PBS Nova: Life's Greatest Miracle Movie Worksheet

Please answer the following questions as you watch. This sheet will be collected at the end of the movie for a class grade.

What is DNA "very good" at? making copies of itself

What risk is there for a species that only reproduces by cloning? everyone would have the exact same immune system, and one successful parasite could wipe us all out.

How many sperm are produced by the average human male? a thousand new sperm every second. That's about a hundred million new sperm every day and more than two trillion over a lifetime.

How many chromosomes come from each parent? Exactly half of those, 23, came from your mom, and 23 came from your dad

What happens to the genes when two chromosomes "embrace"? They cling so closely, big chunks carrying whole bunches of genes get exchanged between the partners

What is the advantage of diversity within a species? Higher chances of survival of a new generation.

When does a human female produce her eggs? in the fetus

What do the support cells do with the egg? tend to the egg, feeding it until it grows fat. Oozes out of the ovary with egg

Inside the fallopian tube, how long does the egg have to get fertilized? What happens if it doesn't?
With a few hours it will die

What are some changes that happen in the body when "love is in the air"? body temp rises, skin sweats, heartbeat and breathing get faster, hormones cue blood vessels to relax in man allowing penis to fill with blood

What is the immediate danger which confronts sperm in the vagina? Acidity

What are some ways the women's body helps control the success of the sperm? in the cervix, the mucous becomes watery and forms tiny channels that guide the sperm, uterine muscle contractions propel the sperm into fallopian tube, cilia in fallopian tubes release chemical that alter the sperm's outer coating.

What does the sperm need in order to be allowed through the egg's zona? Proteins protruding from sperm's head must hook up precisely with a set of proteins on the egg's surface

What percent of fertilized eggs fail to develop? 50%

What is happening as the fertilized egg moves down the fallopian tube toward the uterus? Every few hours it divides

A Simple Guide to Experience Miracles J. P. Moreland, 2021-11-16 Does God Still Do Miracles Today A Simple Guide to Experience Miracles will give you confidence in and awareness of the supernatural realm as you learn how to flourish spiritually by experiencing more miraculous interventions in your life and ministry Internationally renowned philosopher J. P. Moreland looks at the nature of miracles and explains why bearing and receiving credible testimony to God's miraculous acts is a crucial feature of a mature Jesus follower He also shows how to distinguish a real miracle from a mere coincidence Miracles bring comfort to believers strengthening faith in God and creating boldness in our lives While miraculous healings have occurred frequently throughout church history Moreland provides data showing how the last fifty years have seen a massive outbreak of miracles and supernatural activity Today he argues the church should humbly expect to see more of these miraculous works of God than we do Moreland looks at topics like The relationship between sickness and suffering along with two different ways to pray for healing How to discern clearly the difference between a genuine miracle and a mere coincidence How to increase your faith that petitionary prayer really works and what to make of unanswered prayer Six ways God speaks to us and advice for hearing God wisely and biblically The role angels play in our lives how they appear to us and how to combat demonic influence The biblical basis for most Near Death Experiences and what we can learn from them A Simple Guide to Experience Miracles increases your expectation and hope that God can and often does miraculously intervene to bring help and comfort Moreland shows that it makes rational sense to step out and engage in employing Kingdom power and to strengthen courage to witness and act on behalf of the gospel of Jesus Filled with inspiring credible motivating accounts of miracles he covers five different kinds of supernatural activities and provides practical wisdom about how to begin practices such as healing prayer and learning to deal with the demonic
