Nice Girls Dont Get Raped

Alan D. DeSantis

Nice Girls Dont Get Raped:

Understanding Sexual Violence Diana Scully,2013-10-18 *Understanding Sexual Violence* examines the structural supports for rape in sexually violent cultures and dispels a number of myths about sexual violence for example that childhood abuse alcohol and drugs are direct causes of rape **Juvenile Rape Victims** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Juvenile Justice,1985 *Deviance* Leon Anderson,2017-08-22 *Deviance Social Constructions and Blurred Boundaries* draws on up to date scholarship across a wide spectrum of deviance categories providing a symbolic interactionist analysis of the deviance process The book addresses positivistic theories of deviant behavior within a description of the deviance process that encompasses the work of deviance claims makers rule breakers and social control agents Students are introduced to the sociology of deviance learn to analyze several kinds of criminal deviance that involve unwilling victims such as murder rape street level property crime and white collar crime learn to examine several categories of lifestyle and status deviance develop skills for critical analysis of criminal justice and social policies Overall students gain an understanding of the sociology of deviance through cross cultural comparisons historical overview of deviance in the U S and up close analysis of the lived experience of those who are labeled deviant as well as responses to them in the U S today Instructor Resources are available to easily help with lecture and exam preparation

Symbolic Interaction Larry T. Reynolds,Nancy J. Herman,1994-01-01 This reader shows the rich history and wide contemporary application of symbolic interaction theory **Printout of Literature Search on Rape** National Clearinghouse for Mental Health Information (U.S.),1979 Inside Greek U. Alan D. DeSantis,2007-10-12 This study examines the potentially damaging influence of fraternities and sororities and how a new approach could transform Greek life Popular films such as *Revenge of the Nerds* and *Old School* portray college Greek organizations as a training ground for malevolent young aristocrats yet they fail to depict the enduring influence of these organizations *Inside Greek U* provides an in depth analysis of how fraternities and sororities bolster damaging definitions of gender and sexuality negatively impacting the lives of their members Using evidence gathered in hundreds of focus groups and personal interviews as well as his years of experience as a faculty advisor to Greek organizations Alan D DeSantis examines the limited gender roles available to Greeks real men are unemotional sexually promiscuous and violent nice girls are nurturing domestic and pure These rigid formulations often lead to destructive attitudes and behaviors such as eating disorders date rape sexual misconduct and homophobia They also impede students intellectual and emotional development long after graduation While many students choose Greek life in search of positive social engagement the current culture can be profoundly damaging *Inside Greek U* demonstrates how with a new approach fraternities and sororities could serve as an enriching influence on individuals and campus life Ending Violence Against Women Francine Pickup,Suzanne Williams,Caroline Sweetman,2001 8 Challenging the state **Male Violence** John Archer,2022-11-30 First published in 1994 *Male Violence* examines male violence as the

major source of human suffering from a wide range of perspectives This book contains accessible contributions from a wide range of psychologists who have studied the many faces of male violence in childhood and adulthood on the street and in the home towards men women and children and in its sexual and non sexual forms These varied topics together with an emphasis on naturalistic rather than laboratory based investigations distinguish these researchers from those aiming to make generalizations about human aggression without considering the issues of sex and gender In doing so Male Violence raises fundamental questions about values which are accepted and unchallenged by the majority of people living in the modern world This book will be of interest to students of psychology sociology and gender studies *Investigating Rape* Ian Blair,2024-03-01 First published in 1985 Investigating Rape examines practices related with rape in four United States police departments and suggests what lessons the British police service might draw from them The author urges greater recognition of the emotional trauma suffered by rape victims and the effects of that trauma on the relationship between victims and investigators He recommends changes in police procedure including new approaches in interviewing style and changes in training and in liaison with agencies who provide help to victims This book will be of interest to any police official as well as to students of law and criminology **Emergency Psychiatry** Ellen L. Bassuk,2012-12-06 This eagerly awaited volume occupies an important place in the series Critical Issues in Psychiatry Most mental health professionals are quite at home with ordinary day to day crises of clinical practice but relatively unprepared for the true psychiatric emergency Such emergencies are too infrequent for most of us to experience a real sense of competence On the other hand emergency room psychiatrists as well as residents and other trainees have long wished for a truly comprehensive textbook that would cover the spectrum of emergency psychiatry This book is just such a definitive and comprehensive volume for the specialist while at the same time a clear succinct and comprehensive reference for the clinician of emergency care The authors consistently present a systematic model emphasizing the interconnection between the process of emergency intervention and the specific features of clinical crisis They are true to the principle that one s system of care should be built on priorities It is immediately apparent that these are highly experienced clinicians as well as teachers It is difficult to imagine a clinical situation that is not addressed by this book It includes chapters on triage assessment and treatment planning emergencies associated with all the various psychopathologies age groups from childhood to old age the emergency management of violent and suicidal patients as well as rape and disaster victims emergencies secondary to substance abuse and prescribed medications psychotherapeutic and psychopharmacologic intervention as well as the relevant legal social and community issues in emergency care Criminology John Muncie,2006 Phenomenology and Treatment of Psychiatric Emergencies B.S. Comstock,W.E. Fann,A.D. Pokorny,Robert L. Williams,2012-12-06 psychiatric treatment approaches there are opportunities for trial and error exploration and reconsideration revision of treatment approach and correction of errors Revisions and corrections are based on observations of progress and on response from patients about the impact of treatment efforts But

emergency interventions usually are one time efforts involving a sequence of evaluation therapeutic intervention and referral out Response is limited or absent and there are no opportunities for corrections over time Therefore interventions and referrals must be made on the basis of first evaluations with positive conviction related to current best effort and despite the lack of guidance derived from tracking the patient s progress over time The staff must tolerate the risk taking required and must also be prepared to forego the gratification of seeing the beneficial results of the work done Even in pro grams structured to allow return visits and despite the occasional information provided by other agencies after referrals the majority of patients are lost to follow up The usefulness of specific interventions is hard to evaluate and the satisfaction of seeing a task completed is rarely available The emergency program staff must tolerate a considerable amount of stress in the environment Emergency care centers are collection points for an extraordinary volume of human suffering The anxieties and strains asso ciated with persistent urgency of need alarm related to unexpected difficul ties fearfulness about outcome closeness of death and presence of pain pervade the atmosphere

On Crime, Society, and Responsibility in the Work of Nicola Lacey Iyiola Solanke, 2021 Few contemporary scholars have done more in their work to develop the idea of responsibility than Nicola Lacey She ranks alongside thinkers and writers such as HLA Hart and Antony Honor in developing approaches to understanding responsibility Like these authors the influence of her work has spread beyond academia to change the perception of responsibility amongst practitioners Both Hart and Honor have during their lifetime had volumes dedicated to their work This book does the same for Nicola Lacey marking her ongoing influence and accomplishments in the common law world through a collection of essays by leading international scholars reflecting and interrogating her contribution to understanding criminal responsibility Additionally the book aims to promote the best legal scholarship on responsibility in the common law world and inspire the brightest legal scholars through a collection of essays designed to mark Professor Lacey s ongoing contribution to the understanding of criminal responsibility The role of Professor Lacey s work in this area as well as others cannot be overlooked her scholarship includes not only a prize winning biography of HLA Hart himself but numerous articles and tomes on the subject culminating with her most recent work *In Search of Criminal Responsibility Ideas Interests and Institutions* OUP 2016 This Festschrift one of few common law publications to pay homage to the erudition of a female jurist can be seen as a continuation of the themes in this book via reflection and interrogation of her work by leading scholars on the topic The Festschrift will therefore not only be a celebration of her work but also an attempt to take forward intellectual engagement with the topic of responsibility by continued engagement with her ideas Each author brings new ideas to bear on her work touching upon important aspects of responsibility that are current in the scholarship categorization frameworks for understanding criminal responsibility and the relationships between them women in criminal law the history of criminal law blameworthiness and ascriptions of responsibility moral responsibility the role of politics and political economy Nicola Lacey is a School Professor of Law Gender and Social Policy From 1998 to 2010 she

held a Chair in Criminal Law and Legal Theory at the LSE she returned to the LSE in 2013 after spending three years as Senior Research Fellow at All Souls College and Professor of Criminal Law and Legal Theory at the University of Oxford She has held a number of visiting appointments most recently at Harvard Law School and the Australian National University She is an Honorary Fellow of New College Oxford and University College Oxford and a Fellow of the British Academy In 2011 she was awarded the Hans Sigrist Prize by the University of Bern for outstanding scholarship on the function of the rule of law in late modern societies and in 2018 an Honorary Doctorate by the University of Edinburgh In 2017 she was awarded a CBE for services to Law Justice and Gender Politics

Criminology Anthony Walsh, Cody Jorgensen, 2019-12-10 Anthony Walsh and Cody Jorgensen's *Criminology The Essentials* introduces students to major theoretical perspectives and topics in a concise easy to read format This straightforward overview of key subject areas in criminology thoroughly covers the most up to date advances in theory and research while challenging students to consider the applications of these theories and their policy implications The Fourth Edition includes new topics events and developments in criminology

Film, Philosophy and Religion William H. U. Anderson, 2022-01-04 Hollywood is a 40 billion annual business one that is highly influential in culture If we want to know who we are as individuals and a society what we believe and what we value we need to know and understand Hollywood and film Make no mistake Hollywood is neither philosophically politically nor morally neutral Many studies demonstrate how movies affect us long before we have thought it through In other words Hollywood smuggles all kinds of ideas into our minds and hearts without us even knowing it While Hollywood may be the biggest and most influential in the world this book will demonstrate the growing international influence of film from India Bollywood Nigeria Nollywood Zimbabwe Zollywood and Yesil am Turkey Film Philosophy and Religion explicitly and implicitly takes a philosophical approach to analyzing film theoretically and methodologically There are topic and film specific chapters that take a theological approach and others that explore ideas like Affect Axiology Art Reflecting the Artist and Transcendence Spirituality of Film Hermeneutics also have a central role in the book including films based on biblical texts that act as interpretations of these texts and fill in the blanks albeit speculatively by way of script and directors Chapters also explore the philosophy of aesthetics and film realism which end with theology while other chapters explore the incompatibility of science with religion as well as a chapter on the timely topic of rape in Turkish film The book's scope goes from the Horror of Evil in Ridley Scott's *Alien* Universe to Love Can Thaw a Frozen Heart The Philosophy of Love in the Frozen Films Disney Princess Narratives This book represents international films and scholars The diverse perspectives from theist to atheist and everything in between are sure to spark thinking and generate talking points that provide something for everyone in an accessible format It will be of great interest to university students and professors scholars seminars and the general public

Mental Health Systems Act United States. Congress. House. Committee on Interstate and Foreign Commerce. Subcommittee on Health and the Environment, 1979

The American Jury On Trial Saul M. Kassin, Lawrence S.

Wrightsmann, 2013-10-08 First Published in 1988 More than 3 million Americans are called for jury duty every year For most people serving on a jury arouses two feelings it is both a personal sacrifice and an exciting experience And where a jury is asked to decide some cases they make headlines As a result of trials such as these the American system of trial by jury faces unprecedented challenges This volume offers an informed examination of the entire process from jury selection to the delivery of a verdict Quoting the experiences and expertise of F Lee Bailey William Kunstler Clarence Darrow Learned Hand and many others this book investigates such important factors as pretrial bias the psychology of evidence inadmissible testimony interpreting the law and what goes on inside the jury room People often think that any book dealing with the law must be written in legalese but in this book Professors Kassir and Wrightsmann present their case in an exceptionally readable style They utilize modern advances in psychology to illuminate the usually hidden world of trial practice and procedure and offer thoughtful possibilities for improving the system

Masculinities, Sexualities and Child Sexual Abuse Anne Cossins, 2021-08-04 Why is child sexual abuse committed primarily by men and male adolescents unlike other forms of child abuse Is child sex offending rather than being a deviant masculine sexual practice related to normative masculine practices that is practices structured on dynamic and changing relations of power Using a practice based sociological approach the relationship between masculinities sexualities and child sexual abuse is analysed and the power powerlessness theory is developed to explain the predominantly male problem of child sex offending The theory postulates that because the social construction of masculinities involves the construction of dynamic and changing relations of power between men men's lives are characterised by a combination of power and powerlessness The book argues that an offender's experiences of powerlessness as a result of his relationships with other men is the key to understanding child sex offending since sexuality is a key social practice for the alleviation of experiences of powerlessness and for establishing relations of power with other men In particular the theory argues that a man's particular attachment to the link between sexuality and experiences of masculinity and power will be a key factor for determining how he does sex and whom he chooses as a sexual partner In the final chapter the theory is tested through a re analysis of offender interviews

Ordinary Violence Mary White Stewart, 2014-01-27 Addresses the many forms of global violence against women and shows how the psychology of individuals institutions and societies perpetuate the oppression of women In this eye opening study the author asserts that institutionalized definitions of masculinity and femininity along with the social and economic inequality among the sexes help perpetuate the daily and deadly violence against women all across the world This second edition of a classic work examines the latest discussions on gender relations including the current debate over whether prostitution and pornography should be deemed inherently violent and the role of western countries in the global response to violence against women
