Nice Why Hope Stand Against Civilization:

Why Hope? John Zerzan, 2015 Controversial green anarchist John Zerzan's latest blast against technology complete with an introduction by Lang Gore The Journal of Race Development, 1917 *Congressional Record* United States. Congress, 2002 **The Journal of International Relations** George Hubbard Blakeslee, Granville Stanley Hall, Harry Elmer Barnes, 1917 **America-The Last Best Hope Volumes I and II** William J. Bennett, 2007-10-14 William J Bennett reacquaints America with its heritage in two volumes of America The Last Best Hope While national test scores reveal that American students know startlingly little about their history former U S Education Secretary William J Bennett offers one of the most gripping and memorable versions of the American story in print The two volumes of Bennett's New York Times bestselling epic America The Last Best Hope cover Columbus's discovery of the New World in the fifteenth century to the fall of world communism in the twentieth Now both volumes are available in a convenient and attractive slip case complete with a bonus audio CD Remembering Ronald Reagan featuring recollections and commentary by Jeane Kirkpatrick Edwin Meese and others Bill Bennett brings American history to life with stories such as the coup d'etat quelled by a pair of reading glasses the U S senator nearly caned to death on the Senate floor the presidential pardon for hundreds of Sioux warriors one ex president's race to finish his memoirs and the famous humorist who helped him when Time magazine named Hitler man of the year Eisenhower's bold actions documenting the horrors of the Holocaust Nixon's comic opera uniforms for White House guards Reagan's most famous example of just saying No From heroism of the Revolution to the dire hours of the Civil War from the progressive reforms of the early 1900s to the civil rights reforms of the 1960s from the high drama of the Space Race to the gut wrenching tension of the Cold War Bennett slices through the cobwebs of time memory and prevailing cynicism to reinvigorate America with an informed patriotism Praise for America The Last Best Hope This is the American history that Abraham Lincoln has long awaited Harry V Jaffa Crisis of the House Divided Bennett has a gift for choosing the pithy revealing anecdote and for providing fresh character sketches and critical analyses of the leading figures This is an American history that adults will find refreshing and enlightening and that younger readers will find a darn good read Michael Barone US News World Report A worthy and necessary book for our time Michael J Lewis Commentary Bennett has a strong sense of narrative a flair for anecdote and a lively style And the American story really is a remarkable one filled with its share of brilliant leaders and tragic mistakes Bennett brings that story to life Alan Wolfe The Washington Post The role of history is to inform inspire and sometimes provoke us which is why Bill Bennett's wonderfully readable book is so important He puts our nation's triumphs along with its lapses into the context of a narrative about the progress of freedom Every now and then it's useful to be reminded that we are a fortunate people blessed with generations of leaders who repeatedly renewed the meaning of America Walter Isaacson Benjamin Franklin An American Life The importance of America The Last Best Hope probably exceeds anything Dr Bennett has ever written and it is more elegantly crafted and eminently readable

than any comprehensive work of history I've read in a very long time. It's silly to compare great works of history to great novels, but this book truly is a page-turner. The current events and those in the future do not signify the end of the world nor are they a punishment from God. They do, however, represent the end of time. Most importantly, they symbolize the end of the world as we know and understand it. This book provides a message of hope for the dramatic period of darkness that is upon us and a view into the future as New Terra ascends into the 5 Dimension. It depicts a vision of a world where heaven on earth is a reality. These cycles of time have been announced for centuries in Revelations of the Bible, the Mayan Calendar, and in the oral traditions of most known cultures. While history repeats itself, this is the last age of illusion, which means our evolution into a new level of humanity.
