Between desirability and reality Hiemer, Julia, 2022-08-09 Overemployment i e the preference for fewer work hours is a widespread phenomenon in western societies which may have negative consequences for individual well being and organizational functioning Previously overemployment has been defi ned from an economic perspective mainly as a time money trade off problem This work is the first to adopt a psychological and subjectivist view on overemployment Over three research projects a theory of overemployment its causes and consequences is constructed and tested In addition a multidimensional overemployment scale is developed and initially validated The three research projects include fi rst a review on overemployment conceptualizations and measurements second a Grounded Theory interview study with the aim to develop a theory on overemployment its causes and consequences and third a scale development study comprising over 1 400 participants over 4 studies The importance of overemployment for individual well being e g burnout job satisfaction as well as for organizational variables e g commitment turnover intention is shown Overemployment is found to be a multidimensional construct consisting of three dimensions length density and distribution of work time The developed

theory and scale will allow future researchers to analyze overemployment in more detail The work offers interesting insights for HR and management practitioners when it comes to creating attractive working conditions **Momo** Oliver

Brunner,2018 **Becoming a Successful Scholar** Guido Filler,Ravneet Nagra,2019-09-14 This book is a toolkit for young academic physicians and researchers to learn the behaviors and steps necessary for achieving success in academia Written by a successful academic clinician the book shares his personal experience alongside his years of successfully teaching and mentoring young medical professionals The author s main aim is to provide insightful tips and tricks that will hopefully not only motivate the reader to persevere through difficult competitive periods in his or her life but also provide him or her with a strategic behavioral plan that will solidify his or her work habits and ensure success This book begins with a chapter about why knowledge and learning should be communicated and then expands on that mindset through both general behavioral changes and those specific to the life of an academic researcher like writing articles Some key topics covered in the text include The importance of sharing knowledge and the associated public and personal benefits Taking one step at a time and planning out work into small attainable goals Developing a growth mindset The importance of collaboration and successful mentors This is an ideal guide for young academic physicians and researchers working in universities academic health sciences centers and research institutes hoping to learn how to achieve success in academia It could also prove useful to more established academics that need a refresher or a new perspective on their work and goals *Momo (Edición Ilustrada)*

/ Momo (Illustrated Edition) Michael Ende,2023-05-22 PORQUE EL TIEMPO ES VIDA Y LA VIDA RESIDE EN EL CORAZ N Momo es una ni a muy especial que posee la maravillosa cualidad de hacer sentir bien a todo aquel que la escucha Pero la llegada de los hombres grises que pretenden apoderarse del tiempo de las personas va a cambiar su vida Ella ser la nica en no dejarse enga ar por ellos y con la ayuda de la tortuga Casiopea y del Maestro Hora emprender una aventura fant stica contra estos ladrones de tiempo

ENGLISH DESCRIPTION BECAUSE TIME IS LIFE AND LIFE RESIDES IN THE HEART Momo has a special talent which she uses to help all her friends who visit her Then one day the sinister men in grey arrive and silently take over the city Only Momo has the power to resist them and with the help of Professor Hora and his strange tortoise Cassiopeia she travels beyond the boundaries of time to uncover their dark secrets *Beyond Babar* Sandra L.

Beckett,Maria Nikolajeva,2006-08-19 All too often attention is paid only to those children s novels that were written in English with non English language works being passed over and neglected Beyond Babar The European Tradition in Children s Literature examines eleven of the most celebrated European children s novels in substantial critical essays written by well known international scholars This approach provides a comprehensive discussion of the selected works from a variety of theoretical perspectives Each essay offers a critical introduction to the text that can serve as a point of departure for literary scholars professors of children s literature primary and secondary school teachers and librarians who are interested in texts that cross languages and cultures Beyond Babar is especially meant to assist instructors of children s literature who would

like to use these texts in the classroom in order to begin to redress the English language dominance of many children's literature courses. This volume will also be of interest to the general public as its ultimate aim is to bring to the attention of all English speaking readers the literature from other parts of the world in this case from Europe. *Beyond Babar* helps to facilitate the border crossings of these European masterpieces of children's literature into the English speaking world.
