

The background of the cover is a detailed oil painting of a Revolutionary War scene. In the foreground, two young men in colonial attire (black tricorn hats, white shirts, and brown vests) are crouched in tall grass. The man on the left holds a long rifle, while the man on the right is looking down at something in his hands. In the background, two British soldiers in red uniforms are walking away from the viewer through a wooded area. The overall tone is dramatic and historical.

the American side There were actually two wars being waged at once a political revolution for independence from Britain and a social revolution for emancipation and equality planting the seeds for future freedom The personal stories of those who fought on the patriots side in an all black regiment and on the loyalist side in exchange for a promise of freedom are fascinating and informative Booklist      **National Geographic Almanac of American History** John Thompson,James
