

Night Study Guide Answers

1. Who was Moshe the Beadle?

Moshe was the caretaker at the Hasidic synagogue.

2. What does Wiesel tell the reader of Moshe?

He was poor and lived humbly. He was physically awkward and a dreamer who could appear to be so insignificant as to almost disappear.

3. How does Wiesel describe himself as a boy of 12?

He was a serious student of religion who studied the Talmud during the day and prayed at night.

4. How does Wiesel describe his father?

He was a man of learning and culture who was highly regarded by the Jewish community.

5. Why did Elie's father prohibit him from studying the Cabala?

He felt that Elie was too young and should first learn basic subjects.

6. How did Wiesel realize his wish to study the Cabala?

He began studying with Moshe the Beadle. The two would talk and read for long hours over the mystical texts.

7. What happened to Moshe?

He was expelled from the village of Sighet because he was a foreign Jew.

8. Several months later, Elie saw Moshe the Beadle again. What story did Moshe tell?

T-2

The train carrying Moshe and the other deportees traveled to Poland where the Gestapo took charge. The Jews were forced from the train and taken to a nearby forest, where they dug huge graves. The Jews stepped up to the graves they had just dug and were then slaughtered by the Gestapo.

9. How was Moshe able to escape?

He was wounded in the leg and pretended he was dead. Later, he was able to escape.

10. How had Moshe changed as a result of his experience?

He no longer had any joy in his eyes and no longer sang. He would not talk of the Cabala any more, but only of what he had seen.

11. How did other people in the village react to Moshe's story? Why do you suppose they reacted this way?

No one believed his story; some refused even to listen to him.

They refused to believe it was true because it was too frightening to comprehend. They also felt that bad things happen only to other people.

12. In the spring of 1944, what political changes occurred in Hungary?

$$\text{Number Right} - \frac{\text{Number Wrong}}{4} = \text{Raw Score}$$
 round to the nearest whole number Note Do not include unanswered questions in the formula SCORING THE FREE RESPONSE QUESTIONS For the free response section use this formula to calculate your raw score
$$5 \times \text{Open Ended Questions} + 1 \times \text{Investigative Task Question} = \text{Raw Score}$$
 THE COMPOSITE SCORE To obtain your composite score use the following method
$$\frac{\text{Multiple Choice Raw Score} + \text{Free Response Raw Score}}{2} = \text{Raw Score}$$
 AP grades are interpreted as follows 5 extremely well qualified 4 well qualified 3 qualified 2 possibly qualified and 1 no recommendation SCORES THAT RECEIVE COLLEGE CREDIT AND OR ADVANCED PLACEMENT Most colleges grant students who earn at least a 3 college credit and or advanced placement You should check with your school guidance office about specific college requirements STUDYING FOR YOUR AP EXAMINATION It is never too early to start studying The earlier you begin the more time you will have to sharpen your skills Do not procrastinate Cramming is not an effective way to study since it does not allow you the time needed to learn the test material It is very important for you to choose the time and

place for studying that works best for you Some students may set aside a certain number of hours every morning to study while others may choose to study at night before going to sleep Other students may study during the day while waiting on a line or even while eating lunch Only you can determine when and where your study time will be most effective But be consistent and use your time wisely Work out a study routine and stick to it When you take the practice exam s try to make your testing conditions as much like the actual test as possible Turn your television and radio off and sit down at a quiet table free from distraction Make sure to time yourself Complete the practice test s score your test s and thoroughly review the explanations for the questions you answered incorrectly However do not review too much during any one sitting Concentrate on one problem area at a time by reviewing the question and explanation and by studying our review s until you are confident that you completely understand the material Since you will be allowed to write in your test booklet during the actual exam you may want to write in the margins and spaces of this book when practicing However do not make miscellaneous notes on your answer sheet Mark your answers clearly and make sure the answer you have chosen corresponds to the question you are answering Keep track of your scores This will enable you to gauge your progress and discover general weaknesses in particular sections You should carefully study the reviews that cover the topics causing you difficulty as this will build your skills in those areas To get the most out of your studying time we recommend that you follow the Study Schedule It details how you can best budget your time

TEST TAKING TIPS Although you may be unfamiliar with tests such as the Advanced Placement exams there are many ways to acquaint yourself with this type of examination and help alleviate your test taking anxieties Listed below are ways to help yourself become accustomed to the AP exam some of which may also be applied to other standardized tests Become comfortable with the format of the AP Examination in Statistics When you are practicing to take the exam s simulate the conditions under which you will be taking the actual test s You should practice under the same time constraints as well Stay calm and pace yourself After simulating the test only a couple of times you will boost your chances of doing well and you will be able to sit down for the actual test much more confidently Know the directions and format for each section of the exam Familiarizing yourself with the directions and format of the different test sections will not only save you time but will also ensure that you are familiar enough with the AP exam to avoid anxiety and the mistakes caused by being anxious Work on the easier questions first If you find yourself working too long on one question make a mark next to it in your test booklet and continue After you have answered all of the questions that you can go back to the ones you have skipped Use the process of elimination when you are unsure of an answer If you can eliminate three of the answer choices you have given yourself a fifty fifty chance of getting the item correct since there will only be two choices left from which to make a guess If you cannot eliminate at least three of the answer choices you may choose not to guess as you will be penalized one quarter of a point for every incorrect answer Questions not answered will not be counted Be sure that you are marking your answer in the oval that corresponds with the correct item in the test booklet Since the multiple choice section

is graded by machine marking the wrong answer will throw off your score *SAT Study Guide Premium, 2023: Comprehensive Review with 8 Practice Tests + an Online Timed Test Option* Brian W.
