The Modern History of Mongolia Charles R. Bawden, 1968 *A Song for the Horses* Kip Hutchins, 2025 A Song for the Horses examines the role of nonhuman animals and other beings in the performance and maintenance of musical traditions in Mongolia By playing their morin khuur or horse fiddles to build more than human networks of relation anthropologist K G Hutchins shows how Mongolian musicians use cultural heritage to imagine and build toward alternative futures beyond climate change and neoliberalism **Mongolia and the Mongols** Western Washington University, Henry G. La Voix des fantômes Grégory Delaplace, 2024-09-13T00:00:00+02:00 Nous nous plaisons à imaginer que les humains ont inventé les rituels funéraires pour arriver à oublier nous-mêmes que c'est ce geste qui a fondé l'humanité et la culture. Et si les morts avaient toujours été là ? Et si l'humanité n'eût pas hanté les pratiques funéraires, auraient-elles alors travaillé par de habiles médiums pour contenir le débordement des revenants ? En menant une anthropologie inédite des fantômes, Grégory Delaplace montre quels genres de tristes et quels genres de interlocuteurs les défunts sont invités à devenir. Il rend compte des situations toujours plus ou moins incongrues dans lesquelles ceux-ci chappent aux cadres prévus pour les accueillir. C'est aussi que la déterritorialisation de la planète les ayant fait proliférer, les spectres permettent de penser la catastrophe. On découvrira combien les ancêtres sont des fantômes mis au pas des morts que les vivants ont appris à vivre enfin. Anthropologue, Grégory Delaplace est directeur d'études à l'école pratique des hautes études. Membre de bronze du CNRS, en 2015, il a codirigé la revue *L'Homme* (2020-2024) et a publié *Les Intelligences particulières* (Enquête dans les maisons hantées, Vues de l'esprit, 2021).

Genghis Khan and the Making of the Modern World Jack Weatherford, 2008 **Twentieth Century Mongolia** (Bat-Erdene Batbayar) Baabar, 2021-10-25 This is the first history of Mongolia available in English which benefits from access to historic data that only became available following the collapse of the socialist regime in 1990 Accordingly it highlights the role of international politics especially the former Soviet Union Russia China and Japan in the shaping of modern Mongolia's history The volume actually comprises three books Book One entitled The Steppe Warriors offers a history of Mongolia up to

the 1911 revolution Book Two entitled Incarnations and Revolutionaries addresses political developments in the late nineteenth and early twentieth centuries 1920s Book Three entitled A Puppet Republic provides an in depth analysis of the 1920s and 30s concluding with the 1939 Haslhyn Gol Incident The Second World War the Post war Map of Asia and the Fate of Mongolia s Independence **Mongolian Memories** Maaike van Hoeflaken,2018 **The Mongol Empire** John Man,2014-06-19 Genghis Khan is one of history s immortals a leader of genius driven by an inspiring vision for peaceful world rule Believing he was divinely protected Genghis united warring clans to create a nation and then an empire that ran across much of Asia Under his grandson Kublai Khan the vision evolved into a more complex religious ideology justifying further expansion Kublai doubled the empire s size until in the late 13th century he and the rest of Genghis s Golden Family controlled one fifth of the inhabited world Along the way he conquered all China gave the nation the borders it has today and then finally discovered the limits to growth Genghis s dream of world rule turned out to be a fantasy And yet in terms of the sheer scale of the conquests never has a vision and the character of one man had such an effect on the world Charting the evolution of this vision John Man provides a unique account of the Mongol Empire from young Genghis to old Kublai from a rejected teenager to the world s most powerful emperor **Modern Mongolia** Paula L. W. Sabloff,2001 Dr D Bumaa 20th century historian at the National Museum of Mongolian History then presents the exciting history of Mongolia s century long struggle to establish independence first from Manchu Chinese feudal overlords and then from Soviet Communists

Genghis Khan Cameron White,2015-10-28 It is rare for an individual in history to have successfully made such a mark on their world that people are still talking about them centuries after their death When you consider the number of people that have existed throughout the millennia that have wielded some kind of power it takes a remarkable individual to stand out from the crowd Nevertheless one such individual did manage to achieve this near impossible feat of attaining everlasting fame Genghis Khan This single person from the relative confines of Mongolia is credited with creating one of the most feared empires that ever existed When you learn more about his story the very fact that he achieved so much becomes even more remarkable than you may have at first thought Genghis Khan was a leader that was ruthless in his aims and ambitions a man who thought nothing of destroying everything in his path His reputation of extreme brutality sent villagers running from their homes when they got even a hint that Genghis Khan was coming their way But is that the entire story Was he as bad as history has made him out to be This was an individual who established an empire that survived for more than a century after his demise and it did so to such an extent that it was the longest continual empire to have ever been created in the history of the world A wonderful battlefield commander a prime tactician he had a need to conquer the world that shaped this man into a fearless leader that would ultimately go on to shape what we now know as the modern world In his book entitled Genghis Khan The Ruthless Legacy Great Mongol Empire and the Making of the Modern World author Cameron White deeply chronicles how Genghis Khan with fierce determination was able to rise from the ashes of the devastation of his early years

to become one of the most remarkable and ruthless leaders of all time **The History of Mongolia (3 Vols.)** David Sneath, Christopher Kaplonski, 2010-05-01 A significant aspect of this work is the emphasis on source materials including some translated from Mongolian and other languages for the first time The source materials and other articles are all fully contextualized and situated by introductory material by the volume s editors This is the first work in English to bring together significant articles in Mongolian studies in one place which will be widely welcomed by scholars and researchers in this field This essential reference in two volumes includes works by noted scholars including Charles Bawden Igor de Rachewiltz David Morgan Owen Lattimore and Caroline Humphrey It also includes excerpts from translations of source documents such as the works of Rashid al Din The Secret History of the Mongols and the Yuan Shih In addition more recent historical periods are covered with material such as Batmonh s speech that heralded Mongolia s versions of glasnost and perestroika as well as Baabar s Buu Mart a key work associated with the Democratic Revolution of 1990 **Modern History of Mongolia** Charles R. Bawden, 2002
