**Voyages of Imagination: The Star Trek Fiction Companion** Jeff Ayers, 2006-12-29 Through four decades five television series comprising over seven hundred episodes ten feature films and an animated series fandom s thirst for more Star Trek stories has been unquenchable From the earliest short story adaptations by James Blish in the 1960s followed by the first original Star Trek novels during the seventies and on throughout the eighties nineties and into the twenty first century fiction has offered an unparalleled expansion of the rich Star Trek tapestry But what is it that makes these books such a powerfully attractive creative outlet to some and a compelling way to experience the Star Trek mythos anew to others Voyages of Imagination takes a look back on the first forty years of professionally published Star Trek fiction revealing the

personalities and sensibilities of many of the novels imaginative contributors and offering an unprecedented glimpse into the creative processes the growing pains the risks the innovations the missteps and the great strides taken in the books Author Jeff Ayers has immersed himself in nearly six hundred books and interviewed more than three hundred authors and editors in order to compile this definitive guide to the history and evolution of an incomparable publishing phenomenon Fully illustrated with the covers of every book included herein Voyages of Imagination is indexed by title and author features a comprehensive timeline and is a must have for every fan **Gorkon Book Two: Honor Bound** Keith R. A.

DeCandido, 2012-08-14 When orders from General Talak force him to go against his word Captain Klag of the IKS Gorkon takes up arms against his fellow Klingons But Klag is not alone As a member of the elite Order of the Bat leth he calls upon the warriors of the Order to defend the Empire s honour in an epic clash of opposing codes of duty Harbinger David Mack, 2012-09-18 Imagine Alias combined with Star Trek and you have the idea behind for VANGUARD a new concept for Star Trek fiction that takes it in a compelling new direction presenting a new perspective on the classic Original Series era with novels running parallel to Kirk s original five year mission VANGUARD is a Starfleet space station charged with the exploration and colonization of a region of space that holds a highly coveted mysterious and potentially cataclysmic secret one that the Federation must solve before anyone else The race is on and at the centre of this intrigue is an eclectic mix of Starfleet and civilian protagonists unlike any crew previously seen in Star Trek Their turbulent lives aboard the station and on the ships they travel are painted against the backdrop of an evolving storyline that will gain momentum as the series progresses and the layers of ancient mystery are steadily peeled back one after another
