**A Scenic Route Through the Old Testament** Alec Motyer, 2016-11-17 Many of us find the Old Testament daunting. It seems long and very distant. If the Old Testament is unknown territory to you, here's just the book to get you into it. Alec Motyer leads us through six key themes of the Old Testament: history, religion, worship, prophecy, wisdom, and God himself. Each chapter shows, with simplicity and warmth, how important these themes are to the Old Testament and how relevant they are to our lives today. At the end of each chapter, there are seven short daily readings with crisp, practical comments designed to help you explore that chapter's theme for yourself. Read through this book with your Old Testament in front of you, and you will be amazed how it speaks directly to us today in our situations and our needs. The Scenic Route is a journey well worth taking. Alec Motyer proves again his faithfulness and reliability as a guide to the world of the Old Testament. The daily devotional Bible readings and notes make this useful for personal or group study and will provide readers not only with a good introduction to the Old Testament but also an opportunity to encounter the God of Abraham, Isaac, and Jacob. *Walking in the Prophetic Tradition* Jason A. Bembry, 2018-10-31 Contrary to popular belief, the biblical prophets do far more than predict the future. They speak truth to power; they tell the truth about the uncomfortable past; they indict empty religiosity; they advocate for poor people and working people while seeking justice, all at tremendous risk to themselves. In *Walking in the Prophetic Tradition*, Jason Bembry argues that the prophets have too often been domesticated by cultural impulses that reduce the prophetic message to prediction about Jesus or the end times. This book highlights themes addressed by the Old Testament prophets and connects each theme to modern people who exemplify passion for those same ideals. In this sense, the prophetic tradition comes to life in the lived testimony of Martin Luther King Jr., Dorothy Day, Myles Horton, Cesar Chavez, and Cornel West—moderns who stand courageously in this tradition. This book is a guide for all who seek a fuller understanding of the Old Testament prophets and who want to continue their work in the present.

*The Journeys of a Taymiyyan Sufi* Arjan Post, 2020-08-25. *The Journeys of a Taymiyyan Sufi* explores the life and teachings of Im d al D n A mad al W si d 711 1311, a little known anbal Sufi master from the circle of Ibn Taymiyya d 728 1328. The first part of this book follows al W si's physical journey in search of spiritual guidance through a critical study of his autobiographical writings. This provides unique insights into the Rif iyya, the Sh dhiliyya, and the school of Ibn Arab, several manifestations of Sufism that he encountered as he travelled from W si to Baghdad, Alexandria, and Cairo. Part I closes with his final destination, Damascus, where his membership of Ibn Taymiyya's circle and his role as a Sufi teacher is closely examined. The second part focuses on al W si's spiritual journey through a study of his Sufi writings, which convey the distinct type of traditionalist Sufism that he taught in early eighth-fourteenth century Damascus. Besides providing an overview of the spiritual path unto God from beginning to end as he formulated it, this reveals an exceptional interplay between Sufi theory and traditionalist theology.
