Conscious Change Jean Kantambu Latting, V. Jean Ramsey, Stephanie Foy, Amy Foy Hageman, 2025-07-30 Every day most of us interact with people of disparate backgrounds beliefs and experiences individuals who hold different expectations than we do of the people and world around them How does one navigate these often turbulent waters In *Conscious Change* nineteen authors describe how they have applied the principles of *Conscious Change* within multicultural diverse environments to overcome difficult and emotionally draining challenges and in doing so provide a road map to shifting one s own story when moving through similarly demanding situations in all areas of life These practical case studies reveal how transformational the *Conscious Change* tools can be leading to a stronger sense of one s personal capacity as a leader better interpersonal relationships and the beginnings of

greater equity and inclusion Illuminating and instructive these stories are vivid illustrations of the skills today's leaders need in their multicultural organizations and settings where issues of diversity equity and inclusion are and will increasingly be front and center

5 Habits to Lead from Your Heart Johnny Covey, 2016-06-15 In 5 Habits to Lead from Your Heart author and coach Johnny Covey presents a powerful new way to change how we perceive experiences how we make decisions and how we interpret events Often we filter experiences through a lens that does not include our hearts Harmful habits can form when we act out of fear or self preservation our head instead of using our heart But habits can be changed Johnny illustrates how to understand better our human nature and unleash its potential to lead from your heart live courageously and create the life you want So many times we are in a reactive mode not thinking about what we are doing Have we ever stopped and asked What is holding me back Why don't I have relationships that I want Why am I stuck in my head worried about what others think of me How can I free myself from ruts and routines How might I choose to live courageously in my heart How can I consciously create the life I am meant to live Johnny helps us understand the genesis of our results our mind and our own system of checks and balances our conscience By combining what we currently know with Covey's 5 Habits we will have everything we need to elevate our thinking take the next step and succeed 5 Habits to Lead from Your Heart is a rare wake up call in our search for meaning Greg Link Co author of Smart Trust Co founder CoveyLink Another winner in the Covey tradition Doug Conant former CEO Campbell Soup and Chairman Avon Products If you want a book that is bone honest practical personal and profound this is it Scott C Hammond author of Lessons of the Lost Finding Hope and Resilience in Work Life This is an extraordinary book Journey from doing to being from planning to achieving and from success to significance Dr Nido Qubein President High Point University Chairman Great Harvest Company

The Age of Clinton Gil Troy, 2015-10-06 The 1990s was a decade of extreme change Seismic shifts in culture politics and technology radically altered the way Americans did business expressed themselves and thought about their role in the world At the center of it all was Bill Clinton the talented charismatic and flawed Baby Boomer president and his controversial polarizing but increasingly popular wife Hillary Although it was in many ways a Democratic Gilded Age the final decade of the twentieth century was also a time of great anxiety The Cold War was over America was safe stable free and prosperous and yet Americans felt more unmoored anxious and isolated than ever Having lost the script telling us our place in the world we were forced to seek new anchors This was the era of glitz and grunge when we simultaneously relished living in the Republic of Everything even as we feared it might degenerate into the Republic of Nothing Bill Clinton dominated this era a man of passion and of contradictions both revered and reviled whose complex legacy has yet to be clearly defined In this unique analysis historian Gil Troy examines Clinton's presidency alongside the cultural changes that dominated the decade By taking the 90s year by year Troy shows how the culture of the day shaped the Clintons even as the Clintons shaped it In so doing he offers answers to two of the enduring questions about Clinton's legacy how did such a talented politician leave Americans thinking he

accomplished so little when he actually accomplished so much And to what extent was Clinton responsible for the catastrophes of the decade that followed his departure from office specifically 9 11 and the collapse of the housing market Even more relevant as we head toward the 2016 election The Age of Clinton will appeal to readers on both sides of the aisle

Leap Forward Andrew Obara, 2017-10-13 This book was written for people who probably feel they never need it Its main purpose is to motivate and encourage the reader whoever and wherever they are that it is possible to rise up do better and excel as a person It is easy to get into the trap of daily painful existence blaming circumstances the environment other people and things around us for our negative outcomes in life None of us love to remain poor or insignificant We all want to achieve and attain status in life We all love to excel yet very few of us do The book argues with compelling stories and evidence from history science society and academiathat human destiny in its most crude form is like a garden When left alone a garden only grows with useless weeds but when good seeds are sown in it the ground is well cultivated the crops cared for and the garden teeming lively with crops that feed us well The author shares with the reader his personal experiences and those of scores of other people in the world to demonstrate the indomitable power of the human being to get better Spiced with easy witty poems and scores of true stories the book convinces the reader of their power to excel The book does this using sequential themes built around eight instructively captivating chapters as follows 1 Leap forward and get better 2 Use your power you are more powerful than you think 3 Pursue excellence it is your calling 4 Avoid mediocrity and all its roots 5 Accept that you are different 6 Dedicate yourself to service And when you do all these and you realize it is tough 7 Take heart the world seldom cheers excellence 8 Now do this and leap forward
