Description :

*Compares today's same-sex marriage movement to the experiences of black people in the mid-nineteenth century. The staggering string of victories by the gay rights movement's campaign for marriage equality raises questions not only about how gay people have been able to successfully deploy marriage to elevate their social and legal reputation, but also what kind of freedom and equality the ability to marry can mobilize. Wedlocked turns to history to compare today's same-sex marriage movement to the experiences of newly emancipated black people in the mid-nineteenth century, when they were able to legally marry for the first time. Maintaining that the transition to greater freedom was both wondrous and perilous for newly emancipated people, Katherine Franke relates stories of former slaves' involvements with marriage and draws lessons that serve as cautionary tales for today's marriage rights movements. While we should be careful what we wish for is a prominent theme, they also teach us how the rights-bearing subject is inevitably shaped by the very rights they bear, often in ways that reinforce racialized gender norms and stereotypes. Franke further illuminates how the racialization of same-sex marriage has redounded to the benefit of the gay rights movement while contributing to the ongoing subordination of people of color and the diminishing reproductive rights of women. Like same-sex couples today, freed African-American men and women experienced a shift in status from outlaws to in-laws, from living outside the law to finding their private lives organized by law and state licensure. Their experiences teach us the potential and the perils of being subject to legal regulation: rights and specifically the right to marriage can both burden and set you free.*

**Abolish the Family** Sophie Lewis, 2022-10-04 What if we could do better than the family We need to talk about the family For those who are lucky families can be filled with love and care but for many they are sites of pain from abandonment and neglect to abuse and

violence Nobody is more likely to harm you than your family Even in so called happy families the unpaid unacknowledged work that it takes to raise children and care for each other is endless and exhausting It could be otherwise in this urgent incisive polemic leading feminist critic Sophie Lewis makes the case for family abolition Abolish the Family traces the history of family abolitionist demands beginning with nineteenth century utopian socialist and sex radical Charles Fourier the Communist Manifesto and early twentieth century Russian family abolitionist Alexandra Kollontai Turning her attention to the 1960s Lewis reminds us of the anti family politics of radical feminists like Shulamith Firestone and the gay liberationists a tradition she traces to the queer marxists bringing family abolition to the twenty first century This exhilarating essay looks at historic rightwing panic about Black families and the violent imposition of the family on indigenous communities and insists only by thinking beyond the family can we begin to imagine what might come after *Engaging the Doctrine of Marriage* Matthew Levering, 2020-08-12 This book is the next volume in Levering's Engaging Doctrine series The prior volume of the series examined the doctrine of creation The present volume examines the purpose of creation the marriage of God and humans God created the cosmos for the purpose of the marriage of God and his people and through his people the marriage of God and the entire creation Given that the central meaning or prime analogate of marriage is the marriage of God and humankind the study of human marriage needs to be shaped by this eschatological goal and foregrounded as a dogmatic theme After a first chapter defending and explaining the biblical witness to the marriage of God and his people the book explores various themes marriage as an image of God original sin as the fall of the primordial marriage the cross of Jesus Christ and marital self sacrificial love the procreative and unitive ends of marriage marriage as a sacrament and marriage's importance for social justice and for the upbuilding of the kingdom of God Along the way the book provides an introduction to the key biblical patristic medieval modern and contemporary thinkers and controversies regarding the doctrine of marriage **Black Performance on the Outskirts of the Left** Malik Gaines, 2017-08-22 Articulates the role black theatricality played in the radical energy of the sixties Black Performance on the Outskirts of the Left illustrates the black political ideas that radicalized the artistic endeavors of musicians playwrights and actors beginning in the 1960s These ideas paved the way for imaginative models for social transformation through performance Using the notion of excess its transgression multiplicity and ambivalence Malik Gaines considers how performances of that era circulated a black political discourse capable of unsettling commonplace understandings of race gender and sexuality Following the transnational route forged by W E B Du Bois Josephine Baker and other modern political actors from the United States to West Africa Europe and back this book considers how artists negotiated at once the local national and diasporic frames through which race has been represented Looking broadly at performances found in music theater film and everyday life from American singer and pianist Nina Simone Ghanaian playwrights Efua Sutherland and Ama Ata Aidoo Afro German actor G nther Kaufmann to California based performer Sylvester Gaines explores how shared signs of racial legacy and resistance politics are articulated with

regional distinction Bringing the lens forward through contemporary art performance at the 2015 Venice Biennial Gaines connects the idea of sixties radicality to today's interest in that history explores the aspects of those politics that are lost in translation and highlights the black expressive strategies that have maintained potent energy Black Performance on the Outskirts of the Left articulates the role black theatricality played in the radical energy of the sixties following the evolution of black identity politics to reveal blackness's ability to transform contemporary social conditions *The Life and Death of Latisha King* Gayle Salamon, 2018-03-20 What can the killing of a transgender teen teach us about the violence of misreading gender identity as sexual identity *The Life and Death of Latisha King* examines a single incident the shooting of 15 year old Latisha King by 14 year old Brian McInerney in their junior high school classroom in Oxnard California in 2008 The press coverage of the shooting as well as the criminal trial that followed referred to Latisha assigned male at birth as Larry Unpacking the consequences of representing the victim as Larry a gay boy instead of Latisha a trans girl Gayle Salamon draws on the resources of feminist phenomenology to analyze what happened in the school and at the trial that followed In building on the phenomenological concepts of anonymity and comportment Salamon considers how gender functions in the social world and the dangers of being denied anonymity as both a particularizing and dehumanizing act Salamon offers close readings of the court transcript and the bodily gestures of the participants in the courtroom to illuminate the ways gender and race were both evoked in and expunged from the narrative of the killing Across court documents and media coverage Salamon sheds light on the relation between the speakable and unspeakable in the workings of the transphobic imaginary Interdisciplinary in both scope and method the book considers the violences visited upon gender nonconforming bodies that are surveilled and othered and the contemporary resonances of the Latisha King killing
