Modern Liberty And The Limits Of Government Issues Of Our Time:

Modern Liberty: And the Limits of Government (Issues of Our Time) Charles Fried, 2011-02-07 An erudite sharp tongued libertarian eager to do battle with censors regulators and sanctimonious busybodies of every stripe New York Times In this impassioned defense of liberty renowned Harvard law professor Charles Fried argues that the seemingly unimpeachable goals of equality and community are often the most potent rivals of freedom Declared a spirited sophisticated manifesto by the New York Times Book Review Modern Liberty demonstrates how the dense tangle of government regulations both supports and threatens our personal liberties Armed with Fried s insights readers will be better able to defend themselves against those on both the left and the right who would even with the best intentions restrict their liberty Modern Liberty Charles Fried, 2007 In this work Charles Fried offers an assessment of liberty a concept in need of redefinition at the beginning of the twenty first century Arguing that equality and community are the most potent rivals of liberty Fried demonstrates how an increasingly dense tangle of government regulations both supports and threatens our personal freedoms BOOK JACKET

Identity and Violence: The Illusion of Destiny (Issues of Our Time) Amartya Sen, 2007-02-17 One of the few world intellectuals on whom we may rely to make sense out of our existential confusion Nadine Gordimer In this sweeping philosophical work Amartya Sen proposes that the murderous violence that has riven our society is driven as much by confusion as by inescapable hatred Challenging the reductionist division of people by race religion and class Sen presents an inspiring vision of a world that can be made to move toward peace as firmly as it has spiraled in recent years toward brutality and war

Preemption: A Knife That Cuts Both Ways (Issues of Our Time) Alan M. Dershowitz, 2007-02-17 A path breaking must read for government leaders strategists and all concerned Americans General Wesley K Clark In Preemption one of our nation s foremost legal scholars puts forward a controversial new theory on crime and punishment in the postmodern world Using the American government s 2003 invasion of Iraq as a starting point Alan M Dershowitz tracks our society s increasing reliance on preemptive action In Preemption which Judge Richard Posner of the U S Court of Appeals calls lucid sober courageous and historically informed Dershowitz has brought together all of his diverse and considerable talents and experiences to confront the idea of preemptive action as it applies to some of our most urgent political and moral dilemmas

The Marketplace of Ideas: Reform and Resistance in the American University (Issues of Our Time) Louis Menand, 2010-12-06 Crisp and illuminating well worth reading Wall Street Journal The publication of The Marketplace of Ideas has precipitated a lively debate about the future of the American university system what makes it so hard for colleges to decide which subjects are required Why are so many academics against the concept of interdisciplinary studies From his position at the heart of academe Harvard professor Louis Menand thinks he s found the answer Despite the vast social changes and technological advancements that have revolutionized the society at large general principles of scholarly organization curriculum and philosophy have remained remarkably static Sparking a long overdue debate about the

future of American education The Marketplace of Ideas argues that twenty first century professors and students are essentially trying to function in a nineteenth century system and that the resulting conflict threatens to overshadow the basic pursuit of knowledge and truth

Whistling Vivaldi Claude M. Steele, 2011-04-04 The acclaimed social psychologist offers an insider's look at his research and groundbreaking findings on stereotypes and identity Claude M Steele who has been called one of the few great social psychologists offers a vivid first person account of the research that supports his groundbreaking conclusions on stereotypes and identity He sheds new light on American social phenomena from racial and gender gaps in test scores to the belief in the superior athletic prowess of black men and lays out a plan for mitigating these stereotype threats and reshaping American identities

Low Living and High Thinking at Modern Times, New York Roger Wunderlich, 1992-06-01 In the mid 1800s deep in the Long Island pine barrens Modern Times was established as an experimental community whose members would not be bound by any government church constitution or bylaws Never more than 150 strong set on a plot of only 90 acres here was a haven for nonconformists Its currency was words its religion was discussion its standard of conduct was unfettered individual freedom Low Living and High Thinking at Modern Times New York rescues this model village from obscurity and demonstrates its importance in the history of American communitarianism and social reform especially in its pursuit of economic justice women's rights and free love The first full length study of Modern Times Wunderlich's account offers telling portraits of this small but significant group of reformers pioneers freethinkers and sexual radicals For 13 years they tested the precepts of the founders of the community the philosophical anarchists Josiah Warren and Stephen Pearl Andrews who advocated the sovereignty of the individual and private but profitless enterprise Each person lived as he or she pleased provided this did not impair the right of another to do the same and each traded goods and services at cost rather than market value enabling cash poor pioneers to own homesteads The community championed every kind of reform from abolitionism women's rights and vegetarianism co hydropathy pacifism total abstinence and the bloomer costume Indifference to marital status and the advocacy of a free love vanguard contributed to the community's controversial and somewhat illicit reputation In 1864 seeking to remove themselves from the limelight Modern Times's remaining settlers renamed the village Brentwood Wunderlich pieces together the village person by person by relying on primary sources such as land deeds census entries and eyewitness accounts He also sheds new light on Warren and Andrews two key figures in the communitarian movement and discusses at length such important contemporaries as Thomas and Mary Gove Nichols Robert Owen John Humphrey Noyes Horace Greeley John Stuart Mill Henry David Thoreau Ralph Waldo Emerson and George Ripley

Unabridged) Stephen Martin Fritz,2019-05-14 Let us imagine that somewhere in present day South America a nation exists as the United States was constituted in 1789 George Washington is its president and Thomas Jefferson its secretary of state It is a nation that allows only white males to vote and its president cabinet officials and many of its citizens own slaves If the America of 1789 existed right now what would we think of it Would it be right to invade it in order to liberate its people Would we consider a complete embargo of it until it changed its ways Would it be a pariah among nations Or would we recognize and cooperate with it declaring its president and secretary of state political geniuses Maybe we would just do nothing and trust that in 100 or so years it will straighten itself out What would be the correct way to think of such a nation and its leaders Three hundred years ago if a woman was raped and became pregnant we d kill the rapist and spare the baby Today we spare the rapist and kill the baby One hundred years ago only heterosexual marriages were legal Today political leaders around the world are celebrating gay relationships How and why does our moral outlook change in such matters By the time you are done reading this book you will have concrete answers to these questions and many more This is a learned thoroughly researched study and dazzlingly bright The effervescent approach to writing makes its pages fly by Studies as brilliant as this one deserve a far wider audience An engrossing and mind expanding examination of morality Kirkus Reviews
