**Monarch: The New Phoenix Program** Marshall Thomas, **Fraud Upon the Court** Mary Maxwell, 2016-12-15 A scathing look at our legal system **Fraud Upon the Court** explores the important topic of fraud committed in a case by a member of the court Mary Maxwell discusses famous trials in which she believes fraud upon the court has occurred including the trials of Troy Davis James Earle Ray and various 9 11 cases and advocates the use of a Writ of Coram Nobis to remedy the frauds The book also explains the biological reason people believe authority and how to have a court case set aside if the judge cheated no matter how many years ago Monarch Marshall Thomas, 2007-09-01 Army intelligence officers are using classified anti personnel weapons to target activists and people who fit a common profile Edited by Marshall Thomas The case being made is based on Four Facts these four facts are the bare bones case to avoid confusion disinformation and circular arguments that lead nowhere MKULTRA took place at over 80 institutions and the current illegal program that I call MONARCH the real name is unknown is equally complex The four facts are all that is necessary to convince a reasonable person that this atrocity is really taking place and demands immediate action ONE Public microwave weapons exist TWO A prior pattern of criminal behavior THREE Credible witnesses who fit a common profile FOUR Persons of interest in military intelligence in charge of developing nonlethal microwave weapons who must be investigated ONE Microwave weapons like the Active Denial System ADS and milliwave radars are public electromagnetic weapons The Russians used microwave weapons to attack the American embassy in Moscow in the 1950 s In response the US began a secret crash program to develop microwave weapons TWO There is a criminal history dating back to 1943 a prior pattern of criminal behavior all through the Cold War Half a million US citizens used as human guinea pigs in nuclear biological and chemical NBC weapons development programs FBI Cointelpro government hit lists of political activists and CIA MKULTRA using torture to break the human mind to control it All of these illegal government programs escaped detection for decades and no perpetrators were ever punished THREE Credible witnesses people who have testified that they are targets of classified nonlethal microwave weapons assaults and organized stalking The author has interviewed more than 200 targets in person and documented their stories Most targeted individuals TI s are political activists or whistleblowers that are around forty years old have an above average IQ and share other commonalities The majority of the targets fit a common profile similar to the victims of previous programs FOUR Persons of interest military intelligence officers who have worked since 1980 to develop nonlethal microwave weapons for the Army They publicly advocated using them on civilians to neuter people expressed admiration for MKULTRA crimes and given the classified weapons to local law enforcement and others In addition they promote borderline beliefs and superstitions as part of a smoke screen cover up These are the basic facts reduced to their bare minimum There is much more evidence available in the films blogs and supporting government documents military science papers nonlethal weapons scientists papers and patents authoritative newspaper and magazine articles books films and the testimony of

experts and witnesses The Four Facts are all that is necessary to prove a preponderance of evidence and convince a reasonable person that these crimes are actually taking place and must be stopped If it adds up to FOUR people open the door

**Servitors of Empire** Darrell Hamamoto,2014-08-01 Forcing a fundamental rethinking of the Asian American elite many of whom have attained top positions in business government academia sciences and the arts this book will be certain to generate a good deal of controversy and honest discussion regarding the role Asian Americans will play in the new century as China and India loom ever larger in the world economic system Not since the large scale infusion of scientists and engineers fleeing Nazi Germany has there been such a mass importation of intellectual labor from U S client states in Asia One of the specialized tasks assigned to this group is to build the technetronic infrastructure for the new world order command and control system Servitors of Empire is not intended to fan the flames of suspicion and paranoia aimed at Asian Americans but serves to illuminate the way in which highly trained knowledge workers are being employed to bring sovereign nations such as the United States under centralized rule made possible through advances in bioscience IT engineering and global finance
