## **Passing The Buck Congress The Budget And Deficits:**

**Passing the Buck: Congress, the Budget, and Deficits** Jasmine Farrier, 2004-01-01 In the past thirty years Congress has dramatically changed its response to unpopular deficit spending While the landmark Congressional Budget Act of 1974 tried to increase congressional budgeting powers new budget processes created in the 1980s and 1990s were all explicitly designed to weaken member majority and institutional budgeting prerogatives These later reforms shared the premise that Congress cannot naturally forge balanced budgets without new automatic mechanisms and enhanced presidential oversight So Democratic majorities in Congress gave new budgeting powers to Presidents Reagan and Bush and then Republicans did the same for President Clinton Passing the Buck examines how Congress is increasing delegation of a wide variety of powers to the president in recent years Jasmine Farrier assesses why institutional ambition in the early 1970s turned into institutional ambivalence about whether Congress is equipped to handle its constitutional duties Passing the Buck

Jasmine Farrier, 2021-12-14 In the past thirty years Congress has dramatically changed its response to unpopular deficit spending While the landmark Congressional Budget Act of 1974 tried to increase congressional budgeting powers new budget processes created in the 1980s and 1990s were all explicitly designed to weaken member majority and institutional budgeting prerogatives These later reforms shared the premise that Congress cannot naturally forge balanced budgets without new automatic mechanisms and enhanced presidential oversight So Democratic majorities in Congress gave new budgeting powers to Presidents Reagan and Bush and then Republicans did the same for President Clinton Passing the Buck examines how Congress is increasing delegation of a wide variety of powers to the president in recent years Jasmine Farrier assesses why institutional ambition in the early 1970s turned into institutional ambivalence about whether Congress is equipped to handle its constitutional duties **The Age of Deficits** Iwan W. Morgan, 2009 This first historical study of U S budget policy covering the last three decades places the budget at the center of modern American politics and adds an important dimension to the understanding of recent events **The Struggle to Limit Government** John

Samples, 2010-04-21 In 1980 Ronald Reagan said It is time to check and reverse the growth of government which shows signs of having grown beyond the consent of the governed This book surveys the highlights and low points of the nearly 30 year struggle to limit American government set against the big government world of the New Deal and the Great Society

**Constitutional Dysfunction on Trial** Jasmine Farrier, 2019-12-15 In an original assessment of all three branches Jasmine Farrier reveals a new way in which the American federal system is broken Turning away from the partisan narratives of everyday politics Constitutional Dysfunction on Trial diagnoses the deeper and bipartisan nature of imbalance of power that undermines public deliberation and accountability especially on war powers By focusing on the lawsuits brought by Congressional members that challenge presidential unilateralism Farrier provides a new diagnostic lens on the permanent institutional problems that have undermined the separation of powers system in the last five decades across a diverse array

of partisan and policy landscapes As each chapter demonstrates member lawsuits are an outlet for frustrated members of both parties who cannot get their House and Senate colleagues to confront overweening presidential action through normal legislative processes But these lawsuits often backfire leaving Congress as an institution even more disadvantaged Jasmine Farrier argues these suits are more symptoms of constitutional dysfunction than the cure Constitutional Dysfunction on Trial shows federal judges will not and cannot restore the separation of powers system alone Fifty years of congressional atrophy cannot be reversed in court *White House Studies Compendium* Glenn P. Hastedt, 2007 The American Presidency has become one of the most powerful offices in the world with the ascendancy of American power in the 20th century White House Studies Compendium brings together piercing analyses of the American presidency dealing with both current issues and historical events The compendia are the bound issues of White House Studies with the addition of a comprehensive subject index **Guide to Congress** CQ Press, 2012-08-10 The new edition of this comprehensive two volume reference has been thoroughly revised and expanded by expert CQ Press writers with years of experience covering Congress to offer a complete institutional history of Congress along with updated insight and analysis on the 2008 and 2010 shifts in power of the U S Senate and House of Representatives The 35 chapters of Guide to Congress Seventh Edition are divided into eight subject areas that cover all aspects of the U S Congress Origins and Development of Congress from the constitutional beginnings of the legislative branch to the histories of the House and Senate and their power shifts eras of partisanship and unity influential leaders and working relationships with presidents New coverage includes analysis of the tug of war between House Democrats and the George W Bush administration on Iraq war withdrawal timetables updates on criminal investigations of House members including William J Jefferson of Louisiana and Charles Rangel of New York and analysis of the Tea Party Movement and new Republican majority Powers of Congress including powers to tax spend and borrow to conduct foreign policy and investigations to confirm and impeach to regulate commerce to amend the Constitution and to select the president Updated material includes analysis of the George W Bush administration s use of immunity from questioning by congressional committees analysis of the signing of the new START treaty with Russia marking a cornerstone of U S relations with the country coverage of the War on Terror including the killing of bin Laden in a U S raid in Pakistan and perspective on the negotiations to raise the federal debt ceiling in 2011 Congressional Procedures detailing the party and leadership structures rules and the legislative process the committee system assignment and procedures and congressional staff Revised coverage profiles the methods styles and legislative successes and defeats of House Speakers Pelosi and Boehner and Senate majority leader Reid The Guide also analyzes the new hyperpartisanship emerging in Congress and provides updates on congressional travel reforms and aide statistics and trends Pressures on Congress including influence from constituents political parties the president the Supreme Court lobbyists and the media New material explores the use of social media to communicate with constituents examines the role of the new Consumer Financial

Protection Bureau and analyzes the Obama administration's relationship with Congress Housing and Support covering the U S Capitol House and Senate office buildings the Library of Congress and organizations such as the Government Accountability Office and the Congressional Research Service Updates are provided on new initiatives by the Library of Congress and reforms to the General Accounting Office Pay and Perquisites including honoraria and allowances franking and travel privileges and other benefits Updates include revised figures for congressional pay and benefits and analysis of efforts to control privately sponsored foreign travel Congress and the Electorate covering the right to vote the demographic composition of congress the role of parties in elections campaign financing and redistricting New information discusses elections statistics in recent elections the impact of third parties Tea Party gains and the creation of super PACs and 527 groups Qualifications and conduct detailing congressional ethics investigations and procedures for disciplining members Updated coverage reviews ethics investigations including the creation of the Office of Congressional Ethics Specific investigations and outcomes are discussed including the censure of Charles Rangel and disapproval of Joe Wilson's outburst during a speech by President Obama Volume 2 concludes with a selected bibliography and key reference materials a list of all members of congress who have served since 1789 congressional election results floor leaders and committee chairs dates for sessions of congress women black Asian and Hispanic members and many more Boxed features tables and figures and a generous number of photos enhance the topical coverage of this definitive resource on Congress

**Congressional Ambivalence** Jasmine Farrier, 2010-04-30 Is the United States Congress dead alive or trapped in a moribund cycle When confronted with controversial policy issues members of Congress struggle to satisfy conflicting legislative representative and oversight duties These competing goals along with the pressure to satisfy local constituents cause members of Congress to routinely cede power on a variety of policies express regret over their loss of control and later return to the habit of delegating their power This pattern of institutional ambivalence undermines conventional wisdom about congressional party resurgence the power of oversight and the return of the so called imperial presidency In Congressional Ambivalence Jasmine Farrier examines Congress's frequent delegation of power by analyzing primary source materials such as bills committee reports and the Congressional Record Farrier demonstrates that Congress is caught between abdication and ambition and that this ambivalence affects numerous facets of the legislative process Explaining specific instances of post delegation disorder including Congress's use of new bills obstruction public criticism and oversight to salvage its lost power Farrier exposes the tensions surrounding Congress's roles in recent hot button issues such as base closing commissions presidential trade promotion authority and responses to the attacks of September 11 She also examines shifting public rhetoric used by members of Congress as they emphasize in institutionally self conscious terms the difficulties of balancing their multiple roles With a deep understanding of the inner workings of the federal government Farrier illuminates a developing trend in the practice of democracy

**The American Congress** Sara L. Hagedorn, Michael C. LeMay, 2019-06-24 This volume

thoroughly examines the operations and politics of the U S Congress It guides readers to their own assessment of congressional politics and provides them with the basis for future reading and study of the subject The American Congress A Reference Handbook covers Congress from its inception to the present day discussing the constitutional functions of Congress and how they have evolved over time It presents a detailed discussion of 15 problems with which Congress copes some associated concerns with those problems and how they might be resolved The book opens with a brief history of Congress and how it has changed over time It discusses a series of problems and concerns and proposed solutions to those problems It also comprises nine original essays by other scholars and persons involved in congressional politics as well as profiles of the major organizations and actors involved Data and documents and a detailed chronology of Congress from 1789 to 2018 allow readers to situate significant legislation within the history of Congress while an annotated list of sources the major books and scholarly journals concerned with Congress in addition to a number of feature length films and videos provide readers with vetted resources for further study

**The American Congress** Steven S. Smith, Jason M. Roberts, Ryan J. Vander Wielen, 2013-07-31 Up to date and now more student friendly Features the 2012 elections health care reform and an early take on the 113th Congress

**The Powers of the Presidency**, 2013 This is a comprehensive and illustrative work on the historical and contemporary perspective on presidential powers guiding readers through the presidency as a constitutional office with many updated features from the previous edition

*Guide to the Presidency and the Executive Branch* Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president s relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama s healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated

Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments

presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president's role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions

**The Law of the Executive Branch** Dr. Louis Fisher, 2014-01-03 The scope of presidential authority has been a constant focus of constitutional dispute since the Framing The bases for presidential appointment and removal the responsibility of the Executive to choose between the will of Congress and the President the extent of unitary powers over the military even the ability of the President to keep secret the identity of those consulted in policy making decisions have all been the subject of intense controversy The scope of that power and the manner of its exercise affect not only the actions of the President and the White House staff but also all staff employed by the executive agencies There is a clear need to examine the law of the entire executive branch The Law of the Executive Branch Presidential Power places the law of the executive branch firmly in the context of constitutional language framers intent and more than two centuries of practice In this book Louis Fisher strives to separate legitimate from illegitimate sources of power through analysis that is informed by litigation as well as shaped by presidential initiatives statutory policy judicial interpretations and public and international pressures Each provision of the US Constitution is analyzed to reveal its contemporary meaning in concert with the application of presidential power Controversial issues covered in the book include unilateral presidential wars the state secrets privilege extraordinary rendition claims of inherent presidential powers that may not be checked by other branches and executive privilege

**Presidential Leadership** George C. Edwards, Kenneth R. Mayer, Stephen J. Wayne, 2020-01-03 With a focus on presidential leadership Edwards Mayer and Wayne address the capacity of chief executives to fulfill their tasks exercise their powers and utilize their organizational structures to affect the output of government Richly illustrated with timely fascinating examples this text examines all aspects of the presidency

**The Politics of Taxing and Spending** Patrick Ivan Fisher, 2009 Publisher's description How are budget decisions made by the US government Is it fair to blame skyrocketing deficits on an inability to curtail spending How and why are taxing and spending decidedly separate political processes Emphasizing budgetary politics rather than economic theories Patrick Fisher offers a clear thorough overview of how money flows through our government coffers A welcome realism pervades Fisher's analysis of budget making and numerous case studies of events in recent budget politics bring his arguments to life The result is a balanced wealth of material for classroom discussion About the book p 193

Congressional Record United States. Congress, 2010 *The Balanced Budget and Emergency Deficit Control Act of 1985*, 1993 **The Balanced**
