Anderson,2000 This book engages with and develops current debates about desire and sexual identification by focusing on a wide selection of contemporary literature film and theory These texts range from the novels of Alan Hollinghurst and Paul Magrs to the work of Pedro Almodovar RuPaul Derek Jarman and Camille Paglia as well as TV programs like *Ellen* and *Shinjuku Boys* and individual films such as *Collard s Savage Nights* **Transversal Enterprises in the Drama of Shakespeare and his Contemporaries** B. Reynolds,2006-03-01 This study expands on Reynolds transversal poetics the theory methodology and aesthetics developed in response to the need for an approach that fosters agency creativity and conscientious scholarship and pedagogy It offers new readings of plays by amongst others Shakespeare Marlowe Middleton Webster and Greene The Historical Novel, Transnationalism, and the Postmodern Era Susan Brantly,2017-02-17 This volume explores the genre of the historical novel and the variety of ways in which writers choose to represent the past How does an author s nationality or gender impact their artistic choices To what extent can historical novels appeal to a transnational audience This study demonstrates how histories can communicate across national borders often by invoking or deconstructing the very notion of nationhood Furthermore it traces how the concerns of the postmodern era such as postmodern critiques of historiography colonialism identity and the Enlightenment have impacted the genre of the historical novel and shows this impact has not been uniform throughout Western culture Not all historical novels written during the postmodern era are postmodern The historical novel as a genre occupies a problematic yet significant space in Cold War literary currents torn between claims of authenticity and the impossibility of accessing the past Historical novels from England America Germany and France are compared and contrasted with historical novels from Sweden testing a variety of theoretical perspectives in the process This pitting of a center against a periphery serves to highlight traits that historical novels from the West have in common but also how they differ The historical novel is not just a local regional phenomenon but has become during the postmodern era a transnational tool for exploring how we should think of nations and nationalism and what a society should or should not look like **A General and True History of the Lives and Actions of the Most Famous Highwaymen, Murderers, Pirates,&c. Macklecan Daniel Defoe,1748 *Sexual Dissidence* Jonathan Dollimore,2018-09-19 Why is homosexuality socially marginal yet symbolically central Why in other words is it so strangely integral to the very societies which obsessively denounce it and why is it history history rather than human nature which has produced this paradoxical position These are just some of the questions explored in this wide ranging study of sexual dissidence which returns to the early modern period in order to focus question and develop issues of postmodernity In the process it brilliantly links writers as diverse as Shakespeare Gide Wilde and Genet and cultural critics as different as St Augustine Freud Fanon Foucault and Monique Wittig So Freud s theory of perversion is discovered to be more challenging than either his critics or his advocates usually allow especially when approached via the earlier period s archetypal perverts the religious heretic and the wayward woman Satan and Eve The book further shows how the literature histories and sub cultures of sexual and gender dissidence prove remarkably illuminating for current debates in literary theory psychoanalysis and cultural materialism It includes chapters on transgression and its containment contemporary theories of sexual difference homophobia the gay sensibility transvestite literature in the culture and theatre of Renaissance England homosexuality and race **Gay and Lesbian Historical**

Fiction N. Jones,2007-05-28 The first extensive study of gay and lesbian historical fiction this book demonstrates how the highly popular sub genre helps us understand gay and lesbian history It shows not only why the sub genre should be taken more seriously by historians but also how it implicitly works to ameliorate divisions between Christianity and homosexuality
