Moedim The Appointed Times For Messianic Believers:

Moedim J. K. McKee, 2013-07-24 Today's Messianic community widely believes and advocates that our Heavenly Father is restoring the celebration of the Biblical appointments or moedim chiefly found in Leviticus 23 to all of His people. Messianic Believers find great enrichment every year of going through these annual festivals rehearsing God's plan of salvation history. We bemoan the fact that too many of our Christian brothers and sisters have not partaken of the blessings of knowing things like the Passover Shavuot or Sukkot and the significant enrichment all of us can have by seeing God's plan for history present within them. Some say that because of Yeshua's sacrifice at Golgotha Calvary the Torah or Law of Moses has been abolished and thus the moedim or appointed times are done away with annulled and abolished. Some believe that they might be important for us to understand in an historical sense for understanding the Bible but are not to be followed as standard elements of our orthopraxy. This publication simply entitled *Moedim The Appointed Times for Messianic Believers* is an important synopsis of what the appointed times of Leviticus 23 actually are and why they have not been abolished by the New Testament. **Christian Tourist Attractions, Mythmaking, and Identity Formation** Erin Roberts, Jennifer

Eyl, 2018-11-29 *Christian Tourist Attractions Mythmaking and Identity Formation* examines a sampling of contemporary Christian tourist attractions that position visitors as the inheritors of ancient sacred traditions and make claims about the truth of the historical narratives that they promote. Rather than approaching these attractions as sacred expressions of religious experience or as uncontested accounts of history, the book applies recent work on mythmaking and identity formation to argue that these presentations of the past function as strategic discourses that serve material concerns in the present. From an approach informed by social and materialist theories of religion, the volume draws upon a variety of methodological approaches that enable readers to understand the often bewildering array of objects, claims, demands, and activities, not to mention the seemingly endless array of gifts and personal items available for purchase that appear at attractions including Ark Encounter, the Creation Museum, the Holy Land Experience, Bible Walk Museum, Christian Zionist tours of Israel, and the recently opened Museum of the Bible. Discourse analysis, practice theory, rhetorical criticism, and embodied theories of cognition help make sense not only of the Christian tourist attractions under examination but also of the ways that religion is entangled with contemporary social, political, and economic interests more broadly. The Battle of The Sexes: It's Been Downhill Since The Garden H.R. Boaz,2021-05-08 The Battle of the Sexes explores how the Word of God YHWH both the Old Testament and the New Testament has been twisted to support a narrative that is not in the Scriptures Traditional translations and teachings of the Bible have either presumed or assumed that men are given power and dominion over women But nowhere in the Bible is this statement made not even in Genesis Bereishis 3 16 And your husband will rule over you which is not spoken as an imperative but rather as a prophecy The original Hebrew language of the first five books of Moses also known as the Torah Old Testament tells a very

different story of the primal couple A story that is contrary to what is often taught in all religions that use the Word of YHWH as their foundation namely Judaism Christianity and Islam With an abbreviated overview of human history as told from YHWH s point of view we discover a connection of how all cultures have come to share similar myths legends and stories with the Torah And how these ancient archetypes of good and evil have been misused to support a psychological and socio political advantage of men over women Likewise a brief foray into the unique Hebrew language the ancient language in which YHWH created our world and dictated the Torah to Moses provides proof that the Word of God is indeed communication from another dimension Like a massive encrypted message the Torah includes multiple levels of God given fences that protect the Word of God from man s distorted perspective The Hebrew language itself provides the most significant fence Like no other language each Hebrew word defines itself by the letters that make up the word This is only one feature of the holy text that assures that the instructions of YHWH remain intact regardless of man s interpretations The Battle of the Sexes is an examination from a fresh viewpoint into the issues that arise between the genders which stem from the original disobedience of God s one instruction by the primal couple in the Garden of Eden Gan Eden We see a more complete perspective of who did what in the initial defiance and how we continue to struggle in the female male relationship with those very same issues first raised in Gan Eden Moreover with clarity the Hebrew language reveals a much greater significance of the female to the human experience than is typically taught in any religion Exposed in her Hebrew name which is not usually translated properly is her irrefutable role in God s plan of salvation for the human race God did not make women subservient to men and YHWH did not give men or women dominion over anything but the animals and the earth to utilize as God intends Humanity is to work together not to manipulate or fight to assume power over one another Nowhere is this idea more consequential than in the marriage relationship Being the preeminent human relationship YHWH presents marriage as the foundation for all other human relationships from Bereishis the beginning creation of our world and the human creature Undergirding the arrogant impudent presumption that men are to rule over women is the equally destructive fallacy that God is masculine The Battle of the Sexes explores how from the initial verses and chapters of the first book of Torah the book of Genesis we begin to understand how as the Jewish Sages say with the change of one letter the world is destroyed With the misinterpretation and misunderstanding of one Hebrew word adam our modern grasp of the essence of YHWH and the female male relationship as described in Torah has been distorted and all but destroyed The Battle of the Sexes is sure to not only answer but raise many questions regarding the female male relationship as well as humanities relationship with God

Sacred Times for Chosen People Evert W. Poll,2008 John K. McKee,2002-10-01 A response to Christianity s antinomian assault proving that the Greek New Testament upholds the validity of the Law of Moses

Biblical Eschatology: Dr. Justin G. Prock,2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth

century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book
