Christian Nation, 1903 **It's Time Truth Speaks** Spencer Leak, Sr, Spencer Leak, 2010-02 Commentaries on contemporary political social and religious issues and controversies from the host of the Chicago weekly radio broadcast It's time the truth speaks *Paul and His Mortality* R. Gregory Jenks, 2015-11-16 While many books are written on Jesus's death a gap exists in writings about the theological significance of a believer's death particularly in imitation of Jesus's Paul as a first apostolic witness who talked frequently about his own death serves as a foundational model for how believers perceive their own death While many have commented about Paul's stance on topics such as forensic righteousness and substitutionary atonement less is written about Paul's personal experience and anticipation of his own death and the merit he assigned to it Paul and His Mortality Imitating Christ in the Face of Death explores how Paul faced his death in light of a ministry philosophy of imitation as he sought to imitate Christ in his life so he would imitate Christ as he faced his death In his writings Paul acknowledged his vulnerability to passive death as a mortal that at any moment he might die or come near death He gave us some of the most mournful and vitriolic words about how death is God's and our enemy But he also spoke openly about choosing death My aim is to know him to be like him in his death This study seeks to show that Paul embraced death as a follower and imitator of Christ because the benefits of a good death supersede attempts at self preservation For him embracing death is gain because it is honorable because it reflects ultimate obedience to God and because it is the reasonable response for those who understand that only Jesus's death provides atonement Studying mortality is paradoxically a study of life Peering at the prospect of life's end energizes life in the present This urgency focuses on living with mission in step with God the Creator and Sustainer of life who is rightly referred to as Life itself By focusing on mortality we focus on Paul's theology of life in its practical aspects in particular living life qualitatively aware of God's kingdom and mission and our limited quantity of days *Language Arts Test Preparation Level 6--Women's Suffrage* Suzanne Barchers, 2015-02-13 Use this assessment to test your students understanding of the key ideas details and text structures of a reader's theater script Students will also be assessed on their ability to evaluate and draw reasonable conclusions about the text
