while many painters were experimenting with cubism but he had no time for trends and fashions like his art Soutine was intense demonic and fierce After the defeat of France by Hitler s Germany the East European Jewish immigrants who had made their way to France for sanctuary were no longer safe In constant fear of the French police and the German Gestapo plagued by poor health and bouts of depression Soutine was the epitome of the tortured artist Rich in period detail Stanley Meisler s Shocking Paris explores the short dramatic life of one of the most influential artists of the twentieth century
