Bernard Evans I created lessons that addressed the Common Core's English Language Arts standards in reading literature reading informational texts writing speaking and listening My goal for this project was to explore how teachers could incorporate the use of informational texts multimedia tools the arts and their community as a way to support the teaching of a novel I mainly incorporated these other resources as a way to get students to analyze literature more deeply and to help them strengthen their understanding of the novel itself I wanted them to meet the rigorous Common Core State Standards while still experiencing literature as art and having a feeling of connectedness to the novel The outcome of this project was a novel centered unit that is aligned to the Common Core State Standards for English Language Arts There are two separate units included in the project One unit was designed to be adapted to any novel and therefore is less specific and more of a suggested outline for a unit The other unit is specific to *The Adventures of Ulysses* and includes detailed lesson plans that could be used by any teacher who teaches this novel **Dead Men Kill**, 2012 [Holes Common Core Aligned Literature Guide](#) Mary Pat Mahoney, 2010-03-22 Fully reproducible guide provides teaching strategies background and suggested resources and activities **Opening Night Teacher's Guide** Benchmark Education Co., LLC Staff, 2015-01-01 Non Common Core Edition of Teacher's Guide for corresponding title Not for individual sale Sold as part of larger package only
