Miracles and the Modern Mind Norman L. Geisler, 2004-06-21 That miracles exist is an important part of the Christian tradition yet a brief survey of modern thought reveals a marked prejudice against this notion Here Geisler shows how the laws of logic and science speak to the reasonableness of miracles A dispassionate look at the facts and arguments demands that doubters question their own naturalistic assumptions Geisler also describes signs wonders and power contrasting what the Bible means by a miracle with bizarre stories of saints faith healers and occultists A continuation of his work begun in Miracles and Modern Thought Miracles and the Modern Mind includes extensive revisions and additions The Big Book of Christian Apologetics Norman L. Geisler, 2012-11-01 The Big Book of Christian Apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith Examining nearly every key issue person and concept related to Christian apologetics this book clarifies difficult biblical passages clearly explains various philosophical systems and concepts examines contemporary issues and challenges and offers classic apologetic arguments all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics An expertly abridged version of the Baker Encyclopedia on Christian Apologetics this resource brings leading apologist Norman L Geisler s seminal work to the masses **DEFENDING EVANGELICALISM** William C. Roach, 2020-11-15 This book is an important part of the historical record of Dr Norman L Geisler It displays Geisler s intellectual gifts and devotion to the Lordship of Christ in his defense of Christianity and classic evangelicalism This book written by one of Geisler s long time and trusted assistants will be of importance to those who want a first hand interpretation of Geisler and the significance of Geisler s method for present day evangelicalism It provides a clear assessment of the impact of Geisler s embrace of classical realism classical theism the doctrine of inerrancy in the context of twentieth century evangelical theology while providing a way forward to apply Geisler s method in the twenty first century **Christian Apologetics** Douglas Groothuis, 2022-02-08 The Christian faith offers people hope But how can we know that Christianity is true How can Christians confidently present their beliefs in the face of doubts and competing views In this second edition of a landmark apologetics text Douglas Groothuis makes a clear and rigorous case for Christian theism addressing the most common questions and objections raised regarding Christianity **The Case for the Resurrection of Jesus** Gary R. Habermas, Michael R. Licona, Kregel Publications, A phenomenal resource that is both user friendly and up to date and will equip believers to defend this crucial issue Josh McDowell Includes an interactive CD in a game show format to test your memory of the key issues and concepts **I Am Put Here for the Defense of the Gospel** Terry L. Miethe, 2016-04-19 Dr Norman L Geisler has been called the father of evangelical Christian philosophy He has written more than one hundred books and taught at universities and top seminaries for some fifty six years He was the first president of the Evangelical Philosophical Society and the founder and first president of the International Society of Christian Apologetics He has spoken

or debated in more than two dozen countries and held pastoral pulpit ministries in four states Many view him as a cross between Thomas Aquinas and Billy Graham No one has done more to communicate the modern challenges of the Faith to the average Christian to the church and to the academy This volume offers creative and constructive essays from twenty three contributors all notable in their own right who preserve and propagate Dr Geisler s ideas and express appreciation for his influence Those who know him best say he is true faithful and blessed by God

**The Comprehensive Guide to Science and Faith** William A. Dembski, Casey Luskin, Joseph M. Holden, 2021-10-05 Science and Faith Can and Do Support Each Other Science and Christianity are often presented as opposites when in fact the order of the universe and the complexity of life powerfully testify to intelligent design With this comprehensive resource that includes the latest research you ll witness how the findings of scientists provide compelling reasons to acknowledge the mind and presence of a creator Featuring more than 45 entries by top caliber experts you ll better understand how scientific concepts like intelligent design are supported by evidence the scientific findings that support the history and accounts found in the Bible the biases that lead to scientific information being presented as a challenge rather than a complement to Christianity Whether you re looking for answers to your own questions or seeking to explain the case for intelligent design to others The Comprehensive Guide to Science and Faith is an invaluable apologetic tool that will help you explore and analyze the relevant facts research and theories in light of biblical truth

**Resurrection Remembered** David Graieg, 2024-03-26 This book is the first major study to investigate Jesus resurrection using a memory approach It develops the logic for and the methodology of a memory approach including that there were about two decades between the events surrounding Jesus resurrection and the recording of those events in First Corinthians The memory of those events was frequently rehearsed perhaps weekly The transmission of the oral tradition occurred in various ways including the overlooked fourth model formal uncontrolled Consideration is given to an examination of the philosophy and psychology of memory including past and new research on 1 the constructive nature of memory 2 social memory 3 transience 4 memory distortion 5 false memories 6 the social contagion of memory and 7 flashbulb memory In addition this is the first New Testament study to consider the insights for a memory approach from the philosophical considerations of 1 forgetting and 2 the theories of remembering and from the psychological studies on 1 memory conformity 2 memory and age and 3 the effects of health on memory It is argued that Paul remembers Jesus as having been resurrected with a transformed physical body Furthermore the centrality of Jesus resurrection in Paul s theology suggests it was a deeply embedded memory of primary importance to the social identity of the early Christian communities New Testament scholars and students will want to take note of how this work advances the discussion in historical Jesus studies The broader Christian audience will also find the apologetic implications of interest

**Conversational Evangelism** David Geisler, Norman Geisler, 2014-10-01 Witnessing used to involve laying out the truth and guiding a person to understand and accept it But the awareness of basic Christian principles has changed and so have the needs of pre believers With a

passion for people authors David and Norman Geisler share an engaging conversational approach to evangelism as they address What makes old models of witnessing ineffective in today s culture Why evangelism must start with relational pre evangelism How to ask questions listen attentively and understand what someone believes Ways to identify the real barriers to belief in order to build a bridge to truth How to keep dialogue going with different personality types This refreshing practical resource is ideal for churches and individuals Readers will discover how God uses their everyday encounters for great things when they switch from trying to witness effectively to effectively being a witness through communication and compassion

**On the Resurrection, Volume 2** Gary Habermas,2024-09-15 In On the Resurrection Volume 2 Refutations Gary Habermas offers detailed analyses and rebuttals of the alternate theories surrounding Jesus s resurrection This is the second volume of four in his magnum opus On the Resurrection

**Conversational Evangelism** Norman L. Geisler,David Geisler,2009 Witnessing used to involve laying out the truth and guiding a person to understand and accept it But the awareness of basic Christian principles has changed and so have the needs of pre believers With a passion for people authors David and Norman Geisler share an engaging conversational approach to evangelism as they address What makes old models of witnessing ineffective in today s culture Why evangelism must start with relational pre evangelism How to ask questions listen attentively and understand what someone believes Ways to identify the real barriers to belief in order to build a bridge to truth How to keep dialogue going with different personality types This refreshing practical resource is ideal for churches and individuals Readers will discover how God uses their everyday encounters for great things when they switch from trying to witness effectively to effectively being a witness through communication and compassion

*The Love of Wisdom* Steven B. Cowan,James Spiegel,2009-04-01 This Christian based introduction to philosophy textbook is all the more appealing to its student audience for including humor and popular culture illustrations to teach important concepts

**Developing a Christian Apologetics Educational Program** Douglas E. Potter,2010-02-18 Many are expressing concern about the future of Christian youth today What can we do to help ensure they will keep their evangelical faith once they graduate from high school Can Christian apologetics provide an educational solution Developing A Christian Apologetics Educational Program explores issues certain to be encountered by secondary school educators who want to teach apologetics as a distinct subject of study either as a part of a Christian institutional or home school curriculum This book helps the apologist and educator blend their skills to soundly integrate the two subjects A solution is sought by providing a background and rational for implementing an age level appropriate apologetics course at this critical level of Christian education This book is designed as a text to supplement those used in Christian education or applied apologetics courses each chapter successively builds upon the other to help develop an educational philosophy that supports the inclusion of apologetics in the curriculum A model is explained and materials are given to support the development of a curriculum in Christian Apologetics Education at the secondary level Practical ideas are explored and a sample unit of instruction is supplied to help the educator develop an

evangelical approach to education that is in the classical apologetic tradition      *On the Resurrection, Volume 1* Gary Habermas, 2024-01-15 The first volume of Gary Habermas's magnum opus *On the Resurrection Evidences* represents the culmination of fifty years of research on the probability of Jesus's resurrection Using his minimal facts argument Habermas demonstrates why we ought to trust the biblical and historical testimony of Scripture regarding the resurrection This book is a must read for pastors students and scholars interested in the historical evidence for the resurrection of Jesus Christ      **A Middle Way to God** Garth L. Hallett, 2000-05-25 Charting a middle way between the extremes represented by Alvin Plantinga and Richard Swinburne Garth Hallett explores the thesis that if belief in other minds is rational and true as it surely is so too is belief in God He makes a strong case that when this parity claim is appropriately restricted to a single sound other minds belief belief in God and belief in other minds do prove epistemically comparable This result and the distinctive path that leads to it will interest students and scholars in philosophy of religion and theology      **Reformed Systematic Theology, Volume 3** Joel Beeke, Paul M. Smalley, 2021-12-01 Here is catechesis at its best instructing the student of theology providing pastors with a sermon enriching manual and giving growing Christians a resource book that will both inform and nourish them as well as provide endless theological enjoyment Sinclair B Ferguson Chancellor's Professor of Systematic Theology Reformed Theological Seminary Teaching Fellow Ligonier Ministries The aim of systematic theology is to engage not only the head but also the heart and hands Only recently has the church compartmentalized these aspects of life separating the academic discipline of theology from the spiritual disciplines of faith and obedience This multivolume work brings together rigorous historical and theological scholarship with spiritual disciplines and practical insights characterized by a simple accessible comprehensive Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley unpack the work and role of the Holy Spirit Pneumatology and salvation soteriology The authors examine the Holy Spirit's role in the history of salvation the order of salvation and the believers experience of salvation As readers consider the interrelationship between the Spirit and salvation they are invited to explore the direct activity of the Lord in their lives for their salvation      **A Christian Apologetic For Christian Apologists** Lance Waldie, 2013-01-09 The Christian faith is based on historical truths that if properly understood can be defended as truth and not wishful thinking In a day and age where it is said that truth does not exist or that truth is whatever people believe it is Christians must stand up and present the truth of Jesus Christ in a loving and clear way We are to be prepared at all times to defend our faith why we believe that Jesus is the Christ the Son of God This book lays out the traditional arguments for the existence of God proves that there must be only one God for anything to exist that does exist and then it demonstrates that the only God is Jesus Christ Moreover the Bible is shown to be reliable and believable for it is the logical avenue through which God if He exists would communicate with His people      **The Cradle, the Cross, and the Crown** Andreas J. Köstenberger, L. Scott Kellum, Charles L. Quarles, 2016-08-15 *The Cradle the Cross and the Crown* guides serious New Testament students through

the historical literary and theological dimensions of the biblical text allowing them to better understand and share God's word of truth 2 Tim 2:15 It offers a thorough introduction to all twenty-seven books of the New Testament and closely examines events such as Christ's incarnation and virgin birth his crucifixion and resurrection and triumphant return The second edition features updated bibliographies and footnotes interpretation sections that cover different literary genres in the New Testament an epilogue that canvasses the entire storyline of Scripture and a variety of maps All of these new features contribute to making this a life-long resource for students of Scripture

*Astrology and Psychic Phenomena* Andre Koe, Terry Holley, 2016-09-06 Astrology Tarot cards Ouija boards spiritism psychic healing palm reading and old-fashioned fortune telling now called psychic consulting all these are popular in America today Psychic hotlines are heavily represented on television with testimonials to their amazing ability to give people accurate details about their past and predictions about their future Are psychics indeed gifted with supernatural powers Andre Koe and Terry Holley show convincingly how the success of these and other paranormal phenomena depends on deceit and slight of hand rather than on genuine supernatural powers This is an age when countless groups and movements new and old mark the religious landscape in our culture As a result many people are confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully the Zondervan Guide to Cults and Religious Movements series provides essential information and insights for their spiritual journeys The second wave of books in this series addresses a broad range of spiritual beliefs from non-Trinitarian Christian sects to witchcraft and neo-paganism to classic non-Christian religions such as Buddhism and Hinduism All books but the summary volume Truth and Error contain five sections A concise introduction to the group being surveyed An overview of the group's theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group Truth and Error the last book in the series consists of parallel doctrinal charts compiled from all the other volumes Three distinctives make this series especially useful to readers Information is carefully distilled to bring out truly essential points rather than requiring readers to sift their way through a sea of secondary details Information is presented in a clear easy-to-follow outline form with menu-bar running heads This format greatly assists the reader in quickly locating topics and details of interest Each book meets the needs and skill levels of both nontechnical and technical readers providing an elementary level of refutation and progressing to a more advanced level using arguments based on the biblical text The writers of these volumes are well qualified to present clear and reliable information and help readers to discern truth from falsehood

**Seeing the Light** Michael J. Eckstein, John S. Knox, 2023-03-27 For every human on earth the clock is ticking towards their inevitable death Whether one lives to the oldest of ages expiring quietly or death comes suddenly with a slip on the ice or in any other of the myriad of ways people die the end of biological life is the outcome for everyone For the Christian however there is the expectation of continuation beyond

this fleeting life on earth Naturalists have no such optimism and can only hope that their time on earth is a pleasant one Because Christians have a divine assurance they want to share that hope with others Still theological questions remain Can near death experiences help lead those far from Christ to him Can they be added to the repertoire of apologetic arguments for Christianity This book examines the truth surrounding near death experiences how they have been seen in human culture what the scientific community is learning about those who have near death experiences and how near death experiences can be used or not used in your evangelistic encounters
