*Paul and Ancient Rhetoric* Stanley E. Porter, Bryan R.

Dyer,2016-02-24 The Apostle Paul lived and breathed in a Hellenistic culture that placed high value on the art of rhetoric and recent advances in rhetorical criticism of the New Testament have resulted in a new emphasis on the rhetorical aspect of his letters As many scholars have pointed out however it is not clear to what extent ancient rhetoric actually influenced Paul and his writing or how important rhetoric is for interpreting the Pauline corpus This volume containing contributions from major figures in the field provides a nuanced examination of how ancient rhetoric should inform our understanding of Paul and his letters The essays discuss Paul s historical context present innovative advances in and trenchant critiques of rhetorical theory and offer fresh readings of key Pauline texts Outlining the strengths and weaknesses of a widely used approach Paul and Ancient Rhetoric will be a valuable resource for New Testament and Classics scholars **The Catholic Study Bible**

**Caesar's Household** Michael Flexsenhar III,2020-02-28 In this volume Michael Flexsenhar III advances the argument that imperial slaves and freedpersons in the Roman Empire were essential to early Christians self conception as a distinct people in the Mediterranean and played a multifaceted role in the making of early Christianity Scholarship in early Christianity has for centuries viewed Roman emperors slaves and freedmen as responsible for ushering Christianity onto the world stage traditionally using Paul s allusion to the saints from Caesar s household in Philippians 4 22 as a core literary lens Merging textual and material evidence with diaspora and memory studies Flexsenhar expands on this narrative to explore new and more nuanced representations of this group showing how the long accepted stories of Christian slaves and freedpersons in

Caesar's household should not be taken at face value but should instead be understood within the context of Christian myth and meaning making. Flexsenhar analyzes textual and material evidence from the first to the sixth century spanning Roman Asia, the Aegean rim, Gaul, and the coast of North Africa as well as the imperial capital itself. As a result, this book shows how stories of the emperor's slaves were integral to key developments in the spread of Christianity, generating origin myths in Rome and establishing a shared history and geography, thereby differentiating and negotiating assimilation with other groups and expressing commemorative language, ritual acts, and a material culture. With its thoughtful critical readings of literary and material sources and its fresh analysis of the lived experiences of imperial slaves and freedpersons, *Christians in Caesar's Household* is indispensable reading for scholars of early Christianity, the origins of religion, and the Roman Empire. Both Judge and Justifier James B. Prothro, 2018-04-13 Paul often says that God justifies people in Christ, but what does that mean? God does. The language appears legal, but many other interpretations have been suggested. Beginning from the use of this language in Judaism and early Christianity, James B. Prothro investigates biblical legal conflicts and the terminology of justification in Paul's letters to determine what it means for Paul to say that God as judge is the justifier of those who trust in Christ. *T&T Clark Social Identity Commentary on the New Testament* J. Brian Tucker, Aaron Kuecker, 2020-02-20 The T&T Clark Social Identity Commentary on the New Testament is a one-of-a-kind comprehensive Bible resource that highlights the way the NT seeks to form the social identity of the members of the earliest Christ movement. By drawing on the interpretive resources of social scientific theories, especially those related to the formation of identity, interpreters generate new questions that open fruitful identity-related avenues into the text. It provides helpful introductions to each NT book that focus on various social dimensions of the text as well as a commentary structure that illuminates the text as a work of social influence. The commentary offers methodologically informed discussions of difficult and disputed passages and highlights cultural contexts in theoretically informed ways, drawing on resources from social anthropology, historical sociology, or social identity theory. The innovative but careful scholarship of these writers, most of whom have published monographs on some aspect of social identity within the New Testament, brings to the fore often overlooked social and communal aspects inherent in the NT discourse. The net result is a more concrete articulation of some of the everyday lived experiences of members of the Christ movement within the Roman Empire while also offering further insight into the relationship between existing and new identities that produced diverse expressions of the Christ movement during the first century. The SICNT shows that identity formation is at the heart of the NT and it offers insights for leaders of faith communities addressing these issues in contemporary contexts. **Paul's Gospel, Empire, Race, and Ethnicity** Yung Suk Kim, 2023-03-01 Contributors to this volume, who represent diverse cultures and perspectives of Asian descent, African American heritage, and Latin American culture, explore Paul's gospel in critical contexts and its implications for race and ethnicity. Key questions include: What is Paul's gospel? Is it for or against the Roman imperial order? Does Paul's message foster true diversity and race relations? Or does it

implicate a racial hierarchy or racism This volume engages readers in conversation with the politics of interpretation in Paul's gospel How much is it political Which Paul do we read This collective volume is the clarion call that biblical interpretation is not an arcane genre in the ivory tower but engages current issues in the real world of America where we must tackle racism the Western imperial gospel and the rigid body politic **A Window into the Spirituality of Paul** Patrick J.

Hartin,2015-10-28 Paul's spiritual journey is driven by a transforming encounter with the risen Lord In *A Window into the Spirituality of Paul* Patrick J Hartin focuses on the spiritual vision that emerges in Paul's own personal response to Christ found within his letters in the New Testament Not only were early followers shaped by Paul's example but throughout history many saints and sinners have given flesh to this rich spiritual tradition Their witness is an integral part of how Hartin helps us explore key aspects of Paul's spirituality The Church's Guide for Reading Paul Brevard S. Childs,2008 The Church's

Guide for Reading Paul is the final work of a prolific and beloved biblical scholar Brevard Childs here turns his sharp scholarly eye to the works of the apostle Paul and makes an unusual argument the New Testament canon's formation was above all a hermeneutical exercise in which its anonymous apostles and postapostolic editors collected preserved and theologically shaped the material in order for the evangelical traditions to serve successive generations of Christians BOOK
