a songwriter remains as strong as ever Mark Bowen is a professional journalist and life long Beatles fan
