On the Dark Side of Passion Corlis Martin, 2008 On The Dark Side of Passion is about deeply intimate moments and the penalties of those who choose love over all else regardless of the consequences [The Essence of Love Eternal](#) Lisa Rogers, 2023-03-20 Well I would like to begin by saying that I am so grateful to Page Publishing for publishing my second poetry book It means a lot to me to be published not just once but twice in this lifetime Also I would like to tell you how I got my inspiration from my first poem Our English teacher gave us an assignment when I was in the fifth grade to write a poem I asked her directly What is a poem She basically said to write about things that are important to you from your own perspective Well I was quite confused about how I was going to write the assignment At that time my sister Debbie came by to visit me She brought me a special gift perfume I looked at the bottle which has the name of the perfume Timeless I started thinking about it when I surprised myself with my first poem titled Endless as Time Time is endless Such profound words as well as the poem *The Dark Side of the Mirror* David Brazier, 2019-03-19 This new

commentary by Buddhist teacher and author David Brazier draws back the curtain revealing the deeper meaning of the text in language that will be as transparent to the general reader as it is informative to the specialist **The Complete Works:**

Fantasy & Sci-Fi Novels, Religious Studies, Poetry & Autobiography C. S. Lewis, 2023-12-29 C S Lewis's The Complete Works Fantasy Sci Fi Novels Religious Studies Poetry Autobiography is a rich tapestry of intellectual exploration that spans multiple genres Lewis renowned for his imaginative narratives and theological insights masterfully weaves fantastical elements with profound philosophical inquiries From the enchanting realms of Narnia to the cosmic odysseys in Out of the Silent Planet this collection challenges the boundaries of reality while his essays in religious studies provoke deep contemplation about faith and morality evidencing a literate style that is both accessible and profound reflective of mid 20th

century thought C S Lewis a scholar of literature and a devout Christian draws from his own experiences both personal and academic to craft narratives that resonate with universal truths His time at Oxford University coupled with his conversion to Christianity during the tumultuous times of World War II profoundly influenced his writing The juxtaposition of imaginative storytelling with theological themes reflects Lewis s desire to explore human nature and spirituality amid a rapidly changing world Readers seeking a multifaceted journey through literature religion and self discovery will find Lewis s comprehensive collection a vital addition to their library This anthology not only entertains but also encourages introspection serving as an invitation to reflect on the deeper questions of existence purpose and the human condition

The Broadview Anthology of Victorian Poetry and Poetic Theory: Concise Edition Thomas J. Collins, Vivienne J. Rundle, 2000-03-15 The Broadview Anthology of Victorian Poetry and Poetic Theory Concise Edition is less than half the length of the full anthology but preserves the main principles of the larger work A number of longer poems such as Tennyson s In Memoriam are included in their entirety there are generous selections from the work of all major poets and a representative selection of other work the work of Victorian women poets features very prominently and a substantial selection of poetic theory is included to round out the volume

T.S. Eliot and American Poetry Lee Oser, 1998 Written in a fine and lucid prose style T S Eliot and American Poetry presents a critical study of Eliot s major poems as it examines what America means to its poets Eliot s contribution to a poetic dialogue on this subject with Ralph Waldo Emerson Edgar Allan Poe Walt Whitman Hart Crane Robert Lowell John Ashbery and other literary figures plays a significant role in this groundbreaking study Investigating Eliot s literary inheritance through his familial traditions represented particularly by his mother Charlotte Eliot and in terms of the American Renaissance Lee Oser addresses all phases of Eliot s career as a poet Following an introduction that reevaluates the importance of Poe and Whitman for Eliot and modernism the discussion proceeds from Eliot s reaction against the progressive ethos of late Puritan culture to the appearance in his writing of numerous figures of exile and disinheritance as an expression of lost American patrimony to his flight from the realm of history and his eventual return to the spiritual and cultural traditions of New England A final chapter weighs Eliot s impact on Robert Lowell John Ashbery and Elizabeth Bishop Through its dialectical view of American literary and intellectual history T S Eliot and American Poetry constructs a practical methodology for comparing Eliot with other American poets Juxtaposing Eliot s poems lectures and essays including generous excerpts from Eliot s uncollected prose with landmark texts by Emerson Poe Whitman and many others Oser engages in a deeper analysis of Eliot s Americanness than has hitherto been possible In addressing Eliot s treatment of America as symbol and topos the work presents a multifaceted chronicle of Eliot s development that enriches formalist and historicist approaches alike T S Eliot and American Poetry makes numerous original contributions to the field of literary history No previous work has so richly pursued Eliot s literary and familial inheritance as well as his legacy to American poetry the result is a highly nuanced perspective on contemporary debates about poetry criticism and culture

Structural Analysis of The Honorary Consul by Graham Greene Rudolf E. van Dalm, 1999 Is Graham Greene really the great novelist we think he is In what way did he succeed in keeping his readership spellbound What was the driving force behind his so called Catholicism Was there a special reason for him to call The Honorary Consul his favourite book Why is clock time such a matter of great concern to those who otherwise believe the book to be his greatest And is there any reason for calling his characters empty or full and anything in between instead of just defining them flat or round The answers to these and many other intriguing questions are to be found in this captivating analysis of The Honorary Consul by Rudolf E van Dalm Instead of being only a study on Graham Greene it has turned out to be a fascinating report on what makes Greene such an absorbing writer One of the most gripping publications on the famous British author on the eve of the millennium the book is both entertaining and instructive Words on Cassette, 2002 R R Bowker Publishing, 2002 **The Works of Chin Ce**, **Gerard Manley Hopkins, the Poetry of Gerard Manley Hopkins** John Richard Watson, 1987 **Webster's Collegiate Dictionary**, 1916 **Poetry of the Victorian Period** Jerome Hamilton Buckley, 1965 Selected and edited with critical and explanatory notes brief biographies and bibliographies **Poetry and Prose** Gerard Manley Hopkins, 1976 The Treasury of English Poetry Mark Caldwell, Walter M. Kendrick, 1984 Gathers a wide variety of poems by British authors ranging from Geoffrey Chaucer and William Shakespeare to W H Auden and Dylan Thomas **British Poetry 1880-1920** Paul Luzon Wiley, Harold Orel, 1969 The Theme of Detachment in Old English Poetry. "The Wanderer", "The Seafarer" and "The Wife's Lament" Alessandra Pennesi, 2020-06-16 Essay from the year 2018 in the subject Literature General language English abstract This paper discusses the theme of detachment in Old English poetry It focuses on the poems The Wanderer The Seafarer and The Wife s Lament Here the narrators all come to tell of their own dramatic experiences of detachment from a beloved place or person The theme of detachment is surely quite controversial as it triggers emotions often more intricate than mere nostalgia We will then see how this emotion is represented through the three speaking voices of the poems and how the texts invite us to understand the experience of exile in close relation to the natural world and to the questions of captivity and liberation The Great Fire of London Jacques Roubaud, 2016-06-29 Part novel and part autobiography The Great Fire of London originates in the author s determination to come to terms with the sudden death of his young wife Alix whose absence haunts every page Paralyzed by grief and having failed to complete the novel he had wanted to write Jacques Roubaud begins a book about that very failure He submerges his love and his sorrow in meditations that range from despair to playfulness taking slow and painful steps toward surviving his great loss BOOK JACKET *Webster's Collegiate Dictionary* Noah Webster, 1934 **T.P.'s Weekly** Thomas Power O'Connor, Holbrook Jackson, 1906
