Hartman,2023-11 2023 National Jewish Book Award Finalist in Modern Jewish Thought and Experience Who Are the Jews And Who Can We Become tackles perhaps the most urgent question facing the Jewish people today Given unprecedented denominational tribalism how can we Jews speak of ourselves in collective terms Crucially the way each of us tells our shared story is putting our collective identity at risk Donniel Hartman argues We need a new story built on Judaism s foundations and poised to inspire a majority of Jews to listen discuss and retell it This book is that story Since our beginnings Hartman explains the Jewish identity meta narrative has been a living synthesis of two competing religious covenants Genesis Judaism which defines Jewishness in terms of who one is and the group to which one belongs independent of what one does or believes and Exodus Judaism which grounds identity in terms of one s relationship with an aspirational system of values ideals beliefs commandments and behaviors When one narrative becomes too dominant Jewish collective identity becomes distorted Conversely when Genesis and Exodus interplay the sparks of a rich compelling identity are found Hartman deftly applies this Genesis Exodus meta narrative as a roadmap to addressing contemporary challenges including Diaspora Jewry s eroding relationship with Israel the othering of Israeli Palestinians interfaith marriage the Israeli Palestinian conflict and collectively who we Jews can become **The Rational Bible: Deuteronomy** Dennis Prager,2022-10-11 Is the Bible the

inside who understands the fight we are currently in and who knows what must be done to save our country Dr Sebastian

Gorka's latest book *The War for America's Soul* leverages the former White House strategist's expertise driven by his determination to preserve what made America great in the first place. MARK LEVIN Our country is at war with itself. On one side are American patriots dedicated to freedom under the Constitution; on the other side are leftists campaigning not just to win elections but to radically transform the nation. In this political war for the soul of our country, America's patriots need a strategist with a blueprint for victory. Luckily, we have such a man in Dr. Sebastian Gorka, a former strategist for President Trump and now a nationally syndicated radio host and a fearless culture warrior. In his essential new book *The War for America's Soul*, Dr. Gorka shows how America's elite in both parties betrayed our heartland, sabotaged the American dream, and accepted national decline as inevitable. It took a candidate with remarkable vision, dauntless courage, and unbreakable determination to change the narrative. That man was Donald Trump. A candidate who owed no favors to special interests, Trump articulated a new American nationalism that has been an extraordinary force for economic and political renewal.

Cold War Radio Mark G. Pomar, 2022-10 *Cold War Radio* is a concise look at the history of Voice of America and Radio Free Europe, Radio Liberty, and their impact on the Soviet Union during the Cold War.

A Code of Jewish Ethics: Volume 1 Rabbi Joseph Telushkin, 2009-02-04 *A Code of Jewish Ethics: Volume 1* You Shall Be Holy is the initial volume of the first major code of Jewish ethics to be written in the English language. It is a monumental work on the vital topic of personal character and integrity by one of the premier Jewish scholars and thinkers of our time. With the stated purpose of restoring ethics to its central role in Judaism, Rabbi Joseph Telushkin offers hundreds of examples from the Torah, the Talmud, rabbinic commentaries, and contemporary stories to illustrate how ethical teachings can affect our daily behavior. The subjects dealt with are ones we all encounter. They include judging other people fairly, knowing when forgiveness is obligatory, optional, or forbidden, balancing humility and self-esteem, avoiding speech that shames others, restraining our impulses of envy, hatred, and revenge, valuing truth but knowing when lying is permitted, understanding why God is the ultimate basis of morality, and appreciating the great benefits of Torah study. Telushkin has arranged the book in the traditional style of Jewish codes, with topical chapters and numbered paragraphs. Statements of law are almost invariably followed by anecdotes illustrating how these principles have been or can be practiced in daily life. The book can be read straight through to provide a solid grounding in Jewish values, consulted as a reference when facing ethical dilemmas, or studied in a group. Vast in scope, this volume distills more than three thousand years of Jewish laws and suggestions on how to improve one's character and become more honest, decent, and just. It is a landmark work of scholarship that is sure to influence the lives of Jews for generations to come, rich with questions to ponder and discuss, but primarily a book to live by.

The Book of Jewish Values Rabbi Joseph Telushkin, 2011-06-01 Rabbi Joseph Telushkin combed the Bible, the Talmud, and the whole spectrum of Judaism's sacred writings to give us a manual on how to lead a decent, kind, and honest life in a morally complicated world.
