Paul's Spirituality in Galatians P. Adam McClendon, 2015-03-25 Spirituality is a hot topic in today's culture. Spirituality is essentially how one's beliefs and experiences influence the way one lives their life. Such influences for living are of critical importance to one's faith within the Christian community. What role does the Bible play in developing an expressed spirituality among the Christian community? How do one's religious traditions, cultural influences, and personal preferences influence the way Christian spirituality is perceived and expressed? All too often, and at times unintentionally, the foundational truths of the Bible are subordinated to tradition, culture, and personal preference. This book provides a context for understanding Paul's foundational components for Christian spirituality within the book of Galatians while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today.

Believing in Baptism Stephen Kuhrt, Gordon Kuhrt, 2020-07-09 Including a Foreword by The Rt Revd Dr Graham Tomlin, this volume examines the theology and practice of baptism. It contains a narrative introduction that highlights the different approaches taken to baptism and the various issues that come with them. The volume also covers how the changing cultural context within Britain has influenced responses to baptism. At the heart of the book is a detailed examination of the theme of covenant running through the Bible and how this shapes its understanding of baptism. Gordon Kuhrt and his son Stephen explore several controversial issues associated with baptism. *Believing in Baptism* contains an in-depth discussion of the sacramental issues surrounding baptismal efficacy, for instance, as well as infant or family baptism. The authors also examine the Baptist view of discrimination in Baptism and the issue of Rebaptism. Finally, they consider the issue of Baptism and its Completion and make practical recommendations on the ways in which baptism should be taught and lived in the local church.

The Anatomy of a Biblical Leader Dan A. Esterline Sr., 2019-09-20 When we think of leadership today, we have too many examples of the type of leadership the Pharisees practiced and few examples of the type of leadership Paul explains in 1 Thessalonians 2:1-12. With a careful exegesis and practical application, this book will help you know what kind of character a leader needs. Some of those characteristics are courage, compassion, and integrity. A study guide is included to help you develop the biblical character of a leader.

The New Testament around the World

Mariam Kamell Kovalishyn, 2025-04-29 As the church continues to expand and strengthen in non Western contexts it is increasingly important for students of the New Testament to be aware of how our global brothers and sisters exegete and apply Scripture. Even when we share a grammatical historical approach with others our interpretation of biblical texts is invariably affected by social location and cultural context which influence the questions we ask of the text and how we apply it. Western readers can become aware of how our culture influences our interpretation by learning from others from different perspectives including those whose experience may match the original audience more closely than our own. This volume ideal as a supplemental textbook for courses in the New Testament brings together distinguished scholars from around the world with perspectives we might not typically encounter and includes some minority voices focused on life within the United States as well. Each contributor writes on a biblical book or group of books and together they cover the whole New Testament. These authors expose students and pastors in the West to new questions and ways of reading familiar texts. The result is an eye opening spiritually enriching experience that will supplement and strengthen our own biblical interpretation.

Rethinking Catholic Theology Egan, Harvey D., SJ, Rethinking Catholic Theology From The Mystery of Existence to the New Creation provides readers with an intelligent informed critical grasp of at least the central truths of the Catholic Christian tradition It aims to help readers to rethink more deeply these essential truths and moreover in what specific ways the understanding of the Catholic faith has changed and or remained the same since Vatican II The first part centers on Jesus Messiah and the mystery of existence It delineates how his life death resurrection as transformed physicality and ascension usher in the kingdom of God and best answer the questions Who am I Who are we Where did we come from and where are we ultimately headed What is the meaning of it all The second part focuses on how Pentecost the Trinity the Church the Scriptures the Sacraments Christian life itself Mariology the Communion of Saints and Christian mysticism shed light on the mystery of existence It demonstrates how the church flows intrinsically and naturally from the person of Jesus Christ and how the Scriptures and the sacraments likewise arise intrinsically and naturally from the church Part three stresses considers various views of afterlife mainly from the Judeo Christian tradition It raises difficult after death questions such as individual and general judgment the intermediate state the nature of the soul after death Limbo and Purgatory Finally it outlines the idea of Jesus s Second Coming and considers such concepts as Deep Incarnation and the New Creation

Truth That Never Dies Nigel G. Wright, 2014-11-07 The Dr G R Beasley Murray Memorial Lectures were delivered between 2002 and 2012 with the aim of extending the legacy of this significant New Testament scholar and church leader into the twenty first century Themes addressed include baptism ministry preaching mission and theological faithfulness Having first been delivered at the annual Assembly of the Baptist Union of Great Britain the lectures in this volume are now made available to a wider audience and will be of interest to church leaders across the denominations and across the world and not least to those who stand in Beasley Murray s own Baptist tradition George Beasley Murray died in 2000

The Faithfulness of Jesus the Messiah Walter D. Zorn, 2020-10-26 Strange how one little word the Greek word pistis can make a profound difference in understanding the Bible Pistis is usually translated faith but in different contexts of the New Testament the word can have several other meanings such as faithfulness trustworthiness solemn promise or oath proof or pledge conviction and doctrine of the Christian faith This book will challenge the reader s understanding of Paul s expression pistis Christou faith faithfulness of Christ and the use of the pistis word group verb noun and adjective throughout the New Testament Given the Old Testament background to this word one will learn how the apostle Paul utilized an obscure phrase from the prophet Habakkuk to refer to a coming Messiah who

in turn lived in faithfulness to the Father's will to die on a cross for the sins of the world. This book will reveal how the gospel is emphasized throughout the New Testament in terms of the faithfulness of Jesus the Messiah. New and fresh interpretations of various texts will challenge the traditional understandings of such texts. When a person comprehends pistis as God's faithfulness and the Messiah's faithfulness, the only human response is pistis itself meaning faithfulness as described in Hebrews 11: God is faithful and Jesus is faithful. Will he find us faithful? **When Wright is Wrong** Phillip D. R.

Griffiths, 2019-01-14 In today's world the Christian is constantly being challenged with new teachings. Some of these are particularly dangerous because they are put forward by those with evangelical credentials. Tom Nicholas Wright is one of the leading proponents of the New Perspective on Paul. Wright sees himself as the new Luther, a discoverer of the true biblical understanding of key doctrines like that of justification by faith. According to him, the Reformation misunderstood the nature of justification by faith alone and the role of the law in the Old Testament. Wright maintains that this has continued to be the case for those of the Reformed Faith. He tells us that we are guilty of anachronism whereby we interpret first-century Judaism in the light of medieval Roman Catholicism. In this work, the writer not only defends the Reformed understanding of this vital doctrine but also seeks to show how Wright has misunderstood the nature of the new covenant and the place of ethnic Israel.
