Pathological Gambling Etiology Comorbidity And Treatment:

Pathological Gambling Nancy M. Petry, 2004 Principles of Addiction Medicine Richard K. Ries, Shannon C. Miller, David A. Fiellin, 2009 This respected text from the American Society of Addiction Medicine is valuable for all physicians and mental health personnel who specialize in addiction medicine and who treat patients with addiction disorders. The chapters blend scientific principles underlying addiction with the practical essentials of clinical addiction medicine. Many of the contributors are affiliated with leading government agencies that study addiction and its science such as the National Institute on Alcohol Abuse and Alcoholism and the National Institute on Drug Abuse. The book will appeal to a wide and interdisciplinary range of professionals especially those with interest or duties relating to addiction related disorders and in particular physicians seeking certification status via either the American Board of Addiction Medicine or the American Board of Psychiatry and Neurology. A companion Website will offer the fully searchable text The Wiley-Blackwell Handbook of Disordered Gambling David C. S. Richard, Alex Blaszczyński, Lia Nower, 2013-10-08 The Wiley Blackwell Handbook of Disordered Gambling is a complete guide to the current empirical literature relating to the conceptualization, assessment and treatment of disordered gambling. The international contributors are all experienced practicing clinicians who discuss gambling within a global context. Best practice guidelines for the clinical management of problem and disordered gambling. Contains empirically derived findings that translate research into practical clinical applications that clinicians and counselors can use in understanding and treating problem gamblers. Brings together a distinguished international group of scholars whose contributions discuss gambling as it occurs around the globe.
