DABFE, 2024-05-13 There is no available information at this time Author will provide once information is available Opium Kings of Old Hawaii John Madinger, 2015-05-04 This true crime history recounts the legendary rise and nefarious fall of nineteenth century America's most successful drug smugglers In 1886 five men met at San Francisco's luxurious Baldwin Hotel to discuss a most profitable business opium smuggling The exploits of Will Whaley and his partners became the stuff of legend with tales of landing contraband on deserted shores by the light of the moon voyages across the Pacific typhoons and shipwrecks Their co conspirator was the notorious Halcyon a schooner that novelist Jack London once admiringly wrote sailed like a witch Despite the danger betrayals and mysterious deaths these partners in crime were so successful they inspired copycats and competitors alike In Opium Kings of Old Hawaii author and career law enforcement agent John Madinger recounts the incredible story of America's first organized drug trafficking ring Legal Principles for Combatting Cyberlaundering Daniel Adeoyé Leslie, 2014-07-18 This volume deals with the very novel issue of cyber laundering The book investigates the problem of cyber laundering legally and sets out why it is of a grave legal concern locally and internationally The book looks at the current state of laws and how they do not fully come to grips with the problem As a growing practice in these modern times and manifesting through technological innovations cyber laundering is the birth child of money laundering and cybercrime It concerns how the internet is used for washing illicit proceeds of crime In addition to exploring the meaning and ambits of the problem with concrete real life examples more importantly a substantial part of the work innovates ways in which the dilemma can be curbed legally This volume delves into a very grey area of law daring a yet unthreaded territory and scouring undiscovered paths where money laundering cybercrime information technology and international law converge In addition to unearthing such complexity the hallmark of this book is in the innovative solutions and dynamic remedies it postulates Corporate Fraud and Internal Control Richard E. Cascarino, 2012-10-10 Essential guidance for companies to examine and improve their fraud programs Corporate governance legislation has become increasingly concerned with the ongoing resilience of organizations and particularly with their ability to resist corporate fraud from the lowest levels to the upper echelons of executive management It has become unacceptable for those responsible for corporate governance to claim I didn't know Corporate Fraud and Internal Control focuses on the appropriateness of the design of the system of internal controls in fraud risk mitigation as well as the mechanisms to ensure effective implementation and monitoring on an ongoing basis Applicable for a wide variety of environments including

governmental financial manufacturing and e business sectors Includes case studies from the United States Europe and Africa Follows the standards laid down by the Association of Certified Fraud Examiners the internationally recognized body governing this activity Accompanying interrogation software demo software demo is not included as part of this book s e book file but is available for download after purchase Written by a fraud prevention leader Corporate Fraud and Internal Control addresses the concerns of both management and audit in ensuring a demonstrable level of activity to ensure sustainability of the organization and minimization of the impacts of fraud upon early detection

modeling **The Greek Connection** James H. Barron, 2020-07-28 Spanning from WWII to the Cold War and beyond this is the magnificent triumphant biography of the investigative journalist resistance fighter and whistle blower who helped expose the Watergate scandal Doris Kearns Goodwin author of Leadership He was one of the most fascinating figures in 20th century political history Yet today Elias Demetracopoulos is strangely overlooked even though his life reads like an epic adventure story As a precocious twelve year old in occupied Athens he engaged in heroic resistance efforts against the Nazis for which he was imprisoned and tortured After his life was miraculously spared he became an investigative journalist covering Greece's tumultuous politics and America's increasing influence in the region A clever and scoop hungry reporter Elias soon gained access to powerful figures in both governments and attracted many enemies When the Greek military dictatorship took power in 1967 he narrowly escaped to Washington DC where he would lead the fight to restore democracy in his homeland while running afoul of the American government too Now after a decade of research and original reporting James H Barron uncovers the story of a man whose tireless pursuit of uncomfortable truths would put him at odds with not only his own government but that of the Truman Eisenhower Kennedy Johnson Nixon Ford Carter and Reagan administrations making him a target of CIA FBI and State Department surveillance and harassment and Greek kidnapping and assassination plots American authorities may have purposefully overlooked A stunning feat of biographic storytelling sweeping from World War II to the Cold War Watergate and beyond The Greek Connection is about a lifetime of standing up for democracy and a free press against powerful special interests It has much to teach us about our own era's abuses of power dark money journalist intimidation and foreign interference in elections **Money Laundering** John

Madinger, 2006-04-27 Many of the techniques that drug traffickers and organized crime figures use to launder money are also employed by terrorist groups as those involved in investigating the attacks of September 11 2001 soon discovered These techniques and their perpetrators have grown in number and sophistication creating an urgent need for investigators to develop strategies that will help keep them one step ahead of the game Authoritative and accessible Money Laundering A Guide for Criminal Investigators Second Edition is based on the author's extensive experience in law enforcement It provides a clear understanding of money laundering practices and explains the investigative and legislative processes that are essential in detecting and circumventing this illegal and ultimately dangerous activity In addition to being an informative and straightforward resource for those investigating complex narcotics cases or other cases in which there is a financial component this new edition addresses techniques used to track down the money trail of terrorists who are highly motivated well trained organized disciplined and well funded What's New in the Second Edition Explains money laundering provisions under the U S Patriot Act Explains how the changes in federal forfeiture law affect existing money laundering law Clarifies current legislation and how it affects money laundering investigation Outlines the basics as well as the emerging trends of terrorist financing Includes two new chapters on the investigation of terrorist activities **International Currency Review**
