Dodd, 2010 The Star of Gold, and Other Poems Eva Ashley Parslow, 1921 The Bookman ,1903 Women Writers in the Romantic Age John Claiborne Isbell, 2025-04-17 This groundbreaking book offers a comprehensive review of six hundred and fifty women writers from over fifty national traditions spanning Europe and the Americas during the transformative years of 1776 to 1848 Framed by revolutionary upheavals the book explores how women writers shaped and reflected Romanticism's global currents It fills a critical scholarly gap connecting disparate traditions and uncovering voices often overlooked in male dominated literary histories Through concise entries the book names every woman writer identified in its vast research from celebrated figures like Phillis Wheatley to lesser known authors whose manuscripts lay buried in archives Each entry provides essential biographical details while select excerpts in seventeen languages bring these voices to life revealing how women navigated the era's revolutionary ideals and patriarchal barriers Structured democratically the volume treats all writers equally whether anonymous pseudonymous or celebrated in their time It highlights their diverse experiences poets and novelists abolitionists and suffragists mothers and mill workers From memoirs to political tracts their works testify to the rich tapestry of women s contributions to Romanticism By illuminating these stories this book challenges national silos offering a panoramic view of Romanticism as a truly transnational female inclusive phenomenon It represents a go to resource for students and interested readers while setting the ground for future scholars to expand this vital field of study Catalogue of the Library of Troy Young Men's Assoc Troy Public Library (N.Y.), 1859 Catalogue of the Library John E.
