Moer Over De Von Moer:

The Magic of Coin-Trees from Religion to Recreation Ceri Houlbrook, 2018-04-23 This book traces the history of ritual landscapes in the British Isles and the transition from religious practice to recreation by focusing on a highly understudied exemplar the coin tree These are trees imbued with magical properties into which coins have been ritually embedded This is a contemporary custom which can be traced back in the literature to the 1700s when it was practiced for folk medical and dedicatory purposes Today the custom is widespread with over 200 coin trees distributed across the British Isles but is more akin to the casual deposition of coins in a wishing well coins are deposited in the tree in exchange for wishes good luck or future fortune Ceri Houlbrook contributes to the debate on the historic relationships between religion ritual and popular magic in British contexts from 1700 to the present The Cultivator & Country Gentleman ,1868 **The Farmer's Magazine** ,1870 *Air Force and Space Digest* ,1963 **Tourist's guide to North Devon and the Exmoor district** Richard Nicholls Worth,1879 *The Surveyor & Municipal & County Engineer* ,1927 **The United Counties Miscellany; a Magazine for Somerset, Dorset, and Devon. ...** ,1849 Michigan Farmer ,1853 **Report on the Geology of Cornwall, Devon and West Somerset** Henry Thomas De La Beche,1839 *Mark Lane Express* ,1907

Gardeners' Chronicle and Agricultural Gazette ,1849 **The Carmichael Experiment** David E. Nettles, 2022-08-25 Vietnam 1971 Was he a threat to himself or the other marine pilots Lieutenant Devon Carmichael was not sure how to answer the straightforward question The experiment he had been involved in was months ago with no apparent side effects Honestly I don't think so The commanding officer stepped forward No Well while you were sick you ran a 108 degree fever The doctor didn't force me to take you to the hospital because no one knew what the hell was wrong with you Then I was told flat out to keep my nose out of your past The captain sighed and moved toward the door Your fever was sure strange By all counts you should be dead or brain damaged With the knob in his hand he turned to look at his young officer once more So

no huh Okay if you say so He pulled the door open turned and leaned against it Oh Dev a couple other things I may not have mentioned before You were seen on South Point Hill overlooking the beach and the defensive fighting positions yesterday by the military police and in the hangar walking around your plane the day before that And in both instances you simply vanished Now seeing as how I know you never left that bed for a single minute since we put you there three days ago this poor old country boy has to stop and ask himself Do you possibly have a twin The senior officer raised an eyebrow at Devon's expression of shocked surprise Son you just might want to ask yourself about that top secret stuff one more time Because personally I disagree with your answer He stepped into the hall to let Devon rethink what it had meant to be part of the Carmichael Experiment **Appendix to Report of the Commissioners** Ireland. Inland Fisheries Commission,1901
