come to terms with the exercise of power both internally and externally as it confronts the world Tune in to any newscast or glance at the daily newspaper and it immediately becomes clear that the use and abuse of power is a live issue The more we focus on the twists and turns of current events the more it appears that uncorrupted exercise of power eludes the human race All too often we become uneasily aware that there are powers lying behind the power that any of us wields whether it is in the family the classroom on the shop floor in the boardroom or in churches Effective missional leadership involves creative engagement with the powers at work in the world without being debased by them This book sets out to address the issue of the use and misuse of power from biblical theological and practical perspectives The authors bring their theological pastoral missionary and personal experience to their task in order to inform challenge and invite readers into a responsible use of the powers that God has put into the hands of each one of us to achieve his purposes in the world

evil are really one as a faithful response to the saving work of the Lord God Almighty through Jesus Christ's victory over Satan sin evil and death Love your enemy confronts evil with power to transform

FAITH ADRIFT CHRISTIANITY Cecil W. Stalnaker, 2022-07-27 Faith Adrift Christianity is a biblical response to a devastating form of Christianity that has gripped the heart and soul of many Christians and their churches namely that of nominal Christianity This form of Christianity is counterfeit at its best and is one of the greatest challenges facing the church today whether Protestant Catholic or Orthodox It is estimated that an alarming 75% of professing Christians are living lifeless forms of their faith Although so many identify as Christians something is strangely wrong Sadly wavering in the Christian faith is more common than not Millions of professing Christians in America and Europe are adrift spiritually and indifferent to Jesus Christ and his church This deceptive form of Christianity is not only personally detrimental to the Christian but devastating to the life of the local church Being a weak form of Christianity the church loses its saltiness and its light dims It nullifies its penetrating and powerful outreach into society If not countered Christians will continue to drift toward the sea of nominally having nothing but a token relationship with God For this reason Faith Adrift Christianity is an indispensable guide because it reveals counters and provides answers from a biblical perspective to churches regarding those who profess Christ yet live lapsed Christian lives The uniqueness of Faith Adrift Christianity is its biblical analysis as to why people manifest an aloofness regarding God Yet it does not merely cite the problems and leave the reader adrift for it offers effective means to combat this very troublesome challenge
