Nice Book Young Atatürk Ottoman Soldier Statesman:

Perspectives on Retranslation Özlem Berk Albachten, Şehnaz Tahir Gürçağlar, 2018-10-03 *Perspectives on Retranslation Ideology Paratexts Methods* explores retranslation from a variety of aspects and reflects methodological and theoretical developments in the field. Featuring eleven chapters each offering a unique approach, the book presents a well-rounded analysis of contemporary issues in retranslation. It brings together case studies and examples from a range of contexts including France, the UK, Spain, the US, Brazil, Greece, Poland, modern Turkey, and the Ottoman Empire. The chapters highlight a diversity of cultural settings and illustrate the assumptions and epistemologies underlying the manifestations of retranslation in various cultures and time periods. The book expressly challenges a Eurocentric view and treats retranslation in all of its complexity by using a variety of methods including quantitative and statistical analysis, bibliographical studies, reception analysis, film analysis, and musicological paratextual, textual, and norm analysis. The chapters further show the dominant effect of ideology on macro and micro translation decisions, which comes into sharp relief in the specific context of retranslation.

The Young Atatürk George W. Gawrych, 2013-04-16 Mustafa Kemal, latterly and better known as Atatürk, is without doubt the most famous figure in modern Turkish history. But what was his path to power? And how did his early career as a soldier in the Ottoman army affect his later decisions as President? *The Young Atatürk* tracks the lesser covered period of Kemal's life from the War of Independence to the founding of the Republic. George W. Gawrych shows that it is only by understanding Kemal's military career that one can fully comprehend how he evolved as one of the twentieth century's most extraordinary statesmen. Gawrych also contributes to the understanding of Kemal by presenting a systematic and critical analysis of his military writings, orders, actions, and letters, as well as his political decisions, speeches, proclamations, and private correspondences. Soldiering helped shape Kemal's critical reasoning, personal values, and emotional intelligence. His experiences as an officer and commander forced him to adjust theories to practices in order to solve problems and make decisions. But Kemal was a natural political leader, and his broad intellectual interests and personal studies helped prepare him for political leadership. Gawrych demonstrates that in the last year of the War of Independence, Kemal excelled as both Commander in Chief of the Armed Forces and President of the Grand National Assembly of Turkey. Gawrych incorporates previously unstudied Ottoman archival documents and is the first Western scholar to conduct extensive research on Kemal in the military archives of the Turkish General Staff. This book is essential reading for those seeking to understand the establishment of the Republic of Turkey and the part that Kemal played in that process.

Memories of a Turkish Statesman-1913-1919 (Formerly Governor of Constantinople, Imperial Ottoman Naval Minister, and Commander of the Fourth Army in Sinai, Palestine and Syria) Djemal Pasha, 2019-04-28 This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. We have represented this book in the same form as it was first published. Hence any marks seen are left intentionally to preserve its

true nature Ataturk: Lessons in Leadership From the Greatest General of the Ottoman Empire Austin Bay,2011-08-16 Mustafa Kemal Atatürk was a Muslim visionary revolutionary statesman and founder of the Republic of Turkey The West knows him best as the leading Ottoman officer in World War I s Battle of Gallipoli a defeat for the Allies and the Ottoman empire s greatest victory Gaining fame as an exemplary military officer he went on to lead his people in the Turkish War of Independence abolishing the Ottoman Sultanate emancipating women and adopting western dress Deeply influenced by the Enlightenment Atatürk sought to transform the empire into a modern and secular nation state and during his presidency embarked upon a program of impressive political economic and cultural reforms Militarily and politically he excelled at all levels of conflict from the tactical through the operational to the strategic and into the rarified realm of grand strategy His ability to integrate the immediate with the ultimate serves as an important lesson for leaders engaged in the twenty first century s great military struggles He became the only leader in history to successfully turn a Muslim nation into a Western parliamentary democracy and secular state leaving behind a legacy of modernization and military and political leadership

Atatürk: the Road to Freedom Okan Çınar,2022-03-13 Mustafa Kemal Atatürk was a legendary soldier and an outstanding statesman he was unquestionably one of the most significant figures of the 20th Century As a leader who established and shaped a new republic from the ashes of the vanishing Ottoman Empire he earned himself admiration and great respect from not only his own people but also from the entire world This book is a complete biography of the founder and first president of the Republic of Turkey it covers Atatürk s childhood military and political life in full detail
