Melampy,2008-06-01 In the third installment of The Modern Guide series the author examines the Boeing F 15 Eagle in detail never before seen Every version of the venerable Eagle is studied from the earliest F 15A up to and including the latest F 15E serving in Operation Iraqi Enduring Freedom Export versions equipping friendly air forces throughout the world are also covered To document this famous aircraft in book form took thousands of hours over 950 color images and the help of F 15 pilots crewchiefs and historians making this publication the most thorough accurate and best Eagle book ever published

Unmanned William M. Arkin,2015-07-28 Unmanned is an in depth examination of why seemingly successful wars never seem to end The problem centers on drones now accumulated in the thousands the front end of a spying and killing machine that is disconnected from either security or safety Drones however are only part of the problem William Arkin shows that security is actually undermined by an impulse to gather as much data as possible the appetite and the theory both skewed towards the notion that no amount is too much And yet the very endeavor of putting fewer human in potential danger places everyone in greater danger Wars officially end but the Data Machine lives on forever Throughout his career Arkin has exposed powerful secrets of so called national security and intelligence Now he continues that tradition The most alarming book about warfare in years Unmanned is essential reading for anyone who cares about the future of mankind
