**State of New York Supreme Court , 80 Years after the Second World War of Wars and Politics** Sobhy Fahmy Amin Iskander,2022-08-22 The unnecessary wars get declared when US as a powerful country supports one country while opposing the other countries such as the Middle Eastern wars causing waste of money and countless lives The US should act neutral and use diplomacy and influence in the international judgments As you find out in my book Moses of Israel did not cross the Red Sea They crossed the dry salt lake of the Red Sea where later the Suez Canal was built Do not live behind bars and get educated about real legal lives at your own home in the USA because there are prisons paroles and probation systems all over Also there is police registration Your personal calls and all private conversations are being reordered

Jacobs Jr.,2014-01-16 This book is a chronology of my life It tells the story of a young Negro boy weaving his way through a hostile alien world almost alone Mama went to one of my football games at U C Berkeley She didn t know anything about football but she knew her son was on the field and she knew he was in college Her support through the years helped me navigate the difficult times I grew up in This book will take you on a journey through those years spiced with details about the worlds of college and professional football and of track and field as well as original reports of the events happening in the wider world      Awards ... Presence written as a conflict of terms not in the opinion of this author For centuries Christian churches throughout the world have examined scripture and argued the meaning of Christ's words at the Last Supper Many religious organizations believe that references to sharing the bread and wine were symbolic not indicative of a continuing sacrifice or sustained presence Others like the Catholic Church teach Christ is a real living presence To Catholics the actions of the Last Supper provided a physical manna from which love and hope unite them with Jesus Christ every day of their human existence Is this concept shared by others Could it be others also recognize the Real Presence but not in a positive light The author has prepared a story a murder mystery in which varying Christian beliefs of all denominations are brought into question Its plot engages not only the mind but also the soul of the reader Solving the whodunit may be the challenge for an investigative mind but to the author the crime is not the real agenda Examine the characters Can you find someone or some personality you recognize or relate to The real mystery is to understand the difference between fiction and nonfiction Did this murder really happen Do the characters really exist Are the actions and attitudes of the contributing characters reflective of today's world In your opinion if this murder did happen would the real life characters play their role as written In the end it is you

the reader who will solve the mystery For the author the real mystery to be solved is this why do so many believers in Jesus Christ fail to recognize His presence while others who are nonbelievers have no problem seeing Him     **ARTnews** ,1956
