White House Conference on Tourism United States. Congress. House. Committee on Public Works and Transportation. Subcommittee on Aviation,1993      **Tourism and Small Business** United States. Congress. House. Committee on Small Business. Subcommittee on Exports, Tourism, and Special Problems,1988      War Tourism Bertram M. Gordon,2018-11-15

As German troops entered Paris following their victory in June 1940 the American journalist William L Shirer observed that they carried cameras and behaved as naive tourists One of the first things Hitler did after his victory was to tour occupied Paris where he was famously photographed in front of the Eiffel Tower Focusing on tourism by German personnel military and civil and French civilians during the war as well as war related memory tourism since War Tourism addresses the fundamental linkages between the two As Bertram M Gordon shows Germans toured occupied France by the thousands in groups organized by their army and guided by suggestions in magazines such as *Der Deutsche Wegleiter fr Paris* The German Guide for Paris Despite the hardships imposed by war and occupation many French civilians continued to take holidays Facilitated by the Popular Front legislation of 1936 this solidified the practice of workers vacations leading to a postwar surge in tourism After the end of the war the phenomenon of memory tourism transformed sites such as the Maginot Line fortresses The influx of tourists with links either directly or indirectly to the war took hold and continues to play a significant economic role in Normandy and elsewhere As France moved from wartime to a postwar era of reconciliation and European Union memory tourism has held strong and exerts significant influence across the country      *Tourism Development in India* A. Satish Babu,2008 With special reference to tourism in Andhra Pradesh and contributions of Andhra Pradesh Tourism Development Corporation      **Maneuvers** Cynthia Enloe,2000-02 Enloe outlines the dilemmas feminists around the globe face in trying to craft theories and strategies that support militarized women locally and internationally without unwittingly being militarized themselves      **Innovation and Creativity in Tourism, Business and Social Sciences** Vicky Katsoni,Carlos Costa,2025-06-03 This book is the first volume of the proceedings of the 11th International Conference of the International Association of Cultural and Digital Tourism IACuDiT Focusing on Innovation and Creativity in Tourism Business and Social Sciences the conference was held from September 3 to 5 2024 in Naxos Greece The book showcases the latest research on tourism business technology and the social sciences and presents a critical academic discourse on ICT adoption in the social sciences regional development sustainability and tourism experience smart and sustainable practices innovations in museum interpretation and collections management emerging and disruptive technologies gaming gamification and augmented reality and other topical aspects in business and the social sciences The book discusses these digital transformation processes from various standpoints including its effect on the social sciences combined with specific forms of tourism The impact of digitalization encourages the emergence of new digital products and services based on the principle of flexibility The book focuses on the knowledge economy and the smart destinations concepts

and highlights new modes of tourism management and development while further chapters address emerging technologies such as the Internet of Things AI big data and robotics in a range of tourism practices Tourism, Magic and Modernity David Picard,2011-09-01 Drawing from extended fieldwork in La R union in the Indian Ocean the author suggests an innovative re reading of different concepts of magic that emerge in the global cultural economics of tourism Following the making and unmaking of the tropical island tourism destination of La R union he demonstrates how destinations are transformed into magical pleasure gardens in which human life is cultivated for tourist consumption Like a gardener would cultivate flowers local development policy nature conservation and museum initiatives dramatise local social life so as to evoke modernist paradigms of time beauty and nature Islanders who live in this human garden are thus placed in the ambivalent role of human flowers embodying ideas of authenticity and biblical innocence but also of history and social life in perpetual creolisation *Defamation, Libel Tourism and the SPEECH Act of 2010* , **Selling British Columbia** Michael Dawson,2004 Dawson s analysis draws on promotional pamphlets newspaper advertisements and films as well as archival sources about government civic and international tourism organizations He argues that in order to understand the roots of the fully fledged consumer culture that developed in Canada it is necessary to understand the connections between the 1930s 1940s and the postwar era He underlines the significance of the Depression and the Second World War ostensibly periods of underconsumption For the development of tourism promotion and consumerism in general This cultural history will be welcomed by British Columbian and Canadian historians as well as scholars of consumer culture and tourism Jacket

Forum ,1980 A journal for the teacher of english outside the United States **Strategic Environmental Assessment and Urban Planning** Giovanni Campeol,2020-07-06 This volume gathers a selection of research contributions on Strategic Environmental Assessment SEA including theoretical and methodological studies and real world case studies It sheds new light on the respective steps in the procedure defined in the SEA Directive from theoretical and operational standpoints intended to enhance the sustainability of plans and programmes adopted by local regional and national authorities Improving the legitimacy and transparency of decision making in the field of environmental management was one of the goals that led the European Commission EU to adopt Directive 2001 42 EC on the assessment of environmental programmes effects This book provides a multidisciplinary approach to SEA and addresses the demand for policies and strategies to strengthen resilience through concrete measures to reduce energy consumption mitigate pollution promote social inclusion and create urban identity *White River National Forest (N.F.), Rifle Ski Area Development* ,1982 Across the Top of the World James Delgado,2009-12-01 The centuries long quest for the fabled Northwest Passage rivals the story of Antarctic exploration for heroism drama and tragedy Expedition after expedition set off in search of a sea route connecting Europe with Asia s riches each expedition suffered extreme hardship and ended in defeat until Roald Amundsen finally succeeded in 1903 06 Across the Top of the World brings this incredible saga to life through exhaustive research grim firsthand accounts

and hundreds of dramatic images Paintings engravings and photos of the intrepid men and their ships as well as of relics and archaeological sites provide a poignant and compelling link with the past while landscapes and seascapes of the harsh yet beautiful Arctic illustrate the challenges that faced explorers Covering all the major expeditions in detail and written with passion and authority this book is both a scholarly reference and an eminently readable history of Arctic exploration
