see He holds a cigarette to my breast and sees the fear in my eyes he jams my hand in the door and enjoys the horror in my eyes he threatens to hit me and enjoys the shiver of my soul He doesn t beat me He wants to hurt my soul LOVE Looking back I am convinced that lovers should be together and if they happen to part for a time they must be ready to forgive each other many things As for the real vs false love rhetoric it is meaningless and contrived Everything is real and everything is fake because every feeling is unique There is no standard there is nothing to compare it with Our conscious struggles with the subconscious and our morals interfere with that struggle but as a participant not a judge And we are confused being the first and the second and the third simultaneously Nothing is a mistake and guilt is nothing There are only contradictions within and without LOVE What have you done my sweet one Why have you made me go through so much abuse Why couldn t you forgive me then and there Now I really can t His tears come in streams Just like that other time when my mother tried to persuade him to leave me if he wished me well I ll never find a woman like you So what have you been thinking before It s too late I am not yours anymore And this is your fault You ve made me love another man You ve squeezed my love dry like juice from a lemon LOVE Love is an illusion a deception it comes for a while and always goes away Love is joy and pain Do I believe in love Yes I believe in love I believe in the most beautiful of illusions I believe in the most beautiful of deceptions I believe in joy and pain I believe in love Yes it exists yes it gives strength it s the meaning of our life But I avoid love MYSTICISM I have no idea how I am so sure that I ve never lived in the ancient Rome Greece or Judea that I ve never been to Byzantium I ve lived before that and after that and I ve been a barbarian a plebeian a slave a robber a pirate male and female and only once I ve been a most sophisticated aristocrat and I ve always been cruel beautiful and strong MYSTICISM men wearing strange clothes armed with spears fire shouts and my laughter when flames broke out wild at my feet I wasn t screaming in pain I was laughing at those who were burning me I despised and hated them My own pain and the pain of others seemed trifling to me and my life and the lives of others worthless I was cursed MYSTICISM I am ashamed of my fears I just got scared by my own feet But then I almost physically saw that presence take the shape of a man and walked to the door retreating from the sun And now I am left with horror and bitterness but most of all with bewilderment and curiosity What time to go back to the cemetery Can t stand the sun I whisper Guess you haven t kicked the habit of leaving through the door yet eh RACES Are you crazy to marry an ndio the young man jumps from the polite you to the informal one He is not an ndio he s an engineer Does your husband beat you Indios love beating At my hacienda I penalize ndios when they beat their wives but then the women come and cuss at me for penalizing their husbands Weren t he so straightforward I would have thought that he d heard about us from some friends and now is just playing me But obviously that is not the case RACES An idio is a creature of the mountains dirty unkempt uneducated basically a draft animal that we non idios use to get bags and baskets carried from the market to our houses We hire this animal to do hard work Indio women come and wash our clothes cook dinner and clean our houses for meager pay Of course we teach them some vestiges of culture and hygiene

Indios are those we should care about as good merciful Christians Indios are a terrible power that unleashes when they get intoxicated with reed vodka and start cutting the air with their machetes shouting carajo they descend from the mountains and try to rush our battle tanks surrounding them An ndio is a lesser human being even if he succeeds among white people MUSINGS We humans are all turncoats Sooner or later on purpose or not consciously or unconsciously we turn our backs on our loved ones our friends partners children parents we turn on our neighbors next door and on our neighbors next country and we turn ourselves We can t help it life is full of turns and turnabouts we turn this way and that and so do our loved ones and our circumstances and our feelings This is the way the world turns We are human we turn Life is impossible without turning MUSINGS The depths of human nature are home to turnoil and chaos When they say pure of character what they usually mean is the upper layers of the soul exposed to public view The chaos and the turmoil are something everyone is supposed to hide people have agreed among themselves that this way it feels nicer to be around one another But what if the purity and the chaos are combined grown into each other soaked through with each other so that isolating them again is impossible USSR Oh don t you know what people back there think about our marriages she went after a pretty life And if you come back Aha got your pretty life they will say Drank from the bitter cup And now going back under mother s wing you slut They ll be angry and envious alright They know full well they ll never be able to get out and see the world And what about your kids especially the ones a bit darker than the locals Will you be able to stay in the lines for some drab clothes to dress yourself and your kids Will you be able to find a decent job with your ruined personal record SEX His infinity burst and strung on a chain of fireworks flowed out like liquid fire and fell into the cold but I knew no fulfillment With great patience and countless tricks he would lead me to my final point which turned into weak suspension points and from there it quickly turned into a comma waiting for a continuation I couldn t do anything with that damned comma I told him all I knew and thought about myself and the story began from my birth He listened and tried to conquer the comma again he couldn't put up with it he wanted to change me although he said that he accepted me the way I was but he wanted more And again the cursed comma stood between us ABUSE A mad drunk hand pushes him still lower into the tank holding by the hair He is out of breath The delicate unrecoverable connections in his brain are broken His father's hand feels no resistance anymore His mother rushes screaming from the house and throws herself at the father As his father switches his violent attention to the woman the boy crawls out and hides behind the stacks of boards He is cold His teeth are clattering He has nothing to cover his body with for warmth But gradually it gets warmer anyway He falls asleep He doesn t hear the screams and wails coming from the house In his dream he is dead He sees his own burial The parents are crying so bitterly The grief brought them together They are crying for their son **The Sock Monkey Tales** Catherine Connor,2014-09-17 Take a delightful romp back through time and see the world through the eyes of your inner child Revisit the world in the years following the end of the Second World War to the children of this countrys Greatest Generation when innocence wonder and awe were alive and
