The Carnival Stage José I. Suárez,1993 The application of Bakhtin s critical theories to Gil Vicente has helped in understanding the genre and plot compositional traits and sources of Vicente s drama Until now these have been virtually ignored by Vicentine scholars most of whom have limited themselves to biographical historical approaches in an effort to explain the playlets as products of a particular epoch the Middle Ages and or the Renaissance and the corresponding literary modes The author concludes that it is not the subjective memory of the playwrights but the objective memory of the genre in which they compose their plays that preserves its fundamental characteristics through the centuries characteristics that derive from the incursion of the popular element into the realm of literary creation Direct in its presentation this study presents a concise and scholarly synthesis of Peninsular drama from its origins and the impact that the popular element had on its formation and it will continue to be regarded as an original facet in the overall complexity of Vicentine studies

Space and Subjectivity in

Contemporary Brazilian Cinema Antônio Márcio da Silva, Mariana Cunha, 2017-08-12 This collection explores the emergence of new spatialities and subjectivities in Brazilian films produced from the 1990s onwards a period that became known as the *retomada* but especially in the cinema of the new millennium The chapters take spatiality as a powerful tool that can reveal aesthetic political social and historical meanings of the cinematographic image instead of considering space as just a formal element of a film From the rich cross fertilization of different theories and disciplines this edited collection engages with the connection between space and subjectivity in Brazilian cinema while raising new questions concerning spatiality and subjectivity in cinema and providing new models and tools for film analysis

Literature and Ethics in

Contemporary Brazil Vinicius Mariano De Carvalho, Nicola Gavioli, 2017-02-24 When Brazil was honored at the Frankfurt Book Fair in 2013 the Brazilian author Luiz Ruffato opened the event with a provocative speech claiming that literature through its pervasive depiction and discussion of otherness has the potential to provoke ethical transformation This book uses Ruffato's speech as a starting point for the discussion of contemporary Brazilian literature that stands in contrast to the repetition of social and cultural clichés By illuminating the relevance of humanities and literature as a catalyst for rethinking Brazil the book offers a resistance to the official discourses that have worked for so long to conceal social tensions injustices and secular inequities in Brazilian society In doing so it situates Brazilian literature away from the exotic and peripheral spectrum and closer to a universal and more relevant ethical discussion for readers from all parts of the world The volume brings together fresh contributions on both canonical contemporary authors such as Graciliano Ramos Rubem Fonseca and Dalton Trevisan and traditionally silenced writing subjects such as Afro Brazilian female authors These essays deal with specific contemporary literary and social issues while engaging with historically constitutive phenomena in Brazil including authoritarianism violence and the systematic violation of human rights The exploration of diverse literary genres from novels to graphic novels from poetry to crônicas and engagement with postcolonial studies gender studies queer studies cultural studies Brazilian studies South American literature and world literature carves new space for the emergence of original Brazilian thought

Yeats and Pessoa Patricia Silva-McNeill, 2017-07-05 W B Yeats and Fernando Pessoa 1888 1935 regarded style as a tool for metaphysical inquiry and consequently they adopted distinct poetic styles to convey different attitudes towards experience Silva McNeill's study examines how the poets stylistic diversification was a means of rehearsing

different existential and aesthetic stances It identifies parallels between their styles from a comparative case studies approach Their stylistic masks allowed them to maintain the subjectivity and authenticity associated with the lyrical genre while simultaneously attaining greater objectivity and conveying multiple perspectives The poets continuously transformed the fond and form of their verse creating a protean lyrical voice that expressed their multilateral poetic temperament and reflected the depersonalisation and formal experimentalism of the modern lyric
