The Calling of Eve Jacki C. King, 2022-08-02. A solid biblical foundation for women in local church ministry grounded in a celebration of women of the Bible. In *The Calling of Eve*, Jacki C. King explores what God has accomplished through the unique talents and contributions of women of the Bible, drawing inspiration and lessons for all women in ministry today. From the beginning pages of Scripture to contemporary ministries across the globe, women have had a vital and active role in the story of redemption. Jacki reminds and challenges women in every season of life to uncover their distinct design, purpose, and mission for the glory of God. Jacki has spent years in many ministry settings serving others and pointing people to God. In this book, she highlights and celebrates the contributions, gifts, and strengths that women display as image bearers of God, and she paints a vivid picture of women surrendered to God's calling in their lives. You will be inspired to follow in the footsteps of the courageous women of faith that Jacki honors in this book.

The Great Day Dr. Festus K. Akinnifesi, 2021-10-21. The most remarkable story ever revealed starts like this: "And war broke out in heaven. Michael and his angels fought with the dragon." The Great Day is anchored on the allegorical story of the woman in Revelation 12 and her adversary, which led to the war in heaven, the root of all wars and woes on earth. In her, the unchangeable and eternal purpose of God for humanity was perfectly sealed. The author presents three stages of war by her Antagonist: a first war in heaven, then many wars on earth, then a final war from heaven before the messianic kingdom of Christ. The result is a prophecy book that is almost as dramatic and moving as a novel, yet it is not a fiction. Interpreting the entire end-time prophecies from this vantage point is what sets this book apart from the rest. In particular, four unique discoveries have transformed this book to a new prophetic treasure that every Christian must possess. The reader will discover early in the book how the invention of another woman, Asherah, the mother of Baal, later coded as Babylon in Revelation 17, became Satan's greatest game changer. Who is the real Gog and Magog, the Antichrist that would occupy Israel? Why is Russia not the Gog of Magog of Ezekiel's prophecy? Understanding the sequence and purpose of the 21 plagues, the seven seals, and the sets of retributory plagues of tribulation, seven trumpets, and seven bowls of wrath. How are the unleashing of these unprecedented apocalyptic plagues linked to the two powerful prophets in Revelation 11? What will be the roles of the armies of raptured saints following King Jesus for the Armageddon war? The Great Day is a must.
